103. Sec. 327.—There shall be in the Bureau of the Comptroller of the Currency a Deputy Comptroller of the Currency, to be appointed by the Secretary, who shall be entitled to a salary of two thousand five hundred dollars a year, and who shall possess the power and perform the duties attached by law to the office of Comptroller during a vacancy in the office or during the absence or inability of the Comptroller. The Deputy Comptroller shall also take the oath of office prescribed by the Constitution and laws of the United States, and shall give a like bond in the penalty of fifty thousand dollars.

Note.—The salary of the Deputy Comptroller has been fixed at various amounts by different appropriation bills, as follows: Act March 3, 1875 (sundry civil bill), 18 Stat. L., 398, $3,000; act March 3, 1901, 31 Stat. L., 978, $2,800; act March 18, 1904, 33 Stat. L., 103, $3,000; act February 3, 1905, 33 Stat. L., 649, and all subsequent acts, $3,500.

ADDITIONAL DEPUTY COMPTROLLER OF THE CURRENCY.

104. Deputy Comptroller, $3,500; Deputy Comptroller, $3,000, who shall be appointed by the Secretary of the Treasury, and shall possess the power and perform the duties attached by law to the office of Comptroller during a vacancy in the office of Comptroller and Deputy Comptroller or during the absence or inability of the Comptroller and the Deputy Comptroller, and said assistant Deputy Comptroller shall give a like bond in the penalty of fifty thousand dollars.

Note.—The additional Deputy Comptroller was first provided for in the act of May 22, 1908.

CLERKS.

105. Sec. 328.—The Comptroller of the Currency shall employ, from time to time, the necessary clerks, to be appointed and classified by the Secretary of the Treasury, to discharge such duties as the Comptroller shall direct.
INTEREST IN NATIONAL BANKS PROHIBITED.

106. Sec. 329.—It shall not be lawful for the Comptroller or the Deputy Comptroller of the Currency, either directly or indirectly, to be interested in any association issuing national currency under the laws of the United States.

Note.—Section 10 of the Federal Reserve Act provides in part that no member of the Federal Reserve Board shall be an officer or director of any bank, banking institution, trust company, or Federal Reserve Bank, nor hold stock in any bank, banking institution, or trust company. As the Comptroller of the Currency is a member of the board, he is thus prohibited from being connected as an officer or shareholder with any bank, banking institution, or trust company, whether State or National. It would appear that under section 329 a Deputy Comptroller of the Currency would be prohibited from being interested not only in any national bank but in any State bank that should become a member bank and a shareholder in one of the Federal Reserve banks.

SEAL OF COMPTROLLER OF THE CURRENCY.

107. Sec. 330 [as amended 1875].—The seal devised by the Comptroller of the Currency for his office, and approved by the Secretary of the Treasury, shall continue to be the seal of office of the Comptroller, and may be renewed when necessary. A description of the seal, with an impression thereof, and a certificate of approval by the Secretary of the Treasury, shall be filed in the office of the Secretary of State.

ROOMS, VAULTS, AND FURNITURE FOR CURRENCY BUREAU.

108. Sec. 331.—There shall be assigned, from time to time, to the Comptroller of the Currency, by the Secretary of the Treasury, suitable rooms in the Treasury building for conducting the business of the Currency Bureau, containing safe and secure fireproof vaults, in which the Comptroller shall deposit and safely keep all the plates not necessarily in the possession of engravers or printers, and other valuable things belonging to his department; and the Comptroller shall from time to time furnish the necessary furniture, stationery, fuel, lights, and other proper conveniences for the transaction of the business of his office.

109. Sec. 332.—

Refers entirely to banks other than national in the District of Columbia and is incorporated in section 714 of the Code of the District of Columbia and has been repeatedly amended.

110. Sec. 333 [as amended 1875].—The Comptroller of the Currency shall make an annual report to Congress, at the commencement of its session, exhibiting—

First. A summary of the state and condition of every association from which reports have been received the preceding year, at the several dates to which such reports precede.

be obtained, the deficiency to be supplied from such other
authentic sources as may be available.

FORMATION OF NATIONAL BANKING ASSOCIATIONS.

201. Sec. 5133.—Associations for carrying on the business of banking under this Title may be formed by any number of natural persons, not less in any case than five. They shall enter into articles of association, which shall specify in general terms the object for which the association is formed, and may contain any other provisions, not inconsistent with law, which the association may see fit to adopt for the regulation of its business and the conduct of its affairs. These articles shall be signed by the persons uniting to form the association, and a copy of them shall be forwarded to the Comptroller of the Currency, to be filed and preserved in his office.

202. Sec. 5134.—The persons uniting to form such an association shall, under their hands, make an organization certificate, which shall specifically state:

Fourth. The names and places of residence of the shareholders and the number of shares held by each of them.

Fifth. The fact that the certificate is made to enable such persons to avail themselves of the advantages of this Title.

Note.—For authority to change names or locations see act May 1, 1886, post, paragraph 211.

HOW CERTIFICATES SHALL BE ACKNOWLEDGED AND FILED.

203. Sec. 5135.—The organization certificate shall be acknowledged before a judge of some court of record, or notary public; and shall be, together with the acknowledgment thereof, authenticated by the seal of such court, or notary, transmitted to the Comptroller of the Currency, who shall record and carefully preserve the same in his office.

CORPORATE POWERS OF ASSOCIATION.

204. Sec. 5136.—Upon duly making and filing articles of association and an organization certificate, the association shall become, as from the date of the execution of its organization certificate, a body corporate, and as such, and in the name designated in the organization certificate, it shall have power—

First. To adopt and use a corporate seal.

Second. To have succession for the period of twenty years from its organization, unless it is sooner dissolved according to the provisions of its articles or association, or by the act of its shareholders owning two-thirds of its stock, or unless its franchise becomes forfeited by some violation of law.

Third. To make contracts.

Fourth. To sue and be sued, complain and defend, in any court of law and equity, as fully as natural persons.

Fifth. To elect or appoint directors, and by its board of directors to appoint a president, vice president, cashier, and other officers, define their duties, require bonds of them and fix the penalty thereof, dismiss such officers or any of them at pleasure, and appoint others to fill their places.

Sixth. To prescribe, by its board of directors, by-laws not inconsistent with law, regulating the manner in which its stock shall be transferred, its directors elected or appointed, its officers appointed, its property transferred, its general business conducted, and the privileges granted to it by law exercised and enjoyed.

Seventh. To exercise by its board of directors, or duly authorized officers or agents, subject to law, all such incidental powers as shall be necessary to carry on the business of banking; by discounting and negotiating promissory notes, drafts, bills of exchange, and other evidences of debt; by receiving deposits; by buying and selling exchange, coin, and bullion; by loaning money on personal security; and by obtaining, issuing, and circulating notes according to the provisions of this Title.

NOTE.—See sections 5109 and 5170, paragraphs 320 and 321, post, relating to issuing and publishing of certificate authorizing association to begin business.

LOANS ON IMPROVED REAL ESTATE.

205. Sec. 24.—Any national banking association not situated in a central reserve city may make loans secured by improved and unencumbered farm land situated within its Federal reserve district or within a radius of...
one hundred miles of the place in which such bank is located, irrespective of district lines, and may also make loans secured by improved and unencumbered real estate located within one hundred miles of the place in which such bank is located, irrespective of district lines; but no loan made upon the security of such farm land shall be made for a longer time than five years, and no loan made upon the security of such real estate as distinguished from farm land shall be made for a longer time than one year nor shall the amount of any such loan, whether upon such farm land or upon such real estate, exceed fifty per centum of the actual value of the property offered as security. Any such bank may make such loans, whether secured by such farm land or such real estate, in an aggregate sum equal to twenty-five per centum of its capital and surplus or to one-third of its time deposits and such banks may continue hereafter as heretofore to receive time deposits and to pay interest on the same.

The Federal Reserve Board shall have power from time to time to add to the list of cities in which national banks shall not be permitted to make loans secured upon real estate in the manner described in this section.

**WHEN NATIONAL BANK AS A MEMBER BANK OF FEDERAL RESERVE SYSTEM MAY ACCEPT DRAFTS OR BILLS OF EXCHANGE.**

206. Any member bank may accept drafts or bills of exchange drawn upon it having not more than six months' sight to run, exclusive of days of grace, which grow out of transactions involving the importation or exportation of goods; or which grow out of transactions involving the domestic shipment of goods, provided shipping documents conveying or securing title are attached at the time of acceptance; or which are secured at the time of acceptance by a warehouse receipt or other such document conveying or securing title covering readily marketable staples. No member bank shall accept, whether in a foreign or domestic transaction, for any one person, company, firm, or corporation to an amount equal at any time in the aggregate to more than ten per centum of its paid-up and unimpaired capital stock and surplus, unless the bank is secured either by attached documents or by some other actual security growing out of the same transaction as the acceptance; and no bank shall accept such bills to an amount equal at any time in the aggregate to more than one-half of its paid-up and unimpaired capital stock and surplus: Provided, however, That the Federal Reserve Board, under such general regulations as it may prescribe, which shall apply to all banks alike regardless of the amount of capital stock and surplus, may authorize any member bank to accept such bills to an amount not exceeding at any time
ORGANIZATION AND POWERS.

in the aggregate one hundred per centum of its paid-up and unimpaired capital stock and surplus: Provided, further, That the aggregate of acceptances growing out of domestic transactions shall in no event exceed fifty per centum of such capital stock and surplus.

207. Acceptance of drafts or bills of exchange drawn upon national banks by banks or bankers in foreign countries or dependencies of the United States.

Any member bank may accept drafts or bills of exchange drawn upon it having not more than three months' sight to run, exclusive of days of grace, drawn under regulations to be prescribed by the Federal Reserve Board by banks or bankers in foreign countries or dependencies or insular possessions of the United States for the purpose of furnishing dollar exchange as required by the usages of trade in the respective countries, dependencies, or insular possessions. Such drafts or bills may be acquired by Federal reserve banks in such amounts and subject to such regulations, restrictions, and limitations as may be prescribed by the Federal Reserve Board: Provided, however, That no member bank shall accept such drafts or bills of exchange referred to in this paragraph for any one bank to an amount exceeding in the aggregate ten per centum of the paid-up and unimpaired capital and surplus of the accepting bank unless the draft or bill of exchange is accompanied by documents conveying or securing title or by some other adequate security: Provided further, That no member bank shall accept such drafts or bills in an amount exceeding at any time the aggregate of one-half of its paid-up and unimpaired capital and surplus.

TRUST COMPANY POWERS OF NATIONAL BANKS.

208. The Federal Reserve Board is authorized by section 11, paragraph k, of the Federal reserve act "to grant by special permit to national banks applying therefor, when not in contravention of State or local law, the right to act as trustee, executor, administrator, registrar of stocks and bonds, guardian of estates, assignee, receiver, committee of estates of lunatics, or in any other fiduciary capacity in which State banks, trust companies, or other corporations which come into competition with national banks are permitted to act under the laws of the State in which the national bank is located.

"Whenever the laws of such State authorize or permit the exercise of any or all of the foregoing powers by State banks, trust companies, or other corporations which compete with national banks, the granting to and the exercise of such powers by national banks shall not be deemed to be in contravention of State or local law within the meaning of this act.

"National banks exercising any or all of the powers enumerated in this subsection shall segregate all assets held in any fiduciary capacity from the general assets of
the bank and shall keep a separate set of books and records showing in proper detail all transactions engaged in under authority of this subsection. Such books and records shall be open to inspection by the State authorities to the same extent as the books and records of corporations organized under State law which exercise fiduciary powers, but nothing in this act shall be construed as authorizing the State authorities to examine the books, records, and assets of the national bank which are not held in trust under authority of this subsection.

"No national bank shall receive in its trust department deposits of current funds subject to check or the deposit of checks, drafts, bills of exchange, or other items for collection or exchange purposes. Funds deposited or held in trust by the bank awaiting investment shall be carried in a separate account and shall not be used by the bank in the conduct of its business unless it shall first set aside in the trust department United States bonds or other securities approved by the Federal Reserve Board.

"In the event of the failure of such bank the owners of the funds held in trust for investment shall have a lien on the bonds or other securities so set apart in addition to their claim against the estate of the bank.

"Whenever the laws of a State require corporations acting in a fiduciary capacity to deposit securities with the State authorities for the protection of private or court trusts, national banks so acting shall be required to make similar deposits and securities so deposited shall be held for the protection of private or court trusts, as provided by the State law.

"National banks in such cases shall not be required to execute the bond usually required of individuals if State corporations under similar circumstances are exempt from this requirement.

"National banks shall have power to execute such bond when so required by the laws of the State.

"In any case in which the laws of a State require that a corporation acting as trustee, executor, administrator, or in any capacity specified in this section, shall take an oath or make an affidavit, the president, vice president, cashier, or trust officer of such national bank may take the necessary oath or execute the necessary affidavit.

"It shall be unlawful for any national banking association to lend any officer, director, or employee any funds held in trust under the powers conferred by this section. Any officer, director, or employee making such loan, or to whom such loan is made, may be fined not more than $5,000, or imprisoned not more than five years, or may be both fined and imprisoned, in the discretion of the court.

"In passing upon applications for permission to exercise the powers enumerated in this subsection, the Federal Reserve Board may take into consideration the
amount of capital and surplus of the applying bank, whether or not such capital and surplus is sufficient under the circumstances of the case, the needs of the community to be served, and any other facts and circumstances that seem to it proper, and may grant or refuse the application accordingly: Provided, That no permit shall be issued to any national banking association having a capital and surplus less than the capital and surplus required by State law of State banks, trust companies, and corporations exercising such powers."

209. Power of national bank to act as insurance agent or as broker or agent in making or procuring loans on real estate.

That in addition to the powers now vested by law in national banking associations organized under the laws of the United States any such association located and doing business in any place the population of which does not exceed five thousand inhabitants, as shown by the last preceding decennial census, may, under such rules and regulations as may be prescribed by the Comptroller of the Currency, act as the agent for any fire, life, or other insurance company authorized by the authorities of the State in which said bank is located to do business in said State, by soliciting and selling insurance and collecting premiums on policies issued by such company; and may receive for services so rendered such fees or commissions as may be agreed upon between the said association and the insurance company for which it may act as agent; and may also act as the broker or agent for others in making or procuring loans on real estate located within one hundred miles of the place in which said bank may be located, receiving for such services a reasonable fee or commission: Provided, however, That no such bank shall in any case guarantee either the principal or interest of any such loans or assume or guarantee the payment of any premium on insurance policies issued through its agency by its principal: And provided further, That the bank shall not guarantee the truth of any statement made by an assured in filing his application for insurance.

FOREIGN BRANCHES [as amended 1919].

210. Sec. 25.—Any national banking association possessing a capital and surplus of $1,000,000 or more may file application with the Federal Reserve Board for permission to exercise, upon such conditions and under such regulations as may be prescribed by the said board, either or both of the following powers:

First. To establish branches in foreign countries or dependencies or insular possessions of the United States for the furtherance of the foreign commerce of the United States, and to act if required to do so as fiscal agents of the United States.
Second. To invest an amount not exceeding in the aggregate ten per centum of its paid-in capital stock and surplus in the stock of one or more banks or corporations chartered or incorporated under the laws of the United States or of any State thereof, and principally engaged in international or foreign banking, or banking in a dependency or insular possession of the United States either directly or through the agency, ownership, or control of local institutions in foreign countries, or in such dependencies or insular possessions. Until January 1, 1921, any national banking association, without regard to the amount of its capital and surplus, may file application with the Federal Reserve Board for permission, upon such conditions and under such regulations as may be prescribed by said board, to invest an amount not exceeding in the aggregate 5 per centum of its paid-in capital and surplus in the stock of one or more corporations chartered or incorporated under the laws of the United States or of any State thereof and, regardless of its location, principally engaged in such phases of international or foreign financial operations as may be necessary to facilitate the export of goods, wares, or merchandise from the United States or any of its dependencies or insular possessions to any foreign country: Provided, however, That in no event shall the total investments authorized by this section by any one national bank exceed 10 per centum of its capital and surplus.

Such application shall specify the name and capital of the banking association filing it, the powers applied for, and the place or places where the banking or financial operations proposed are to be carried on. The Federal Reserve Board shall have power to approve or to reject such application in whole or in part if for any reason the granting of such application is deemed inexpedient, and shall also have power from time to time to increase or decrease the number of places where such banking operations may be carried on.

Every national banking association operating foreign branches shall be required to furnish information concerning the condition of such branches to the Comptroller of the Currency upon demand, and every member bank investing in the capital stock of banks or corporations described above shall be required to furnish information concerning the condition of such banks or corporations to the Federal Reserve Board upon demand, and the Federal Reserve Board may order special examinations of the said branches, banks, or corporations at such time or times as it may deem best.

Before any national bank shall be permitted to purchase stock in any such corporation the said corporation shall enter into an agreement or undertaking with the Federal Reserve Board to restrict its operations or conduct its business in such manner or under such limita-
tions and restrictions as the said board may prescribe for
the place or places wherein such business is to be con-
ducted. If at any time the Federal Reserve Board shall
ascertain that the regulations prescribed by it are not
being complied with, said board is hereby authorized and
empowered to institute an investigation of the matter and
to send for persons and papers, subpoena witnesses, and
administer oaths in order to satisfy itself as to the actual
nature of the transactions referred to. Should such in-
vestigation result in establishing the failure of the cor-
poration in question, or of the national bank or banks
which may be stockholders therein, to comply with the
regulations laid down by the said Federal Reserve Board,
such national banks may be required to dispose of stock
holdings in the said corporation upon reasonable notice.
Every such national banking association shall conduct
the accounts of each foreign branch independently of the
accounts of other foreign branches established by it and
of its home office, and shall at the end of each fiscal
period transfer to its general ledger the profit or loss
accrued at each branch as a separate item.
Any director or other officer, agent, or employee of
any member bank may, with the approval of the Federal
Reserve Board, be a director or other officer, agent, or
employee of any such bank or corporation above men-
tioned in the capital stock of which such member bank
shall have invested as hereinbefore provided, without
being subject to the provisions of section eight of the Act
approved October fifteenth, nineteen hundred and four-
ten, entitled "An Act to supplement existing laws
against unlawful restraints and monopolies, and for
other purposes."

rency, by the vote of shareholders owning two-thirds of
the stock of such association. A duly authenticated

Sec. 3.—That upon the receipt of the application and certificate of the association provided for in the preceding section, the Comptroller of the Currency shall cause a special examination to be made, at the expense of the association, to determine its condition; and if after such examination or otherwise it appears to him that said association is in a satisfactory condition, he shall grant his certificate of approval provided for in the preceding section, or if it appears that the condition of said association is not satisfactory, he shall withhold such certificate of approval.

218. Sec. 4.—That any association so extending the period of its succession shall continue to enjoy all the rights and privileges and immunities granted and shall continue to be subject to all the duties, liabilities, and restrictions imposed by the Revised Statutes of the United States and other acts having reference to national banking associations, and it shall continue to be in all respects the identical association it was before the extension of its period of succession: Provided, however, That the jurisdiction for suits hereafter brought by or against any association established under any law providing for national banking associations, except suits between them and the United States, or its officers and agents, shall be the same as, and not other than, the jurisdiction for suits by or against banks not organized under any law of the United States which do or might do banking business where such national banking associations may be doing business when such suits may be begun: And all laws
and parts of laws of the United States inconsistent with this proviso be, and the same are hereby, repealed.

**Dissenting Shareholders May Withdraw. Act July 12, 1882.**

**219. Sec. 5.**—That when any national banking association has amended its articles of association as provided in this act, and the Comptroller has granted his certificate of approval, any shareholder not assenting to such amendment may give notice in writing to the directors, within thirty days from the date of the certificate of approval, of his desire to withdraw from said association, in which case he shall be entitled to receive from said banking association the value of the shares so held by him, to be ascertained by an appraisal made by a committee of three persons, one to be selected by such shareholder, one by the directors, and the third by the first two; and in case the value so fixed shall not be satisfactory to any such shareholder, he may appeal to the Comptroller of the Currency, who shall cause a reappraisal to be made, which shall be final and binding; and if said reappraisal shall exceed the value fixed by said committee, the bank shall pay the expenses of said reappraisal, and otherwise the appellant shall pay said expenses; and the value so ascertained and determined shall be deemed to be a debt due, and be forthwith paid, to said shareholder from said bank; and the shares so surrendered and appraised shall, after due notice, be sold at public sale, within thirty days after the final appraisal provided in this section: Provided, That in the organization of any banking association intended to replace any existing banking association, and retaining the name thereof, the holders of stock in the expiring association shall be entitled to preference in the allotment of the shares of the new association in proportion to the number of shares held by them respectively in the expiring association.

**Redemption of Circulating Notes Issued Prior to Extension. Act July 12, 1882.**

**220. Sec. 6.**—That the circulating notes of any association so extending the period of its succession which shall have been issued to it prior to such extension shall be redeemed at the Treasury of the United States, as provided in section three of the act of June twentieth, eighteen hundred and seventy-four, entitled “An act fixing the amount of United States notes, providing for redistribution of national bank currency, and for other purposes,” and such notes when redeemed shall be forwarded to the Comptroller of the Currency, and destroyed as now provided by law; and at the end of three years from the date...
of the extension of the corporate existence of each bank
the association so extended shall deposit lawful money

sections fifty-two hundred and twenty-two, fifty-two
hundred and twenty-four, and fifty-two hundred and
twenty-five of the Revised Statutes; and any gain that
may arise from the failure to present such circulating
notes for redemption shall inure to the benefit of the
United States; and from time to time, as such notes are
redeemed or lawful money deposited therefor as provided
herein, new circulating notes shall be issued as provided
by this act, bearing such devices, to be approved by the
Secretary of the Treasury, as shall make them readily
distinguishable from the circulating notes heretofore
issued: Provided, however, That each banking associa­

burse to the Treasury the cost of preparing the plate or
plates for such new circulating notes as shall be issued to it.

bank notes to be macerated.

REEXTENSION OF CORPORATE EXISTENCE. ACT OF APRIL 12, 1902.

222. That the Comptroller of the Currency is hereby authorized, in the manner provided by, and under the conditions and limitations of, the act of July 12, 1882, to extend for a further period of twenty years the charter of any national banking association extended under said act which shall desire to continue its existence after the expiration of its charter.

POWER TO HOLD REAL PROPERTY.

223. Sec. 5137.—A national banking association may purchase, hold, and convey real estate for the following purposes, and for no others:

First. Such as shall be necessary for its immediate accommodation in the transaction of its business.

Second. Such as shall be mortgaged to it in good faith by way of security for debts previously contracted.

Third. Such as shall be conveyed to it in satisfaction of debts previously contracted in the course of its dealings.

Fourth. Such as it shall purchase at sales under judgments, decrees, or mortgages held by the association, or shall purchase to secure debts due to it.

But no such association shall hold the possession of any real estate under mortgage, or the title and possession of any real estate purchased to secure any debts due to it, for a longer period than five years.

Note.—For power to loan on real estate see paragraph 205, ante.

REQUISITE AMOUNT OF CAPITAL.

224. Sec. 5138 [as amended 1900].—No association shall be organized with a less capital than one hundred thousand dollars, except that banks with a capital of not less than fifty thousand dollars may, with the approval of the Secretary of the Treasury, be organized in any place the population of which does not exceed six thousand inhabitants, and except that banks with a capital of not less than twenty-five thousand dollars may, with the sanction of the Secretary of the Treasury, be organized in any place the population of which does not exceed three thousand inhabitants. No association shall be organized in a city the population of which exceeds fifty thousand persons with a capital of less than two hundred thousand dollars.

SHARES OF STOCK AND TRANSFERS.

225. Sec. 5139.—The capital stock of each association shall be divided into shares of one hundred dollars each, and be deemed personal property, and transferable on the books of the association in such manner as may be pre-
scribed in the by-laws or articles of association. Every person becoming a shareholder by such transfer shall, in proportion to his shares, succeed to all rights and liabilities of the prior holder of such shares; and no change shall be made in the articles of association by which the rights, remedies, or security of the existing creditors of the association shall be impaired.

Note.—See also section 23, Federal reserve act, following section 5151, United States Revised Statutes.

HOW PAYMENT OF THE CAPITAL STOCK MUST BE MADE AND CERTIFIED.

226. Sec. 5140.—At least fifty per centum of the capital stock of every association shall be paid in before it shall be authorized to commence business; and the remainder of the capital stock of such association shall be paid in installments of at least ten per centum each, on the whole amount of the capital, as frequently as one installment at the end of each succeeding month from the time it shall be authorized by the Comptroller of the Currency to commence business; and the payment of each installment shall be certified to the Comptroller, under oath, by the president or cashier of the association.

PROCEEDINGS IF SHAREHOLDER FAILS TO PAY INSTALLMENTS.

227. Sec. 5141.—Whenever any shareholder, or his assignee, fails to pay any installment on the stock when the same is required by the preceding section to be paid, the directors of such association may sell the stock of such delinquent shareholder at public auction, having given three weeks' previous notice thereof in a newspaper published and of general circulation in the city or county where the association is located, or if no newspaper is published in said city or county, then in a newspaper published nearest thereto, to any person who will pay the highest price therefor, to be not less than the amount then due thereon, with the expenses of advertisement and sale; and the excess, if any, shall be paid to the delinquent shareholder. If no bidder can be found who will pay for such stock the amount due thereon to the association, and the cost of advertisement and sale, the amount previously paid shall be forfeited to the association, and such stock shall be sold as the directors may order, within six months from the time of such forfeiture, and if not sold it shall be canceled and deducted from the capital stock of the association. If any such cancellation and reduction shall reduce the capital of the association below the minimum of capital required by law, the capital stock shall, within thirty days from the date of such cancellation, be increased to the required amount; in default of which a receiver may be appointed, according to the provisions.
ORGANIZATION AND POWERS.

of section fifty-two hundred and thirty-four, to close up the business of the association.

NATIONAL BANKS MAY INCREASE CAPITAL STOCK.

**228. Sec. 5142.—**Any association formed under this title may, by its articles of association, provide for an increase of its capital from time to time, as may be deemed expedient, subject to the limitations of this title. But the maximum of such increase to be provided in the articles of association shall be determined by the Comptroller of the Currency; and no increase of capital shall be valid until the whole amount of such increase is paid in, and notice thereof has been transmitted to the Comptroller of the Currency, and his certificate obtained specifying the amount of such increase of capital stock, with his approval thereof, and that it has been duly paid in as part of the capital of such association.

INCREASE OF CAPITAL STOCK. ACT MAY 1, 1886.

**229. Sec. 1.—**That any national banking association may, with the approval of the Comptroller of the Currency, by the vote of shareholders owning two-thirds of the stock of such association, increase its capital stock, in accordance with existing laws, to any sum approved by the said Comptroller, notwithstanding the limit fixed in its original articles of association and determined by said Comptroller; and no increase of the capital stock of any national banking association either within or beyond the limit fixed in its original articles of association shall be made except in the manner herein provided.

Note.—For other sections of this act see paragraphs 211, 212, and 213, ante.

REDUCTION OF CAPITAL STOCK.

**230. Sec. 5143.—**Any association formed under this title may, by the vote of shareholders owning two-thirds of its capital stock, reduce its capital to any sum not below the amount required by this title to authorize the formation of associations; but no such reduction shall be allowable which will reduce the capital of the association below the amount required for its outstanding circulation, nor shall any reduction be made until the amount of the proposed reduction has been reported to the Comptroller of the Currency and such reduction has been approved by the said Comptroller of the Currency and by the Federal Reserve Board, or by the organization committee pending the organization of the Federal Reserve Board.

RIGHT OF SHAREHOLDERS TO VOTE; PROXIES AUTHORIZED.

**231. Sec. 5144.—**In all elections of directors, and in deciding all questions at meetings of shareholders, each shareholder shall be entitled to one vote on each share of
stock held by him. Shareholders may vote by proxies duly authorized in writing; but no officer, clerk, teller, or bookkeeper of such association shall act as proxy; and no shareholder whose liability is past due and unpaid shall be allowed to vote.

**Note.**—The Circuit Court of the United States, in United States v. Barry (36 F. R., 246), held that the words "liability past due and unpaid" referred only to unpaid subscriptions for stock.

**ELECTION OF DIRECTORS.**

232. Sec. 5145.—The affairs of each association shall be managed by not less than five directors, who shall be elected by the shareholders at a meeting to be held at any time before the association is authorized by the Comptroller of the Currency to commence the business of banking; and afterward at meetings to be held on such day in January of each year as is specified therefor in the articles of association. The directors shall hold office for one year, and until their successors are elected and have qualified.

**REQUISITE QUALIFICATION OF DIRECTORS.**

233. Sec. 5146 [amended 1905].—Every director must, during his whole term of service, be a citizen of the United States, and at least three-fourths of the directors must have resided in the State, Territory, or District in which the association is located for at least one year immediately preceding their election and must be residents therein during their continuance in office. Every director must own in his own right at least ten shares of the capital stock of the association of which he is a director, unless the capital of the bank shall not exceed twenty-five thousand dollars, in which case he must own in his own right at least five shares of such capital stock. Any director who ceases to be the owner of the required number of shares of the stock, or who becomes in any other manner disqualified, shall thereby vacate his place.

**INTERLOCKING DIRECTORATES—WHEN FORBIDDEN.**

234. Sec. 8.—That from and after two years from the date of the approval of this act no person shall at the same time be a director or other officer or employee of more than one bank, banking association, or trust company, organized or operating under the laws of the United States, either of which has deposits, capital, surplus, and undivided profits aggregating more than $5,000,000; and no private banker or person who is a director in any bank or trust company, organized and operating under the laws of a State, having deposits, capital, surplus, and undivided profits aggregating more than $5,000,000, shall be eligible to be a director in any bank or banking associa-
tion organized or operating under the laws of the United States. The eligibility of a director, officer, or employee under the foregoing provisions shall be determined by the average amount of deposits, capital, surplus, and undivided profits as shown in the official statements of such bank, banking association, or trust company filed as provided by law during the fiscal year next preceding the date set for the annual election of directors, and when a director, officer, or employee has been elected or selected in accordance with the provisions of this Act it shall be lawful for him to continue as such for one year thereafter under said election or employment.

No bank, banking association, or trust company, organized or operating under the laws of the United States, in any city or incorporated town or village of more than two hundred thousand inhabitants, as shown by the last preceding decennial census of the United States, shall have as a director or other officer or employee any private banker or any director or other officer or employee of any other bank, banking association, or trust company located in the same place: Provided, That nothing in this section shall apply to mutual savings banks not having a capital stock represented by shares: Provided further, That a director or other officer or employee of such bank, banking association, or trust company may be a director or other officer or employee of not more than one other bank or trust company organized under the laws of the United States or any State where the entire capital stock of one is owned by stockholders in the other: And provided further, That nothing contained in this section shall forbid a director of class A of a Federal reserve bank, as defined in the Federal reserve act, from being an officer or director or both an officer and director in one member bank: And provided further, That nothing in this act shall prohibit any officer, director, or employee of any member bank or class A director of a Federal reserve bank, who shall first procure the consent of the Federal Reserve Board, which board is hereby authorized, at its discretion, to grant, withhold, or revoke such consent, from being an officer, director, or employee of not more than two other banks, banking associations, or trust companies, whether organized under the laws of the United States or any State, if such other bank, banking association, or trust company is not in substantial competition with such member bank.

The consent of the Federal Reserve Board may be procured before the person applying therefor has been elected as a class A director of a Federal reserve bank or as a director of any member bank.

That from and after two years from the date of the approval of this act no person at the same time shall be a director in any two or more corporations, any one of which has capital, surplus, and undivided profits aggre-
gating more than $1,000,000, engaged in whole or in part in commerce, other than banks, banking associations, trust companies and common carriers subject to the act to regulate commerce, approved February fourth, eighteen hundred and eighty-seven, if such corporations are or shall have been theretofore, by virtue of their business and location of operation, competitors, so that the elimination of competition by agreement between them would constitute a violation of any of the provisions of any of the antitrust laws. The eligibility of a director under the foregoing provision shall be determined by the aggregate amount of the capital, surplus, and undivided profits, exclusive of dividends declared but not paid to stockholders, at the end of the fiscal year of said corporation next preceding the election of directors, and when a director has been elected in accordance with the provisions of this act it shall be lawful for him to continue as such for one year thereafter.

When any person elected or chosen as a director or officer or selected as an employee of any bank or other corporation subject to the provisions of this act is eligible at the time of his election or selection to act for such bank or other corporation in such capacity his eligibility to act in such capacity shall not be affected and he shall not become or be deemed amenable to any of the provisions hereof by reason of any change in the affairs of such bank or other corporation from whatsoever cause, whether specifically excepted by any of the provisions hereof or not, until the expiration of one year from the date of his election or employment.

Note.—See Sec. 25, Federal reserve act, page 165, post, in reference to directors of foreign branches.

ENFORCEMENT OF ACT IN REFERENCE TO INTERLOCKING DIRECTORATES.

235. Sec. 11.—That authority to enforce compliance with sections two, three, seven and eight of this act by the persons respectively subject thereto is hereby vested: in the Interstate Commerce Commission where applicable to common carriers, in the Federal Reserve Board where applicable to banks, banking associations and trust companies, and in the Federal Trade Commission where applicable to all other character of commerce, to be exercised as follows:

Whenever the commission or board vested with jurisdiction thereof shall have reason to believe that any person is violating or has violated any of the provisions of sections two, three, seven, and eight of this act, it shall issue and serve upon such person a complaint stating its charges in that respect, and containing a notice of a hearing upon a day and at a place therein fixed at least thirty days after the service of said complaint. The
person so complained of shall have the right to appear at the place and time so fixed and show cause why an order should not be entered by the commission or board requiring such person to cease and desist from the violation of the law so charged in said complaint. Any person may make application, and upon good cause shown may be allowed by the commission or board, to intervene and appear in said proceeding by counsel or in person. The testimony in any such proceeding shall be reduced to writing and filed in the office of the commission or board. If upon such hearing the commission or board, as the case may be, shall be of the opinion that any of the provisions of said sections have been or are being violated, it shall make a report in writing in which it shall state its findings as to the facts, and shall issue and cause to be served on such person an order requiring such person to cease and desist from such violations, and divest itself of the stock held or rid itself of the directors chosen contrary to the provisions of sections seven and eight of this act, if any there be, in the manner and within the time fixed by said order. Until a transcript of the record in such hearing shall have been filed in a circuit court of appeals of the United States, as hereinafter provided, the commission or board may at any time, upon such notice and in such manner as it shall deem proper, modify or set aside, in whole or in part, any report or any order made or issued by it under this section.

If such person fails or neglects to obey such order of the commission or board while the same is in effect, the commission or board may apply to the circuit court of appeals of the United States, within any circuit where the violation complained of was or is being committed or where such person resides or carries on business, for the enforcement of its order, and shall certify and file with its application a transcript of the entire record in the proceeding, including all the testimony taken and the report and order of the commission or board. Upon such filing of the application and transcript the court shall cause notice thereof to be served upon such person and thereupon shall have jurisdiction of the proceeding and of the question determined therein, and shall have power to make and enter upon the pleadings, testimony, and proceedings set forth in such transcript a decree affirming, modifying, or setting aside the order of the commission or board. The findings of the commission or board as to the facts, if supported by testimony, shall be conclusive. If either party shall apply to the court for leave to adduce additional evidence, and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the proceeding before the commission or board, the court may order such additional evidence to be taken before the commission or
board and to be adduced upon the hearing in such man-
ner and upon such terms and conditions as to the court
may seem proper. The commission or board may modify
its findings as to the facts, or make new findings, by rea-
son of the additional evidence so taken, and it shall file
such modified or new findings, which, if supported by
testimony, shall be conclusive, and its recommendations,
if any, for the modification or setting aside of its original
order, with the return of such additional evidence. The
judgment and decree of the court shall be final, except
that the same shall be subject to review by the Supreme
Court upon certiorari as provided in section two hundred
and forty of the Judicial Code.

Any party required by such order of the commission
or board to cease and desist from a violation charged
may obtain a review of such order in said circuit court of
appeals by filing in the court a written petition praying
that the order of the commission or board be set aside.
A copy of such petition shall be forthwith served upon
the commission or board, and thereupon the commis-
sion or board forthwith shall certify and file in the court
a transcript of the record as hereinbefore provided.
Upon the filing of the transcript the court shall have the
same jurisdiction to affirm, set aside, or modify the order
of the commission or board as in the case of an applica-
tion by the commission or board for the enforcement of
its order, and the findings of the commission or board as
to the facts, if supported by testimony, shall in like man-
ner be conclusive.

The jurisdiction of the circuit court of appeals of the
United States to enforce, set aside, or modify orders of
the commission or board shall be exclusive.

Such proceedings in the circuit court of appeals shall
be given precedence over other cases pending therein,
and shall be in every way expedited. No order of the
commission or board or the judgment of the court to
enforce the same shall in any wise relieve or absolve any
person from any liability under the antitrust acts.

Complaints, orders, and other processes of the commis-
sion or board under this section may be served by any-
one duly authorized by the commission or board, either
(a) by delivering a copy thereof to the person to be served,
or to a member of the partnership to be served, or to the
president, secretary, or other executive officer or a direc-
tor of the corporation to be served; or (b) by leaving a
copy thereof at the principal office or place of business of
such person; or (c) by registering and mailing a copy
thereof addressed to such person at his principal office or
place of business. The verified return by the person so
serving said complaint, order, or other process setting
forth the manner of said service shall be proof of the
same, and the return post-office receipt for said complaint,
order, or other process registered and mailed as aforesaid
shall be proof of the service of the same.
OATH REQUIRED FROM DIRECTORS.

236. Sec. 5147.—Each director, when appointed or elected, shall take an oath that he will, so far as the duty devolves on him, diligently and honestly administer the affairs of such association, and will not knowingly violate, or willingly permit to be violated, any of the provisions of this title, and that he is the owner in good faith, and in his own right, of the number of shares of stock required by this title, subscribed by him, or standing in his name on the books of the association, and that the same is not hypothecated, or in any way pledged, as security for any loan or debt. Such oath, subscribed by the director making it, and certified by the officer before whom it is taken, shall be immediately transmitted to the Comptroller of the Currency, and shall be filed and preserved in his Office.

FILLING VACANCIES.

237. Sec. 5148.—Any vacancy in the board shall be filled by appointment by the remaining directors, and any director so appointed shall hold his place until the next election.

PROCEEDINGS WHERE NO ELECTION IS HELD ON THE PROPER DAY.

238. Sec. 5149.—If, from any cause, an election of directors is not made at the time appointed, the association shall not for that cause be dissolved, but an election may be held on any subsequent day, thirty days' notice thereof in all cases having been given in a newspaper published in the city, town, or county in which the association is located; and if no newspaper is published in such city, town, or county, such notice shall be published in a newspaper published nearest thereto. If the articles of association do not fix the day on which the election shall be held, or if no election is held on the day fixed, the day for the election shall be designated by the board of directors in their by-laws, or otherwise; or if the directors fail to fix the day, shareholders representing two-thirds of the shares may do so.

ELECTION OF PRESIDENT OF THE BOARD.

239. Sec. 5150.—One of the directors, to be chosen by the board, shall be the president of the board.

INDIVIDUAL LIABILITY OF SHAREHOLDERS.

240. Sec. 5151.—The shareholders of every national banking association shall be held individually responsible, equally and ratably, and not one for another, for all contracts, debts, and engagements of such association, to the extent of the amount of their stock therein, at the par value thereof, in addition to the amount invested in
such shares; except that shareholders of any banking association now existing under State laws, having not less than five millions of dollars of capital actually paid in, and a surplus of twenty per centum on hand, both to be determined by the Comptroller of the Currency, shall be liable only to the amount invested in their shares; and such surplus of twenty per centum shall be kept undiminished, and be in addition to the surplus provided for in this title; and if at any time there is a deficiency in such surplus of twenty per centum, such association shall not pay any dividends to its shareholders until the deficiency is made good; and in case of such deficiency, the Comptroller of the Currency may compel the association to close its business and wind up its affairs under the provisions of chapter four of this title.

Note. — See act of June 30, 1876, paragraph 521, post, for enforcement of liability prescribed by this section in cases of voluntary liquidation.

INDIVIDUAL LIABILITY OF SHAREHOLDERS—LIABILITY OF SHAREHOLDERS WHO HAVE TRANSFERRED THEIR SHARES.

241. Sec 23.—The stockholders of every national banking association shall be held individually responsible for all contracts, debts, and engagements of such association, each to the amount of his stock therein, at the par value thereof in addition to the amount invested in such stock. The stockholders in any national banking association who shall have transferred their shares or registered the transfer thereof within sixty days next before the date of the failure of such association to meet its obligations, or with knowledge of such impending failure, shall be liable to the same extent as if they had made no such transfer, to the extent that the subsequent transferee fails to meet such liability; but this provision shall not be construed to affect in any way any recourse which such shareholders might otherwise have against those in whose names such shares are registered at the time of such failure.

EXECUTORS, TRUSTEES, ETC., NOT PERSONALLY LIABLE.

242. Sec. 5152.—Persons holding stock as executors, administrators, guardians, or trustees, shall not be personally subject to any liabilities as stockholders; but the estates and funds in their hands shall be liable in like manner and to the same extent as the testator, intestate, ward, or person interested in such trust-funds would be, if living and competent to act and hold the stock in his own name.

GOVERNMENT DEPOSITS IN FEDERAL RESERVE BANKS.

244. Sec. 15.—The moneys held in the general fund of the Treasury, except the five per centum fund for the redemption of outstanding national-bank notes and the funds provided in this act for the redemption of Federal reserve notes may, upon the direction of the Secretary of the Treasury, be deposited in Federal reserve banks,
which banks, when required by the Secretary of the Treasury, shall act as fiscal agents of the United States; and the revenues of the Government or any part thereof may be deposited in such banks, and disbursements may be made by checks drawn against such deposits.

No public funds of the Philippine Islands, or of the postal savings, or any Government funds, shall be deposited in the continental United States in any bank not belonging to the system established by this act: Provided, however, That nothing in this act shall be construed to deny the right of the Secretary of the Treasury to use member banks as depositories.

Note.—Section 7 of the act approved April 24, 1917, known as "An act to authorize an issue of bonds to meet expenditures for the national security and defense, and, for the purpose of assisting in the prosecution of the war, to extend credit to foreign governments, and for other purposes," authorizes the Secretary to deposit proceeds of sale of such bonds in nonmember banks under certain circumstances. For full text of section 7 see page 184, post.

CONVERSION OF STATE BANKS INTO NATIONAL BANKING ASSOCIATIONS.

245. Sec. 5154.—Any bank incorporated by special law of any State or of the United States or organized under the general laws of any State or of the United States and having an unimpaired capital sufficient to entitle it to become a national banking association under the provisions of the existing laws may, by the vote of the shareholders owning not less than fifty-one per centum of the capital stock of such bank or banking association, with the approval of the Comptroller of the Currency be converted into a national banking association, with any name approved by the Comptroller of the Currency:

Provided, however, That said conversion shall not be in contravention of the State law. In such case the articles of association and organization certificate may be executed by a majority of the directors of the bank or banking institution, and the certificate shall declare that the owners of fifty-one per centum of the capital stock have authorized the directors to make such certificate and to change or convert the bank or banking institution into a national association. A majority of the directors, after executing the articles of association and the organization certificate, shall have power to execute all other papers and to do whatever may be required to make its organization perfect and complete as a national association. The shares of any such bank may continue to be for the same amount each as they were before the conversion, and the directors may continue to be directors of the association until others are elected or appointed in accordance with the provisions of the statutes of the United States. When the Comptroller has given to such bank or banking association a certificate that the provisions of this Act have
been complied with, such bank or banking association, and all its stockholders, officers, and employees, shall have the same powers and privileges, and shall be subject to the same duties, liabilities, and regulations, in all respects, as shall have been prescribed by the Federal Reserve Act and by the national banking Act for associations originally organized as national banking associations.

Note.—The act of 1864 authorized any State bank which was a stockholder in any other bank, by authority of State laws, to continue to hold its stock, although either bank or both might have become converted into national banks. This provision was incorporated in section 5154, United States Revised Statutes, but was stricken out in the revision of this section by the act of December 23, 1913.

1 Chapters three, four, and five of this compilation.
any other provisions of existing statutes as require any national banking association now or hereafter organized to maintain a minimum deposit of such bonds with the Treasurer is hereby repealed.

Note.—Section 5159 referred to above is as follows: "Every association, after having complied with the provisions of this title, preliminary to the commencement of the banking business, and before it shall be authorized to commence banking business under this title, shall transfer and deliver to the Treasurer of the United States any United States registered bonds, bearing interest, to an amount not less than thirty thousand dollars and not less than one-third of the capital stock paid in. Such bonds shall be received by the Treasurer upon deposit, and shall be by him safely kept in his office, until they shall be otherwise disposed of, in pursuance of the provisions of this title." (See also note under section 5160.)

TWO PER CENT PANAMA CANAL BONDS HAVE ALL RIGHTS AND PRIVILEGES ACCORDED TO OTHER TWO PER CENT BONDS OF THE UNITED STATES. ACT DECEMBER 21, 1905.

303. Sec. 1.—That the two per cent bonds of the United States authorized by section eight of the act entitled "An act to provide for the construction of a canal connecting the waters of the Atlantic and Pacific oceans," approved June twenty-eight, nineteen hundred and two, shall have all the rights and privileges accorded by law to other two per cent bonds of the United States, and every national banking association having on deposit, as provided by law, such bonds issued under the provisions of said section eight of said act approved June twenty-eight, nineteen hundred and two, to secure its circulating notes, shall pay to the Treasurer of the United States, in the months of January and July, a tax of one-fourth of one per cent each half year upon the average amount of such of its notes in circulation as are based upon the deposit of said two per cent bonds; and such taxes shall be in lieu of existing taxes on its notes in circulation imposed by section fifty-two hundred and fourteen of the Revised Statutes.

Note.—Only bonds available as security for national bank circulation are the consols of 1930 2 per cent Panama Canal bonds, and 4 per cent bonds of 1925.

INCREASE OR REDUCTION OF DEPOSIT TO CORRESPOND WITH CAPITAL.

304. Sec. 5160.—[The deposit of bonds made by each association shall be increased as its capital may be paid up or increased, so that every association shall at all times have on deposit with the Treasurer registered United States bonds to the amount of at least one-third of its capital stock actually paid in]. And any association that may desire to reduce its capital or close up its business and dissolve its organization, may take up its bonds upon returning to the Comptroller its circulating notes in the proportion hereinafter required, or may take up
any excess of bonds beyond [one-third of its capital stock], and upon which no circulating notes have been delivered.

Note.—All provisions of law requiring national banking associations to maintain a minimum deposit of bonds were repealed by the act of June 21, 1917. See paragraph 302 ante. Prior to the passage of that act provisions of sections 5159 and 5160 requiring national banks organized prior to December 23, 1913, to deposit bonds to an amount not less than $30,000 and not less than one-third of the capital stock paid in were held to be modified by the acts of June 20, 1874, and July 12, 1882. Section 4 of the act of June 20, 1874, which follows section 5167, provided in part that the amount of bonds on deposit for circulation should not be reduced below $50,000. That fixed the amount of bonds required to be deposited by national banks organized prior to December 23, 1913, and having a capital of over $150,000. National banks having a capital of $150,000 or less were not required to keep on deposit bonds in excess of one-fourth of their capital stock as security for their circulating notes by act of July 12, 1882, chapter 290, section 8. This act follows section 5167, Revised Statutes. All national banks having a capital of $150,000 or less and organized prior to December 23, 1913, were required to keep on deposit bonds equal to one-fourth of their capital stock, and if any bank of such capitalization organized since December 23, 1913, desired to take out circulation it was required to deposit bonds in like amount as under the old law. Similarly all banks organized prior to December 23, 1913, with capital stock of over $150,000 were required to keep on deposit bonds equal to $50,000, and any bank of such capitalization organized since December 23, 1913, if it desired to take out circulation, was required to deposit bonds in that amount.

Section 18 of the Federal Reserve act provides that after December 23, 1915, which is 2 years from the passage of that act, and at any time during a period of 20 years thereafter, any member bank desiring to retire the whole or any part of its circulating notes, may file with the Treasurer of the United States an application to sell for its account, at par and accrued interest, United States bonds securing circulation to be retired. This section further provides that the Federal Reserve Board, may, in its discretion, require the Federal reserve banks to purchase such bonds from the banks whose applications have been filed with the Treasurer at least 10 days before the end of any quarterly period at which the Federal Reserve Board may direct the purchase to be made: Provided, That Federal reserve banks shall not be permitted to purchase an amount to exceed $25,000,000 of such bonds in any one year, and which amount shall include bonds acquired under section 4 of that act by the Federal reserve bank.

EXCHANGE OF COUPON FOR REGISTERED BONDS.

305. Sec. 5161.—To facilitate a compliance with the two preceding sections, the Secretary of the Treasury is authorized to receive from any association, and cancel, any United States coupon bonds, and to issue in lieu thereof registered bonds of like amount, bearing a like rate of interest, and having the same time to run.

MANNER OF MAKING TRANSFERS OF BONDS.

306. Sec. 5162.—All transfers of United States bonds, made by any association under the provisions of this title, shall be made to the Treasurer of the United States in trust for the association, with a memorandum written or printed on each bond, and signed by the
OBTAINING AND ISSUING CIRCULATING NOTES.

cashier, or some other officer of the association making the deposit. A receipt shall be given to the association, by the Comptroller of the Currency, or by a clerk appointed by him for that purpose, stating that the bond is held in trust for the association on whose behalf the transfer is made, and as security for the redemption and payment of any circulating notes that have been or may be delivered to such association. No assignment or transfer of any such bond by the Treasurer shall be deemed valid unless countersigned by the Comptroller of the Currency.

REGISTRY OF TRANSFERS.

307. Sec. 5163.—The Comptroller of the Currency shall keep in his office a book in which he shall cause to be entered, immediately upon countersigning it, every transfer or assignment by the Treasurer of any bonds belonging to a national banking association, presented for his signature. He shall state in such entry the name of the association from whose accounts the transfer is made, the name of the party to whom it is made, and the par value of the bonds transferred.

NOTICE OF TRANSFER TO BE GIVEN TO ASSOCIATION INTERESTED.

308. Sec. 5164.—The Comptroller of the Currency shall, immediately upon countersigning and entering any transfer or assignment by the Treasurer, of any bonds belonging to a national banking association, advise by mail the association from whose accounts the transfer is made, of the kind and numerical designation of the bonds, and the amount thereof so transferred.

EXAMINATION OF REGISTRY AND BONDS.

309. Sec. 5165.—The Comptroller of the Currency shall have at all times, during office hours, access to the books of the Treasurer of the United States for the purpose of ascertaining the correctness of any transfer or assignment of the bonds deposited by an association, presented to the Comptroller to countersign; and the Treasurer shall have the like access to the book mentioned in section fifty-one hundred and sixty-three, during office hours, to ascertain the correctness of the entries in the same; and the Comptroller shall also at all times have access to the bonds on deposit with the Treasurer, to ascertain their amount and condition.

ANNUAL EXAMINATION OF BONDS BY ASSOCIATION.

310. Sec. 5166.—Every association having bonds deposited in the office of the Treasurer of the United States shall, once or oftener in each fiscal year, examine and compare the bonds pledged by the association with the books of the Comptroller of the Currency and with the
accounts of the association, and, if they are found correct, to execute to the Treasurer a certificate setting forth the different kinds and the amounts thereof, and that the same are in the possession and custody of the Treasurer at the date of the certificate. Such examination shall be made at such time or times, during the ordinary business hours, as the Treasurer and the Comptroller, respectively, may select, and may be made by an officer or agent of such association, duly appointed in writing for that purpose; and his certificate before mentioned shall be of like force and validity as if executed by the president or cashier. A duplicate of such certificate, signed by the Treasurer, shall be retained by the association.

GENERAL PROVISIONS RESPECTING BONDS.

311. Sec. 5167.—The bonds transferred to and deposited with the Treasurer of the United States, by any association, for the security of its circulating notes, shall be held exclusively for that purpose, until such notes are redeemed, except as provided in this title. The Comptroller of the Currency shall give to any such association powers of attorney to receive and appropriate to its own use the interest on the bonds which it has so transferred to the Treasurer; but such powers shall become inoperative whenever such association fails to redeem its circulating notes. Whenever the market or cash value of any bonds thus deposited with the Treasurer is reduced below the amount of the circulation issued for the same, the Comptroller may demand and receive the amount of such depreciation in other United States bonds at cash value, or in money, from the association, to be deposited with the Treasurer as long as such depreciation continues. And the Comptroller, upon the terms prescribed by the Secretary of the Treasury, may permit an exchange to be made of any of the bonds deposited with the Treasurer by any association, for other bonds of the United States authorized to be received as security for circulating notes, if he is of opinion that such an exchange can be made without prejudice to the United States; and he may direct the return of any bonds to the association which transferred the same, in sums of not less than one thousand dollars, upon the surrender to him and the cancellation of a proportionate amount of such circulating notes: Provided, That the remaining bonds which shall have been transferred by the association offering to surrender circulating notes are equal to the amount required for the circulating notes not surrendered by such association, and that the amount of bonds in the hands of the Treasurer is not diminished below the amount required to be kept on deposit with him, and that there has been no failure by the association to redeem its circulating notes, nor any other violation by it of the provisions of this title, and
that the market or cash value of the remaining bonds is not below the amount required for the circulation issued for the same.

**Note.**—All provisions of law requiring national banking associations to maintain a minimum deposit of bonds were repealed by the act of June 21, 1917. See paragraph 302, ante.

**WITHDRAWAL OF CIRCULATING NOTES ON DEPOSIT OF LAWFUL MONEY AND WITHDRAWAL OF BONDS. ACT JUNE 20, 1874.**

312. Sec. 4.—That any association organized under this act, or any of the acts of which this is an amendment, desiring to withdraw its circulating notes, in whole or in part, may, upon the deposit of lawful money with the Treasurer of the United States in sums of not less than nine thousand dollars, take up the bonds which said association has on deposit with the Treasurer for the security of such circulating notes; which bonds shall be assigned to the bank in the manner specified in the nineteenth section of the national-bank act; and the outstanding notes of said association, to an amount equal to the legal-tender notes deposited, shall be redeemed at the Treasury of the United States, and destroyed as now provided by law: Provided, That the amount of the bonds on deposit for circulation shall not be reduced below fifty thousand dollars.

**Note.**—Other sections of this act referred to under paragraphs 401 and 402, post. Section 19 of the national-bank act is incorporated in Revised Statutes, sections 5162-5164. See also note under section 5160, paragraph 304, ante.

**AMOUNT OF BONDS REQUIRED TO BE ON DEPOSIT; RE-DEPOSITION OF AMOUNT OR RETIREMENT IN FULL OF CIRCULATING NOTES. ACT JULY 12, 1882.**

313. Sec. 8.—That national banks now organized (or hereafter organized), having a capital of one hundred and fifty thousand dollars, or less, shall not be required to keep on deposit or deposit with the Treasurer of the United States bonds in excess of one-fourth of their capital stock as security for their circulating notes; but such banks shall keep on deposit or deposit with the Treasurer of the United States the amount of bonds as herein required. And such of those banks having on deposit bonds in excess of that amount are authorized to reduce their circulation by the deposit of lawful money as provided by law; [provided That the amount of such circulating notes shall not in any case exceed ninety per centum of the par value of the bonds deposited as herein provided:] Provided further, That the national banks which shall hereafter make deposits of lawful money for the retirement in full of their circulation shall at the time of their deposit be assessed for the cost of transporting and redeeming their notes then outstanding, a sum equal to the average cost of the re-
demption of national-bank notes during the preceding
year, and shall thereupon pay such assessment. And
all national banks which have heretofore made or shall
hereafter make deposits of lawful money for the reduc-
tion of their circulation shall be assessed and shall pay
an assessment in the manner specified in section three of
the act approved June 20, 1874, for the cost of transport-
ing and redeeming their notes redeemed from such de-
posits subsequently to June 30, 1881.

Note.—The limitation of the circulation not to exceed ninety
per cent of the bonds deposited is superseded by act March 14,
1900, which follows Revised Statutes 5171. For act June 20, 1874,
section 3, mentioned in this section, see paragraph 414, post.
All provisions of law requiring national banking associations to
maintain a minimum deposit of bonds were repealed by the act of

been filed with the Treasurer at least ten days before the end of any quarterly period at which the Federal Reserve Board may direct the purchase to be made: Provided, That Federal reserve banks shall not be permitted to purchase an amount to exceed $25,000,000 of such bonds in any one year, and which amount shall include bonds acquired under section four of this act by the Federal reserve bank.

Provided further, That the Federal Reserve Board shall allot to each Federal reserve bank such proportion of such bonds as the capital and surplus of such bank shall bear to the aggregate capital and surplus of all the Federal reserve banks.

Upon notice from the Treasurer of the amount of bonds so sold for its account, each member bank shall duly assign and transfer, in writing, such bonds to the Federal reserve bank purchasing the same, and such Federal reserve bank shall, thereupon, deposit lawful money with the Treasurer of the United States for the purchase price of such bonds, and the Treasurer shall pay to the member banks selling such bonds any balance due after deducting a sufficient sum to redeem its outstanding notes secured by such bonds, which notes shall be canceled and permanently retired when redeemed.

ISSUE OF CIRCULATING NOTES TO FEDERAL RESERVE BANKS ON SECURITY OF UNITED STATES BONDS; CIRCULATING NOTES SO ISSUED OBLIGATIONS OF FEDERAL RESERVE BANK.

317. The Federal reserve banks purchasing such bonds shall be permitted to take out an amount of circulating notes equal to the par value of such bonds.

Upon the deposit with the Treasurer of the United States of bonds so purchased, or any bonds with the circulating privilege acquired under section four of this act, any Federal reserve bank making such deposit in the manner provided by existing law, shall be entitled to receive from the Comptroller of the Currency circulating notes in blank, registered and countersigned as provided by law, equal in amount to the par value of the bonds so deposited. Such notes shall be the obligations of the Federal reserve bank procuring the same, and shall be in form prescribed by the Secretary of the Treasury, and to the same tenor and effect as national bank notes now provided by law. They shall be issued and redeemed under the same terms and conditions as national bank notes, except that they shall not be limited to the amount of the capital stock of the Federal reserve bank issuing them.

ISSUE OF TREASURY GOLD NOTES OF THE UNITED STATES IN EXCHANGE FOR CERTAIN UNITED STATES BONDS.

318. Upon application of any Federal reserve bank, approved by the Federal Reserve Board, the Secretary of the Treasury may issue, in exchange for United States
two per centum gold bonds bearing the circulation privilege, but against which no circulation is outstanding, one-year gold notes of the United States without the circulation privilege, to an amount not to exceed one-half of the two per centum bonds so tendered for exchange, and thirty-year three per centum gold bonds without the circulation privilege for the remainder of the two per centum bonds so tendered: Provided, That at the time of such exchange the Federal reserve bank obtaining such one-year gold notes shall enter into an obligation with the Secretary of the Treasury binding itself to purchase from the United States for gold at the maturity of such one-year notes, an amount equal to those delivered in exchange for such bonds, if so requested by the Secretary, and at each maturity of one-year notes so purchased by such Federal reserve bank, to purchase from the United States such an amount of one-year notes as the Secretary may tender to such bank, not to exceed the amount issued to such bank in the first instance, in exchange for the two per centum United States gold bonds; said obligation to purchase at maturity such notes shall continue in force for a period not to exceed thirty years.

For the purpose of making the exchange herein provided for, the Secretary of the Treasury is authorized to issue at par Treasury notes in coupon or registered form as he may prescribe in denominations of one hundred dollars, or any multiple thereof, bearing interest at the rate of three per centum per annum, payable quarterly, such Treasury notes to be payable not more than one year from the date of their issue in gold coin of the present standard value, and to be exempt as to principal and interest from the payment of all taxes and duties of the United States except as provided by this act, as well as from taxes in any form by or under State, municipal, or local authorities. And for the same purpose, the Secretary is authorized and empowered to issue United States gold bonds at par, bearing three per centum interest payable thirty years from date of issue, such bonds to be of the same general tenor and effect and to be issued under the same general terms and conditions as the United States three per centum bonds without the circulation privilege now issued and outstanding.

Upon application of any Federal reserve bank, approved by the Federal Reserve Board, the Secretary may issue at par such three per centum bonds in exchange for the one-year gold notes herein provided for.

Comptroller to Determine If Association Can Commence Business.

319. Sec. 5108.—Whenever a certificate is transmitted to the Comptroller of the Currency, as provided in this title, and the association transmitting the same notifies the Comptroller that at least fifty per centum of its capi-
stock has been duly paid in, and that such association has complied with all the provisions of this title required to be complied with before an association shall be authorized to commence the business of banking, the Comptroller shall examine into the condition of such association, ascertain especially the amount of money paid in on account of its capital, the name and place of residence of each of its directors, and the amount of the capital stock of which each is the owner in good faith, and generally whether such association has complied with all the provisions of this title required to entitle it to engage in the business of banking; and shall cause to be made and attested by the oaths of a majority of the directors, and by the president or cashier of the association, a statement of all the facts necessary to enable the Comptroller to determine whether the association is lawfully entitled to commence the business of banking.

CERTIFICATE OF AUTHORITY TO COMMENCE BANKING TO BE ISSUED.

320. Sec. 5169.—If, upon a careful examination of the facts so reported, and of any other facts which may come to the knowledge of the Comptroller, whether by means of a special commission appointed by him for the purpose of inquiring into the condition of such association, or otherwise, it appears that such association is lawfully entitled to commence the business of banking, the Comptroller shall give to such association a certificate, under his hand and official seal, that such association has complied with all the provisions required to be complied with before commencing the business of banking, and that such association is authorized to commence such business. But the Comptroller may withhold from an association his certificate authorizing the commencement of business, whenever he has reason to suppose that the shareholders have formed the same for any other than the legitimate objects contemplated by this title.

PUBLICATION OF CERTIFICATE.

321. Sec. 5170.—The association shall cause the certificate issued under the preceding section to be published in some newspaper printed in the city or county where the association is located, for at least sixty days next after the issuing thereof; or, if no newspaper is published in such city or county, then in the newspaper published nearest thereto.

322. Sec. 5171. —

CENTRAL RESERVE CITIES—EXPLANATORY NOTE.

401. Each association organized in any of the cities named in section 5191, United States Revised Statutes, was authorized by section 5195, United States Revised Statutes, to select, subject to the approval of the Comptroller of the Currency, an association in the city of New York where it might keep one-half of its lawful money reserve. This section originally provided for the redemption of circulating notes at such selected bank in that city, but all provisions other than that authorizing the keeping of a portion of the reserve with such bank were repealed by the act of June 20, 1874. Since the passage of the act of June 21, 1917, however, a member bank can not count any balances as reserve except those due from the Federal reserve bank of its district.

Under the provisions of section 2 of the act of March 3, 1887, whenever three-fourths in number of the national banks located in any city of the United States having a population of 200,000 shall have made application to the Comptroller of the Currency, asking that such
city be made a central reserve city, like the city of New York, the Comptroller of the Currency, with the approval of the Secretary of the Treasury, was authorized to grant such request, and under the provisions of this section the cities of St. Louis and Chicago were designated as additional central reserve cities on March 18 and May 2, 1887, respectively.

The Federal reserve act confers authority upon the Federal Reserve Board to add to the number of cities classified as central reserve cities, to reclassify existing reserve and central reserve cities, or to terminate their designation as such. (See section 11, paragraph E, Federal reserve act.)

Note.—Section 5195 and section 2 of the act of March 3, 1887, heretofore referred to, are as follows:

"Sec. 5195. Each association organized in any of the cities named in section fifty-one hundred and ninety-one shall select, subject to the approval of the Comptroller of the Currency, an association in the city of New York, at which it will redeem its circulating notes at par, and may keep one-half of its lawful money reserve in cash deposits in the city of New York. But the foregoing provision shall not apply to associations organized and located in the city of San Francisco for the purpose of issuing notes payable in gold. Each association not organized within the cities named shall select, subject to the approval of the Comptroller, an association in either of the cities named, at which it will redeem its circulating notes at par. The Comptroller shall give public notice of the names of the associations selected, at which redemptions are to be made by the respective associations, and of any change that may be made of the association at which the notes of any association are redeemed. Whenever any association fails either to make the selection or to redeem its notes as aforesaid, the Comptroller of the Currency may, upon receiving satisfactory evidence thereof, appoint a receiver, in the manner provided for in section fifty-two hundred and thirty-four, to wind up its affairs. But this section shall not relieve any association from its liability to redeem its circulating notes at its own counter, at par, in lawful money on demand."

Section 3 of the act of June 20, 1874, amending section 5195, Revised Statutes, provides—

"That so much of section thirty-two (section 5195, Revised Statutes) of said national-bank act requiring or permitting the redemption of its circulating notes elsewhere than at its own counter, except as provided for in this section, is hereby repealed."

Section 2, act of March 3, 1887, provides:

"That whenever three-fourths in number of the national banks located in any city of the United States having a population of two hundred thousand people shall make application to the Comptroller of the Currency, in writing, asking that such city may be a central reserve city, like the city of New York, in which one-half of the lawful-money reserve of the national banks located in other reserve cities may be deposited, as provided in section fifty-one hundred and ninety-five of the Revised Statutes, the Comptroller shall have authority, with the approval of the Secretary of the Treasury, to grant such request, and every bank located in such city shall at all times thereafter have on hand, in lawful money of the United States, twenty-five per centum of its deposits, as provided in section fifty-one hundred and ninety-one of the Revised Statutes."
RESERVE CITIES—EXPLANATORY NOTE.

Section 5191, United States Revised Statutes, names certain cities in which national banks located therein were required to have on hand in lawful money an amount equal to at least twenty-five per cent of the aggregate amount of their deposits, and provided that every other association should have on hand in lawful money an amount equal to fifteen per cent of the aggregate amount of its deposits. Section 5191 further provided that the Comptroller of the Currency, with the concurrence of the Secretary of the Treasury, might appoint a receiver for any association for failure to make good any deficiency in its reserve within thirty days after the date when the Comptroller of the Currency has notified the association to make good the deficiency. Section 5192, United States Revised Statutes, provided that three-fifths of the reserve of fifteen per cent required to be kept by country banks might consist of balances due to such associations from associations approved by the Comptroller of the Currency in one of the reserve cities mentioned in said section. Since the passage of the act of June 21, 1917, however, a member bank can not count any balances as reserve except those due from the Federal Reserve Bank of its district.

The following are the reserve cities designated in sections 5191 and 5192:

In addition to the cities listed in the preceding paragraph, the city of Leavenworth, Kansas, was named in sections 5191 and 5192, but this designation was repealed by special act of date March 1, 1872. The cities of Charleston and Richmond were also named as reserve cities in section 5192, but were not included in the list of reserve cities enumerated in section 5191. The Comptroller of the Currency, therefore, did not approve any banks in those cities as reserve agents. On April 27, 1914, however, three-fourths of the banks in Richmond having requested that that city be designated as a reserve city, it was so designated under authority of the act of March 3, 1887.

The Comptroller of the Currency was authorized under the act of March 3, 1887, to designate additional reserve cities whenever three-fourths in number of national banks located in any city of the United States having a population of 50,000 requested that the city in question be so designated. This limit of population was reduced to 25,000 by the act of March 3, 1903.

The city of New York listed as a reserve city in sections 5191 and 5192 was designated as a central reserve city by section 5195, and the cities of St. Louis and Chicago
named as reserve cities under sections 5191 and 5192 were designated, on March 18 and May 2, 1887, respectively, as central reserve cities by the Comptroller of the Currency with the concurrence of the Secretary of the Treasury, under the authority granted by the act of March 3, 1887.

In conformity with the provisions of the acts of March 3, 1887, and March 3, 1903, the following cities have been designated by the Comptroller as additional reserve cities: Atlanta, Brooklyn, Cedar Rapids, Columbus, Dallas, Denver, Des Moines, Dubuque, Fort Worth, Galveston, Houston, Indianapolis, Kansas City (Kans.), Kansas City (Mo.), Lincoln, Los Angeles, Minneapolis, Muskegee, Oklahoma City, Omaha, Portland, Pueblo, Richmond, Salt Lake City, San Antonio, Savannah, Seattle, Sioux City, South Omaha, Spokane, St. Joseph, St. Paul, Tacoma, Topeka, Waco, Wichita. On June 26, 1915, South Omaha was consolidated with Omaha.

The Federal reserve act confers authority upon the Federal Reserve Board to add to the number of cities classified as reserve cities, to reclassify existing reserve and central reserve cities, or to terminate their designation as such. (See sec. 11, paragraph E, Federal reserve act.)

Acting under the authority of this section the Federal Reserve Board has designated the following additional reserve cities: Birmingham, Ala.; Charleston, S. C.; Chattanooga and Nashville, Tenn.; Tulsa, Okla.; and Ogden, Utah.

Note.—Sections 5191 and 5192 have not been repealed, but the provisions with respect to specific reserve requirements for banks in the continental United States are superseded by section 19 of the Federal reserve act as amended June 21, 1917, these sections, however, remaining in full force and effect for national banks located in Alaska or in a dependency or insular possession or any part of the United States outside the continental United States, provided said national banks remain nonmember banks. The sections in question are as follows, the italicized portion being superseded, as far as banks in the continental United States are concerned, by later legislation, the remaining portions of these sections being still in force.

Sec. 5191. Every national banking association in either of the following cities: Albany, Baltimore, Boston, Cincinnati, Chicago, Cleveland, Detroit, Louisville, Milwaukee, New Orleans, New York, Philadelphia, Pittsburgh, St. Louis, San Francisco, and Washington, shall at all times have on hand, in lawful money of the United States, an amount equal to at least twenty-five per centum of the aggregate amount of its notes in circulation and its deposits; and every other association shall at all times have on hand, in lawful money of the United States, an amount equal to at least fifteen per centum of the aggregate amount of its notes in circulation and of its deposits.

Whenever the lawful money of any association in any of the cities named shall be below the amount of twenty-five per centum of its circulation and deposits and whenever the lawful money of any other association shall be (below fifteen per centum of its circulation and deposits), such associations shall not increase its liabilities by making any new loans or discounts otherwise than by discounting or purchasing bills of exchange payable at sight, nor make any dividends of its profits until the required propor-
tion, between the aggregate amount of its outstanding notes of circulation and deposits and its lawful money of the United States, has been restored. And the Comptroller of the Currency may notify any association, whose lawful money reserve shall be below the amount above required to be kept on hand, to make good such reserve; and if such association shall fail for thirty days thereafter so to make good its reserve of lawful money, the Comptroller may, with the concurrence of the Secretary of the Treasury, appoint a receiver to wind up the business of the association, as provided in section fifty-two hundred and thirty-four.

Sec. 5192. Three-fifths of the reserve of fifteen per centum required by the preceding section to be kept, may consist of balances due to an association, available for the redemption of its circulating notes, from associations approved by the Comptroller of the Currency, organized under the act of June three, eighteen hundred and sixty-four, and doing business in the cities of Albany, Baltimore, Boston, Charleston, Chicago, Cincinnati, Cleveland, Detroit, Louisville, Milwaukee, New Orleans, New York, Philadelphia, Pittsburgh, Richmond, St. Louis, San Francisco, and Washington. Clearing-house certificates, representing specie or lawful money specially deposited for the purpose, of any clearing-house association, shall also be deemed to be lawful money in the possession of any association belonging to such clearing house, holding and owning such certificate, within the preceding section.

The provisions in section 5191 requiring reserve to be held against circulation were repealed by section 2, act of June 20, 1874, which provides "that section 81 of the National Bank act (sections 5191 and 5192 R. S.) be so amended that the several associations therein provided for shall not hereafter be required to keep on hand any amount of money whatever, by reason of the amount of their respective circulations; but the moneys required by said section to be kept at all times on hand shall be determined by the amount of deposits in all respects, as provided for in the said section."

Additional reserve cities (act of March 3, 1903, amending act of March 3, 1887).—Sec. 1. But this provision shall not apply to any association organized for the purpose of issuing notes payable in gold.

422. Sec. 5197.—Any association may take, receive, reserve, and charge on any loan or discount made, or upon any note, bill of exchange, or other evidences of debt, interest at the rate allowed by the laws of the State, Territory, or District where the bank is located, and no more, except that where by the laws of any State a different rate is limited for banks of issue organized under State laws, the rate so limited shall be allowed for associations organized or existing in any such State under this Title. Every association which fails so to make such return shall be liable to a penalty of two hundred dollars, to be
collected either out of the interest as it may become due such association on the bonds deposited with the Treasurer, or, at his option, in the manner in which penalties are to be collected of other corporations under the laws of the United States.

451. Sec. 5219.—Nothing herein shall prevent all the shares in any association from being included in the valuation of the personal property of the owner or holder of such shares, in assessing taxes imposed by authority of the State within which the association is located; but the legislature of each State may determine and direct the manner and place of taxing all the shares of national banking associations located within the State, subject only to the two restrictions, that the taxation shall not be at a greater rate than is assessed upon other moneyed capital in the hands of individual citizens of such State, and that the shares of any national banking association owned by nonresidents of any State shall be taxed in the city or town where the bank is located, and not elsewhere. If, from such protest, and the report so made, the Comptroller is satisfied that such association has refused to pay its circulating notes and is in default, he shall, within thirty days after he has received notice of such failure, declare the bonds deposited by such association forfeited to the United States, and they shall thereupon be so forfeited.

For any deficiency in the proceeds of all the bonds of an association, when thus sold, to reimburse to the United States the amount expended in paying the circulating notes of the association, the United States shall have a paramount lien upon all its assets; and such deficiency shall be made good out of such assets in preference to any and all other claims whatsoever, except the necessary costs and expenses of administering the same.

BONDS MAY BE SOLD AT PRIVATE SALE.

512. Sec. 5231.—The Comptroller may, if he deems it for the interest of the United States, sell at private sale any of the bonds of an association shown to have made default in paying its notes, and receive therefor either money or the circulating notes of the association. 515. Sec. 5234.—On becoming satisfied, as specified in sections fifty-two hundred and twenty-six and fifty-two hundred and twenty-seven, that any association has refused to pay its circulating notes as therein mentioned, and is in default, the Comptroller of the Currency may forthwith appoint a receiver, and require of him such bond and security as he deems proper. Such receiver, under the direction of the Comptroller, shall take possession of the books, records, and assets of every description of such association, collect all debts, dues, and claims belonging to it, and, upon the order of a court of record of competent jurisdiction, may sell or compound all bad or doubtful debts, and, on a like order, may sell all the real and personal property of such association, on such terms as the court shall direct; and may, if necessary to pay the debts of such association, enforce the individual liability of the stockholders. Such receiver shall pay over all money so made to the Treasurer of the United States, subject to the order of the Comptroller, and also make report to the Comptroller of all his acts and proceedings. Provided, That the Comptroller may, if he deems proper, deposit any of the money so made in any regular Government depositary, or in any State or national bank either of the city or town in which the insolvent bank was located, or of a city or town as adjacent thereto as practicable; if such deposit is made he shall require the depositary to deposit United States bonds or other satisfactory securities with the Treasurer of the United States for the safe-keeping and prompt payment of the money so deposited. Such depositary shall pay upon such money interest at such rate as the Comptroller may prescribe, not less, however, than two per centum per annum upon the average monthly amount of such deposits.

A receiver may also be appointed, under the provisions of section 5234 of the Revised Statutes of the United States, for the following violations of law:

DIVIDENDS; DISTRIBUTION OF ASSETS OF INSOLVENT BANKS.

517. Sec. 5236.—From time to time, after full provision has been first made for refunding to the United States any deficiency in redeeming the notes of such association, the Comptroller shall make a ratable dividend of the money so paid over to him by such receiver on all such claims as may have been proved to his satisfaction or adjudicated in a court of competent jurisdiction, and, as the proceeds of the assets of such association are paid over to him, shall make further dividends on all claims previously proved or adjudicated; and the remainder of the proceeds, if any, shall be paid over to the shareholders of such association or their legal representatives, in proportion to the stock by them respectively held.

WHEN BANK MAY ENJOIN FURTHER PROCEEDINGS.

518. Sec. 5237.—Whenever an association against which proceedings have been instituted, on account of any alleged refusal to redeem its circulating notes as aforesaid, denies having failed to do so, it may, at any time within ten days after it has been notified of the appointment of an agent, as provided in section fifty-two hundred and twenty-seven, apply to the nearest circuit, or district, or Territorial court of the United States to enjoin further proceedings in the premises; and such court, after citing
the Comptroller of the Currency to show cause why further proceedings should not be enjoined, and after the decision of the court or finding of a jury that such association has not refused to redeem its circulating notes, when legally presented, in the lawful money of the United States, shall make an order enjoining the Comptroller, and any receiver acting under his direction, from all further proceedings on account of such alleged refusal.

520. Section 1.—That whenever any national banking association shall be dissolved, and its rights, privileges, and franchises declared forfeited, as prescribed in section fifty-two hundred and thirty-nine of the Revised Statutes of the United States, or whenever any creditor of any national banking association shall have obtained a judgment against it in any court of record, and made application, accompanied by a certificate from the clerk of the court stating that such judgment has been rendered and has remained unpaid for the space of thirty days, or whenever the Comptroller shall become satisfied of the insolvency of a national banking association, he may, after due examination of its affairs, in either case, appoint a receiver, who shall proceed to close up such association, and enforce the personal liability of the shareholders, as provided in section fifty-two hundred and thirty-four of said statutes.

CREDITOR'S BILL AGAINST SHAREHOLDERS. ACT JUNE 30, 1876.

521. Sec. 2.—That when any national banking association shall have gone into liquidation under the provisions of section five thousand two hundred and twenty of said statutes, the individual liability of the shareholders provided for by section fifty-one hundred and fifty-one of said statutes may be enforced by any creditor of such association, by bill in equity, in the nature of a creditor's
bill, brought by such creditor on behalf of himself and of all other creditors of the association, against the shareholders thereof, in any court of the United States having original jurisdiction in equity for the district in which such association may have been located or established.

**APPOMTMENT, QUALIFICATION, AND DUTIES OF SHAREHOLDERS' AGENT. ACT JUNE 30, 1876, AS AMENDED 1892, 1897.**

522. Sec. 3.—That whenever any association shall have been or shall be placed in the hands of a receiver, as provided in section fifty-two hundred and thirty-four and other sections of the Revised Statutes of the United States, and when, as provided in section fifty-two hundred and thirty-six thereof, the Comptroller of the Currency shall have paid to each and every creditor of such association, not including shareholders who are creditors of such association, whose claim or claims as such creditor shall have been proved or allowed as therein prescribed, the full amount of such claims, and all expenses of the receivership and the redemption of the circulating notes of such association shall have been provided for by depositing lawful money of the United States with the Treasurer of the United States, the Comptroller of the Currency shall call a meeting of the shareholders of such association by giving notice thereof for thirty days in a newspaper published in the town, city, or county where the business of such association was carried on, or if no newspaper is there published, in the newspaper published nearest thereto. At such meeting the shareholders shall determine whether the receiver shall be continued and shall wind up the affairs of such association, or whether an agent shall be elected for that purpose, and in so determining the said shareholders shall vote by ballot, in person or by proxy, each share of stock entitling the holder to one vote, and the majority of the stock in value and number of shares shall be necessary to determine whether the said receiver shall be continued, or whether an agent shall be elected. In case such majority shall determine that the said receiver shall be continued, the said receiver shall thereupon proceed with the execution of his trust, and shall sell, dispose of, or otherwise collect the assets of the said association, and shall possess all the powers and authority, and be subject to all the duties and liabilities originally conferred or imposed upon him by his appointment as such receiver, so far as the same remain applicable. In case the said meeting shall, by the vote of a majority of the stock in value and number of shares, determine that an agent shall be elected, the said meeting shall thereupon proceed to elect an agent, voting by ballot, in person or by proxy, each share of stock entitling the holder to one vote, and the person who shall receive votes representing at least a majority of stock in value
and number shall be declared the agent for the purposes
hereinafter provided; and whenever any of the share­

agent, have executed and filed a bond to the satisfaction
of the Comptroller of the Currency, conditioned for the
payment and discharge in full of each and every claim
that may thereafter be proved and allowed by and before
a competent court, and for the faithful performance of
all and singular the duties of such trust, the Comptroller
and the receiver shall thereupon transfer and deliver to
such agent all the undivided or uncollected or other as­
sets of such association then remaining in the hands or
subject to the order and control of said Comptroller and
said receiver, or either of them; and for this purpose said
Comptroller and said receiver are hereby severally em­
powered and directed to execute any deed, assignment,
transfer, or other instrument in writing that may be nec­
essary and proper; and upon the execution and delivery
of such instrument to the said agent the said Comptroller
and the said receiver shall by virtue of this act be dis­

and to each and all the creditors and shareholders thereof.

Upon receiving such deed, assignment, transfer, or
other instrument the person elected such agent shall hold,
control, and dispose of the assets and property of such
association which he may receive under the terms hereof
for the benefit of the shareholders of such association,

assets and property in his hands, and may sell, compro­

the consent and approval of the circuit or district court

full account of all his proceedings, receipts, and expendi­

settle and adjust such accounts and discharge said agent
and the sureties upon said bond. And in case any such
agent so elected shall refuse to serve, or die, resign, or
be removed, any shareholder may call a meeting of the
shareholders of such association in the town, city, or vil­
ge where the business of the said association was car­
rried on, by giving notice thereof for thirty days in a
newspaper published in said town, city, or village, or if
no newspaper is there published, in the newspaper pub­
lished nearest thereto, at which meeting the shareholders
shall elect an agent, voting by ballot, in person or by
proxy, each share of stock entitling the holder to one
vote, and when such agent shall have received votes rep­
resenting at least a majority of the stock in value and
number of shares, and shall have executed a bond to the
shareholders conditioned for the faithful performance of his duties, in the penalty fixed by the shareholders at said meeting, with two sureties, to be approved by a judge of a court of record, and file said bond in the office of the clerk of a court of record in the county where the business of said association was carried on, he shall have all the rights, powers, and duties of the agent first elected as hereinbefore provided. At any meeting held as here­inbefore provided administrators or executors of de­ceased shareholders may act and sign as the decedent might have done if living, and guardians of minors and trustees of other persons may so act and sign for their ward or wards or cestui que trust. The proceeds of the assets or property of any such association which may be undistributed at the time of such meeting or may be sub­sequently received shall be distributed as follows:

First. To pay the expenses of the execution of the trust to the date of such payment.

Second. To repay any amount or amounts which have been paid in by any shareholder or shareholders of such association upon and by reason of any and all assess­ments made upon the stock of such association by the order of the Comptroller of the Currency in accordance with the provisions of the statutes of the United States; and

Third. The balance ratably among such stockholders, in proportion to the number of shares held and owned by each. Such distribution shall be made from time to time as the proceeds shall be received and as shall be deemed advisable by the said Comptroller or said agent.

524. Sec. 2.—That such request, if approved by the Comptroller of the Currency, shall be, together with the certificate of facts in the case, and his recommendation as to the amount of money which, in his judgment, should be so used and employed, submitted to the Secretary of the Treasury, and if the same shall likewise be approved by him, the request shall be by the Comptroller of the Currency allowed, and notice thereof, with copies of the request, certificate of facts, and indorsement of approvals, shall be filed with the Treasurer of the United States.

Sec. 5239.—If the directors of any national banking association shall knowingly violate, or knowingly permit any of the officers, agents, or servants of the association to violate any of the provisions of this title, all the rights, privileges, and franchises of the association shall be thereby forfeited. Such violation shall, however, be determined and adjudged by a proper circuit, district, or Territorial court of the United States, in a suit brought for that purpose by the Comptroller of the Currency, in his own name, before the association shall be declared dissolved. And in cases of such violation, every director who participated in or assented to the same shall be held liable in his personal and individual capacity for all damages which the association, its shareholders, or any other person, shall have sustained in consequence of such violation.

Each member bank by a resolution of the board or by an amendment to its by-laws shall authorize its president, cashier, or some other officer to cast the vote of the member bank in the elections of class A and class B directors.

Within fifteen days after receipt of the list of candidates the duly authorized officer of a member bank shall certify to the chairman his first, second, and other choices for director of class A and class B, respectively, upon a preferential ballot upon a form furnished by the chairman of the board of directors of the Federal reserve bank of the district. If no candidate have a majority of electors voting when the first and second choices shall have been added, then the votes cast in the third column for other choices shall be added together in like manner, and the candidate then having

Any bank incorporated by special law of any State or of the United States or organized under the general laws of any State or of the United States and having an unimpaired capital sufficient to entitle it to become a national banking association under the provisions of the existing laws may, by the vote of the shareholders owning not less than fifty-one per centum of the capital stock of such bank or banking association, with the approval of the Comptroller of the Currency be converted into a national banking association, with any name approved by the Comptroller of the Currency: Provided, however, That
said conversion shall not be in contravention of the State law. In such case the articles of association and organization certificate may be executed by a majority of the directors of the bank or banking institution, and the certificate shall declare that the owners of fifty-one per centum of the capital stock have authorized the directors to make such certificate and to change or convert the bank or banking institution into a national association. A majority of the directors, after executing the articles of association and the organization certificate, shall have power to execute all other papers and to do whatever may be required to make its organization perfect and complete as a national association. The shares of any such bank may continue to be for the same amount each as they were before the conversion, and the directors may continue to be the directors of the association until others are elected or appointed in accordance with the provisions of the statutes of the United States. When the Comptroller has given to such bank or banking association a certificate that the provisions of this Act have been complied with, such bank or banking association, and all its stockholders, officers, and employees, shall have the same powers and privileges, and shall be subject to the same duties, liabilities, and regulations, in all respects, as shall have been prescribed by the Federal Reserve Act and by the national banking Act for associations originally organized as national banking associations.

STATE BANKS AS MEMBERS.

STATE BANKS MAY SUBSCRIBE.

609. Sec. 9.—Any bank incorporated by special law of any State, or organized under the general laws of any State or of the United States, desiring to become a member of the Federal Reserve System, may make application to the Federal Reserve Board, under such rules and regulations as it may prescribe, for the right to subscribe to the stock of the Federal reserve bank organized within the district in which the applying bank is located. Such application shall be for the same amount of stock that the applying bank would be required to subscribe to as a national bank. The Federal Reserve Board, subject to such conditions as it may prescribe, may permit the applying bank to become a stockholder of such Federal reserve bank.

APPLICATIONS FOR MEMBERSHIP.

609a. In acting upon such applications the Federal Reserve Board shall consider the financial condition of the applying bank, the general character of its management, and whether or not the corporate powers exercised are consistent with the purposes of this act.
Whenever the Federal Reserve Board shall permit the applying bank to become a stockholder in the Federal reserve bank of the district its stock subscription shall be payable on call of the Federal Reserve Board, and stock issued to it shall be held subject to the provisions of this act.

REGULATIONS AND RESTRICTIONS.

609b. All banks admitted to membership under authority of this section shall be required to comply with the reserve and capital requirements of this act and to conform to those provisions of law imposed on national banks which prohibit such banks from lending on or purchasing their own stock, which relate to the withdrawal or impairment of their capital stock, and which relates to the payment of unearned dividends.

MEMBER BANKS REQUIRED TO MAKE REPORTS TO FEDERAL RESERVE BOARD AND SUBJECT TO EXAMINATION BY EXAMINERS APPOINTED BY THE BOARD AND SUCH BANKS' OFFICERS, AGENTS, AND EMPLOYEES SUBJECT TO PENALTIES OF SECTION 5299.

609c. Such banks and the officers, agents, and employees thereof also shall be subject to the provisions of and to the penalties prescribed by section fifty-two hundred and nine of the Revised Statutes, and shall be required to make reports of condition and of the payment of dividends to the Federal reserve bank of which they become a member. Not less than three of such reports shall be made annually on call of the Federal reserve bank on dates to be fixed by the Federal Reserve Board. Failure to make such reports within ten days after the date they are called for shall subject the offending bank to a penalty of $100 a day for each day that it fails to transmit such report; such penalty to be collected by the Federal reserve bank by suit or otherwise.

As a condition of membership such banks shall likewise be subject to examinations made by direction of the Federal Reserve Board or of the Federal reserve bank by examiners selected or approved by the Federal Reserve Board.

Whenever the directors of the Federal reserve bank shall approve the examinations made by the State authorities, such examinations and the reports thereof may be accepted in lieu of examinations made by examiners selected or approved by the Federal Reserve Board: Provided, however, That when it deems it necessary the board may order special examinations by examiners of its own selection and shall in all cases approve the form of the report. The expenses of all examinations, other than those made by State authorities, shall be assessed against and paid by the banks examined.
FAILURE TO COMPLY WITH REGULATIONS—PENALTY.

609d. If at any time it shall appear to the Federal Reserve Board that a member bank has failed to comply with the provisions of this section or the regulations of the Federal Reserve Board made pursuant thereto, it shall be within the power of the board after hearing to require such bank to surrender its stock in the Federal reserve bank and to forfeit all rights and privileges of membership. The Federal Reserve Board may restore membership upon due proof of compliance with the conditions imposed by this section.

WITHDRAWAL FROM MEMBERSHIP IN FEDERAL RESERVE BANK BY STATE BANK OR TRUST COMPANY.

609e. Any State bank or trust company desiring to withdraw from membership in a Federal reserve bank may do so, after six months’ written notice shall have been filed with the Federal Reserve Board, upon the surrender and cancellation of all of its holdings of capital stock in the Federal reserve bank: Provided, however, That no Federal reserve bank shall, except under express authority of the Federal Reserve Board, cancel within the same calendar year more than twenty-five per centum of its capital stock for the purpose of effecting voluntary withdrawals during that year. All such applications shall be dealt with in the order in which they are filed with the board. Whenever a member bank shall surrender its stock holdings in a Federal reserve bank, or shall be ordered to do so by the Federal Reserve Board, under authority of law, all of its rights and privileges as a member bank shall thereupon cease and determine, and after due provision has been made for any indebtedness due or to become due to the Federal reserve bank it shall be entitled to a refund of its cash paid subscription with interest at the rate of one-half of one per centum per month from date of last dividend, if earned, the amount refunded in no event to exceed the book value of the stock at that time, and shall likewise be entitled to repayment of deposits and of any other balance due from the Federal reserve bank.

AMOUNT OF CAPITAL REQUIRED TO ENABLE STATE BANK TO BECOME MEMBER BANK.

609f. No applying bank shall be admitted to membership in a Federal reserve bank unless it possesses a paid-up, unimpaired capital sufficient to entitle it to become a national banking association in the place where it is situated under the provisions of the national-bank act.
RIGHTS, POWERS, AND LIABILITIES OF STATE BANKS WHICH BECOME MEMBER BANKS.

609g. Banks becoming members of the Federal Reserve System under authority of this section shall be subject to the provisions of this section and to those of this act which relate specifically to member banks, but shall not be subject to examination under the provisions of the first two paragraphs of section fifty-two hundred and forty of the Revised Statutes as amended by section twenty-one of this act. Subject to the provisions of this act and to the regulations of the board made pursuant thereto, any bank becoming a member of the Federal Reserve System shall retain its full charter and statutory rights as a State bank or trust company, and may continue to exercise all corporate powers granted it by the State in which it was created, and shall be entitled to all privileges of member banks: Provided, however, That no Federal reserve bank shall be permitted to discount for any State bank or trust company notes, drafts, or bills of exchange of any one borrower who is liable for borrowed money to such State bank or trust company in an amount greater than ten per centum of the capital and surplus of such State bank or trust company, but the discount of bills of exchange drawn against actually existing value and the discount of commercial or business paper actually owned by the person negotiating the same shall not be considered as borrowed money within the meaning of this section. The Federal reserve bank, as a condition of the discount of notes, drafts, and bills of exchange for such State bank or trust company, shall require a certificate or guaranty to the effect that the borrower is not liable to such bank in excess of the amount provided by this section, and will not be permitted to become liable in excess of this amount while such notes, drafts, or bills of exchange are under discount with the Federal reserve bank.

It shall be unlawful for any officer, clerk, or agent of any bank admitted to membership under authority of this section to certify any check drawn upon such bank unless the person or company drawing the check has on deposit therewith at the time such check is certified an amount of money equal to the amount specified in such check. Any check so certified by duly authorized officers shall be a good and valid obligation against such bank, but the act of any such officer, clerk, or agent in violation of this section may subject such bank to a forfeiture of its membership in the Federal Reserve System upon hearing by the Federal Reserve Board.

The meetings of said advisory council shall be held at Washington, District of Columbia, at least four times each year, and oftener if called by the Federal Reserve Board. The council may in addition to the meetings above provided for hold such other meetings in Washington, District of Columbia, or elsewhere, as it may deem necessary, may select its own officers and adopt its own methods of procedure, and a majority of its members shall constitute a quorum for the transaction of business. **REDSOLCATS—NOTES, DRAFTS, AND BILLS OF EXCHANGE.**

Upon the indorsement of any of its member banks, which shall be deemed a waiver of demand, notice and protest by such bank as to its own indorsement exclusively, any Federal reserve bank may discount notes, drafts, and bills of exchange arising out of actual commercial transactions; that is, notes, drafts, and bills of exchange issued or drawn for agricultural, industrial, or commercial purposes, or the proceeds of which have been used, or are to be used, for such purposes, the Federal Reserve Board to have the right to determine or define the character of the paper thus eligible for discount, within the meaning of this Act. Nothing in this Act contained shall be construed to prohibit such notes, drafts, and bills of exchange, secured by staple agricultural products, or other goods, wares, or merchandise from being eligible for such discount; but such definition shall not include notes, drafts, or bills covering merely investments or issued or drawn for the purpose of carrying or trading in stocks, bonds, or other investment securities, except bonds and notes of the Government of the United States. Notes, drafts, and bills admitted to discount under the terms of this paragraph must have a maturity at the time of discount of not more than ninety days, exclusive of days of grace: Provided, That notes, drafts, and bills drawn or issued for agricultural purposes or based on live stock and having a maturity not exceeding six months, exclusive of days of grace, may be discounted in an amount to be limited to a percentage of the assets of the Federal reserve bank, to be ascertained and fixed by the Federal Reserve Board.

The aggregate of such notes, drafts, and bills bearing the signature or indorsement of any one borrower, whether a person, company, firm, or corporation, rediscounted for any one bank shall at no time exceed ten per centum of the unimpaired capital and surplus of said bank; but this restriction shall not apply to the discount of bills of exchange drawn in good faith against actually existing values.

No member bank shall accept, whether in a foreign or domestic transaction, for any one person, company, firm, or corporation to an amount equal at any time in the aggregate to more than ten per centum of its paid-up and unimpaired capital stock and surplus, unless the bank is secured either by attached documents or by some other actual security growing out of the same transaction as the acceptance; and no bank shall accept such bills to an amount equal at any time in the aggregate to more than one-half of its paid-up and unimpaired capital stock and surplus: Provided, however, That the Federal Reserve Board, under such general regulations as it may prescribe, which shall apply to all banks alike regardless of the amount of capital stock and surplus, may authorize any member bank to accept such bills to an amount not exceeding at any time in the aggregate one hundred per centum of its paid-up and unimpaired capital stock and surplus: Provided further, That the aggregate of acceptances growing out of domestic transactions shall in no event exceed fifty per centum of such capital stock and surplus.

Any Federal reserve bank may make advances to its member banks on their promissory notes for a period not exceeding fifteen days at rates to be established by such Federal reserve banks, subject to the review and determination of the Federal Reserve Board, provided such promissory notes are secured by such notes, drafts, bills of exchange, or bankers' acceptances as are eligible for
rediscount or for purchase by Federal reserve banks under the provisions of this Act, or by the deposit or pledge of bonds or notes of the United States.¹

FEDERAL RESERVE BOARD MAY GRANT OR REJECT APPLICATION OF FEDERAL RESERVE BANK FOR FEDERAL RESERVE NOTES. FEDERAL RESERVE NOTES FIRST LIEN ON ALL THE ASSETS OF THE BANK.

616e. The board shall have the right, acting through the Federal reserve agent, to grant in whole or in part, or to reject entirely the application of any Federal reserve bank for Federal reserve notes; but to the extent that such application may be granted the Federal Reserve Board shall, through its local Federal reserve agent, supply Federal reserve notes to the banks so applying, and such bank shall be charged with the amount of notes issued to it and shall pay such rate of interest as may be established by the Federal Reserve Board on only that amount of such notes which equals the total amount of its outstanding Federal reserve notes less the amount of gold or gold certificates held by the Federal reserve agent as collateral security. Federal reserve notes issued to any
such bank shall, upon delivery, together with such notes of such Federal reserve bank as may be issued under section eighteen of this act upon security of United States two per centum Government bonds, become a first and paramount lien on all the assets of such bank.

REDUCTION OF NOTE ISSUES.

616f. Any Federal reserve bank may at any time reduce its liability for outstanding Federal reserve notes by depositing with the Federal reserve agent its Federal reserve notes, gold, gold certificates, or lawful money of the United States. Federal reserve notes so deposited shall not be reissued, except upon compliance with the conditions of an original issue.

The Federal reserve agent shall hold such gold, gold certificates, or lawful money available exclusively for exchange for the outstanding Federal reserve notes when offered by the reserve bank of which he is a director. Upon the request of the Secretary of the Treasury the Federal Reserve Board shall require the Federal reserve agent to transmit to the Treasurer of the United States so much of the gold held by him as collateral security for Federal reserve notes as may be required for the exclusive purpose of the redemption of such Federal reserve notes, but such gold when deposited with the Treasurer shall be counted and considered as if collateral security on deposit with the Federal reserve agent.

SUBSTITUTION OF COLLATERAL.

616g. Any Federal reserve bank may at its discretion withdraw collateral deposited with the local Federal reserve agent for the protection of its Federal reserve notes issued to it and shall at the same time substitute therefor other collateral of equal amount with the approval of the Federal reserve agent under regulations to be prescribed by the Federal Reserve Board. Any Federal reserve bank may retire any of its Federal reserve notes by depositing them with the Federal reserve agent or with the Treasurer of the United States, and such Federal reserve bank shall thereupon be entitled to receive back the collateral deposited with the Federal reserve agent for the security of such notes. Federal reserve banks shall not be required to maintain the reserve or the redemption fund heretofore provided for against Federal reserve notes which have been retired. Federal reserve notes so deposited shall not be reissued except upon compliance with the conditions of an original issue.

All Federal reserve notes and all gold, gold certificates, and lawful money issued to or deposited with any Federal reserve agent under the provisions of the Federal reserve act shall hereafter be held for such agent, under
such rules and regulations as the Federal Reserve Board may prescribe, in the joint custody of himself and the Federal reserve bank to which he is accredited. Such agent and such Federal reserve bank shall be jointly liable for the safe-keeping of such Federal reserve notes, gold, gold certificates, and lawful money. Nothing herein contained, however, shall be construed to prohibit a Federal reserve agent from depositing gold or gold certificates with the Federal Reserve Board, to be held by such board subject to his order, or with the Treasurer of the United States for the purposes authorized by law.

PREPARATION OF FEDERAL RESERVE NOTES. PLATES AND DIES TO BE UNDER CONTROL OF COMPTROLLER OF CURRENCY. WHERE NOTES ARE TO BE DEPOSITED.

616h. In order to furnish suitable notes for circulation as Federal reserve notes, the Comptroller of the Currency shall, under the direction of the Secretary of the Treasury, cause plates and dies to be engraved in the best manner to guard against counterfeits and fraudulent alterations, and shall have printed therefrom and numbered such quantities of such notes of the denominations of $5, $10, $20, $50, $100, $500, $1,000, $5,000, $10,000, as may be required to supply the Federal reserve banks. Such notes shall be in form and tenor as directed by the Secretary of the Treasury under the provisions of this Act and shall bear the distinctive numbers of the several Federal reserve banks through which they are issued.

When such notes have been prepared, they shall be deposited in the Treasury, or in the subtreasury or mint of the United States nearest the place of business of each Federal reserve bank and shall be held for the use of such bank subject to the order of the Comptroller of the Currency for their delivery, as provided by this Act.

The plates and dies to be procured by the Comptroller of the Currency for the printing of such circulating notes shall remain under his control and direction, and the expenses necessarily incurred in executing the laws relating to the procuring of such notes, and all other expenses incidental to their issue and retirement, shall be paid by the Federal reserve banks, and the Federal Reserve Board shall include in its estimate of expenses levied against the Federal reserve banks a sufficient amount to cover the expenses herein provided for.

The examination of plates, dies, bed pieces, and so forth, and regulations relating to such examination of plates, dies, and so forth, of national-bank notes provided for in section fifty-one hundred and seventy-four Revised Statutes, is hereby extended to include notes herein provided for.
APPROPRIATION FOR EXPENSE OF PRINTING NATIONAL-BANK NOTES MAY BE USED FOR PRINTING FEDERAL RESERVE NOTES.

616i. Any appropriation heretofore made out of the general funds of the Treasury for engraving plates and dies, the purchase of distinctive paper, or to cover any other expense in connection with the printing of national-bank notes or notes provided for by the Act of May thirtieth, nineteenth hundred and eight, and any distinctive paper that may be on hand at the time of the passage of this Act may be used in the discretion of the Secretary for the purposes of this Act, and should the appropriations heretofore made be insufficient to meet the requirements of this Act in addition to circulating notes provided for by existing law, the Secretary is hereby authorized to use so much of any funds in the Treasury not otherwise appropriated for the purpose of furnishing the notes aforesaid: Provided, however, That nothing in this section contained shall be construed as exempting national banks or Federal reserve banks from their liability to reimburse the United States for any expenses incurred in printing and issuing circulating notes.

WHEN FEDERAL RESERVE BANK SHALL RECEIVE CHECKS AND DRAFTS ON DEPOSIT AT PAR.

616j. Every Federal reserve bank shall receive on deposit at par from member banks or from Federal reserve banks checks and drafts drawn upon any of its depositors, and when remitted by a Federal reserve bank, checks and drafts drawn by any depositor in any other Federal reserve bank or member bank upon funds to the credit of said depositor in said reserve bank or member bank.

CHARGES FOR COLLECTION AND FOR SALE OF EXCHANGE.

616k. Nothing herein contained shall be construed as prohibiting a member bank from charging its actual expense incurred in collecting and remitting funds, or for exchange sold to its patrons. The Federal Reserve Board shall, by rule, fix the charges to be collected by the member banks from its patrons whose checks are cleared through the Federal reserve bank and the charge which may be imposed for the service of clearing or collection rendered by the Federal reserve bank.

FEDERAL RESERVE BOARD MAY EXERCISE FUNCTIONS OF A CLEARING HOUSE AND MAY REQUIRE FEDERAL RESERVE BANKS TO EXERCISE SUCH FUNCTIONS.

616l. The Federal Reserve Board shall make and promulgate from time to time regulations governing the transfer of funds and charges therefor among Federal
reserve banks and their branches, and may at its discretion exercise the functions of a clearing house for such Federal reserve banks, or may designate a Federal reserve bank to exercise such functions, and may also require each such bank to exercise the functions of a clearing house for its member banks.

SECRETARY OF THE TREASURY TO RECEIVE DEPOSITS OF GOLD COIN OR GOLD CERTIFICATES WITH THE TREASURER OR ASSISTANT TREASURER OF UNITED STATES WHEN TENDERED BY ANY FEDERAL RESERVE BANK OR FEDERAL RESERVE AGENT FOR CREDIT TO ITS OR HIS ACCOUNT WITH THE FEDERAL RESERVE BOARD.

616m. That the Secretary of the Treasury is hereby authorized and directed to receive deposits of gold coin or of gold certificates with the Treasurer or any assistant treasurer of the United States when tendered by any Federal reserve bank or Federal reserve agent for credit to its or his account with the Federal Reserve Board. The Secretary shall prescribe by regulation the form of receipt to be issued by the Treasurer or Assistant Treasurer to the Federal reserve bank or Federal reserve agent making the deposit, and a duplicate of such receipt shall be delivered to the Federal Reserve Board by the Treasurer at Washington upon proper advices from any assistant treasurer that such deposit has been made. Deposits so made shall be held subject to the orders of the Federal Reserve Board and shall be payable in gold coin or gold certificates on the order of the Federal Reserve Board to any Federal reserve bank or Federal reserve agent at the Treasury or at the Subtreasury of the United States nearest the place of business of such Federal reserve bank or such Federal reserve agent: Provided, however, That any expense incurred in shipping gold to or from the Treasury or substreasuries in order to make such payments, or as a result of making such payments, shall be paid by the Federal Reserve Board and assessed against the Federal reserve banks. The order used by the Federal Reserve Board in making such payments shall be signed by the governor or vice governor, or such other officers or members as the board may by regulation prescribe. The form of such order shall be approved by the Secretary of the Treasury.

The expenses necessarily incurred in carrying out these provisions, including the cost of the certificates or receipts issued for deposits received, and all expenses incident to the handling of such deposits shall be paid by the Federal Reserve Board and included in its assessments against the several Federal reserve banks.

Gold deposits standing to the credit of any Federal reserve bank with the Federal Reserve Board shall, at the option of said bank, be counted as part of the lawful reserve which it is required to maintain against outstanding...
ing Federal reserve notes, or as part of the reserve it is required to maintain against deposits.

Nothing in this section shall be construed as amending section six of the act of March fourteenth, nineteen hundred, as amended by the acts of March fourth, nineteen hundred and seven, March second, nineteen hundred and eleven, and June twelfth, nineteen hundred and sixteen, nor shall the provisions of this section be construed to apply to the deposits made or to the receipts or certificates issued under those acts.

1917. Sec. 17.—So much of the provisions of section fifty-one hundred and fifty-nine of the Revised Statutes of the United States, and section four of the act of June twentieth, eighteen hundred and seventy-four, and section eight of the act of July twelfth, eighteen hundred and eighty-two, and of any other provisions of existing statutes as require that before any national banking association shall be authorized to commence banking business it shall transfer and deliver to the Treasurer of the United States a stated amount of United States registered bonds, and so much of those provisions or of any other provisions of existing statutes as require any national banking association now or hereafter organized to maintain a minimum deposit of such bonds with the Treasurer is hereby repealed.

1918a. The Treasurer shall, at the end of each quarterly period, furnish the Federal Reserve Board with a list of such applications, and the Federal Reserve Board may, in its discretion, require the Federal reserve banks to purchase such bonds from the banks whose applications have been filed with the Treasurer at least ten days before the end of any quarterly period at which the Federal Reserve Board may direct the purchase to be made: Provided, That Federal reserve banks shall not be permitted to purchase an amount to exceed $25,000,000 of such bonds in any one year, and which amount shall

Upon notice from the Treasurer of the amount of bonds so sold for its account, each member bank shall duly assign and transfer, in writing, such bonds to the Federal reserve bank purchasing the same, and such Federal reserve bank shall, thereupon, deposit lawful money with the Treasurer of the United States for the purchase price of such bonds, and the Treasurer shall pay to the member bank selling such bonds any balance due after deducting a sufficient sum to redeem its outstanding notes secured by such bonds, which notes shall be canceled and permanently retired when redeemed.

625. Sec. 25 [as amended 1919].—Any national banking association possessing a capital and surplus of $1,000,000 or more may file application with the Federal Reserve Board for permission to exercise, upon such conditions and under such regulations as may be prescribed by the said board, either or both of the following powers:

First. To establish branches in foreign countries or dependencies or insular possessions of the United States for the furtherance of the foreign commerce of the United States, and to act if required to do so as fiscal agents of the United States.

Until January 1, 1921, any national banking association, without regard to the amount of its capital and surplus, may file application with the Federal Reserve Board for permission, upon such conditions and under such regulations as may be prescribed by said board, to invest an amount not exceeding in the aggregate 5 per centum of its paid-in capital and surplus in the stock of one or more corporations chartered or incorporated under the laws of the United States or of any State thereof and, regardless of its location, principally engaged in such phases of international or foreign financial operations as may be necessary to facilitate the export of goods, wares, or merchandise from the United States or any of its dependencies or insular possessions to any foreign country: Provided, however, That in no event shall the total investments authorized by this section by any one national bank exceed 10 per centum of its capital and surplus.

Such application shall specify the name and capital of the banking association filing it, the powers applied for, and the place or places where the banking or financial operations proposed are to be carried on. The Federal Reserve Board shall have power to approve or to reject such application in whole or in part if for any reason the granting of such application is deemed inexpedient, and shall also have power from time to time to increase or decrease the number of places where such banking operations may be carried on.

Every national banking association operating foreign branches shall be required to furnish information concerning the condition of such branches to the Comptroller of the Currency upon demand, and every member bank investing in the capital stock of banks or corporations described above shall be required to furnish information concerning the condition of such banks or corporations to the Federal Reserve Board upon demand, and the Federal Reserve Board may order special examinations of the said branches, banks, or corporations at such time or times as it may deem best.

Before any national bank shall be permitted to purchase stock in any such corporation the said corporation shall enter into an agreement or undertaking with the Federal Reserve Board to restrict its operations or conduct its business in such manner or under such limitations and restrictions as the said board may prescribe for the place or places wherein such business is to be conducted. If at any time the Federal Reserve Board shall
ascertain that the regulations prescribed by it are not being complied with, said board is hereby authorized and empowered to institute an investigation of the matter and to send for persons and papers, subpoena witnesses, and administer oaths in order to satisfy itself as to the actual nature of the transactions referred to. Should such investigation result in establishing the failure of the corporation in question, or of the national bank or banks which may be stockholders therein, to comply with the regulations laid down by the said Federal Reserve Board, such national banks may be required to dispose of stockholdings in the said corporation upon reasonable notice.

Every such national banking association shall conduct the accounts of each foreign branch independently of the accounts of other foreign branches established by it and of its home office, and shall at the end of each fiscal period transfer to its general ledger the profit or loss accrued at each branch as a separate item.

Any director or other officer, agent, or employee of any member bank may, with the approval of the Federal Reserve Board, be a director or other officer, agent, or employee of any such bank or corporation above mentioned in the capital stock of which such member bank shall have invested as hereinbefore provided, without being subject to the provisions of section eight of the Act approved October fifteenth, nineteen hundred and fourteen, entitled "An Act to supplement existing laws against unlawful restraints and monopolies, and for other purposes."

BANKING CORPORATIONS AUTHORIZED TO DO FOREIGN BANKING BUSINESS.

625a. Sec. 25 (a).—Corporations to be organized for the purpose of engaging in international or foreign banking or other international or foreign financial operations, or in banking or other financial operations in a dependency or insular possession of the United States, either directly or through the agency, ownership, or control of local institutions in foreign countries, or in such dependencies or insular possessions as provided by this section, and to act when required by the Secretary of the Treasury as fiscal agents of the United States, may be formed by any number of natural persons, not less in any case than five.

Such persons shall enter into articles of association which shall specify in general terms the objects for which the association is formed and may contain any other provisions not inconsistent with law which the association may see fit to adopt for the regulation of its business and the conduct of its affairs.

Such articles of association shall be signed by all of the persons intending to participate in the organization of the corporation and, thereafter, shall be forwarded to the Federal Reserve Board and shall be filed and preserved in its office. The persons signing the said articles
of association shall, under their hands, make an organization certificate which shall specifically state:

First. The name assumed by such corporation, which shall be subject to the approval of the Federal Reserve Board.

Second. The place or places where its operations are to be carried on.

Third. The place in the United States where its home office is to be located.

Fourth. The amount of its capital stock and the number of shares into which the same shall be divided.

Fifth. The names and places of business or residence of the persons executing the certificate and the number of shares to which each has subscribed.

Sixth. The fact that the certificate is made to enable the persons subscribing the same, and all other persons, firms, companies, and corporations, who or which may thereafter subscribe to or purchase shares of the capital stock of such corporation, to avail themselves of the advantages of this section.

The persons signing the organization certificate shall duly acknowledge the execution thereof before a judge of some court of record or notary public, who shall certify thereto under the seal of such court or notary, and thereafter the certificate shall be forwarded to the Federal Reserve Board to be filed and preserved in its office. Upon duly making and filing articles of association and an organization certificate, and after the Federal Reserve Board has approved the same and issued a permit to begin business, the association shall become and be a body corporate, and as such and in the name designated therein shall have power to adopt and use a corporate seal, which may be changed at the pleasure of its board of directors; to have succession for a period of twenty years unless sooner dissolved by the act of the shareholders owning two-thirds of the stock or by an act of Congress or unless its franchises become forfeited by some violation of law; to make contracts; to sue and be sued, complain, and defend in any court of law or equity; to elect or appoint directors, all of whom shall be citizens of the United States; and, by its board of directors, to appoint such officers and employees as may be deemed proper, define their authority and duties, require bonds of them, and fix the penalty thereof, dismiss such officers or employees, or any thereof, at pleasure and appoint others to fill their places; to prescribe, by its board of directors, by-laws not inconsistent with law or with the regulations of the Federal Reserve Board regulating the manner in which its stock shall be transferred, its directors elected or appointed, its officers and employees appointed, its property transferred, and the privileges granted to it by law exercised and enjoyed.

Each corporation so organized shall have power, under such rules and regulations as the Federal Reserve Board may prescribe:
(a) To purchase, sell, discount, and negotiate, with or without its indorsement or guaranty, notes, drafts, checks, bills of exchange, acceptances, including bankers' acceptances, cable transfers, and other evidences of indebtedness; to purchase and sell, with or without its indorsement or guaranty, securities, including the obligations of the United States or of any State thereof but not including shares of stock in any corporation except as herein provided; to accept bills or drafts drawn upon it subject to such limitations and restrictions as the Federal Reserve Board may impose; to issue letters of credit; to purchase and sell coin, bullion, and exchange; to borrow and to lend money; to issue debentures, bonds, and promissory notes under such general conditions as to security and such limitations as the Federal Reserve Board may prescribe, but in no event having liabilities outstanding thereon at any one time exceeding ten times its capital stock and surplus; to receive deposits outside of the United States and to receive only such deposits within the United States as may be incidental to or for the purpose of carrying out transactions in foreign countries or dependencies or insular possessions of the United States; and generally to exercise such powers as are incidental to the powers conferred by this act or as may be usual, in the determination of the Federal Reserve Board, in connection with the transaction of the business of banking or other financial operations in the countries, colonies, dependencies, or possessions in which it shall transact business and not inconsistent with the powers specifically granted herein. Nothing contained in this section shall be construed to prohibit the Federal Reserve Board, under its power to prescribe rules and regulations, from limiting the aggregate amount of liabilities of any or all classes incurred by the corporation and outstanding at any one time. Whenever a corporation organized under this section receives deposits in the United States authorized by this section it shall carry reserves in such amounts as the Federal Reserve Board may prescribe, but in no event less than 10 per centum of its deposits.

(b) To establish and maintain for the transaction of its business branches or agencies in foreign countries, their dependencies or colonies, and in the dependencies or insular possessions of the United States, at such places as may be approved by the Federal Reserve Board and under such rules and regulations as it may prescribe, including countries or dependencies not specified in the original organization certificate.

(c) With the consent of the Federal Reserve Board to purchase and hold stock or other certificates of ownership in any other corporation organized under the provisions of this section, or under the laws of any foreign country or a colony or dependency thereof, or under the laws of any State, dependency, or insular possession of the United States but not engaged in the general business
of buying or selling goods, wares, merchandise or commodities in the United States, and not transacting any business in the United States except such as in the judgment of the Federal Reserve Board may be incidental to its international or foreign business: Provided, however, That, except with the approval of the Federal Reserve Board, no corporation organized hereunder shall invest in any one corporation an amount in excess of 10 per centum of its own capital and surplus, except in a corporation engaged in the business of banking, when 15 per centum of its capital and surplus may be so invested: Provided further, That no corporation organized hereunder shall purchase, own, or hold stock or certificates of ownership in any other corporation organized hereunder or under the laws of any State which is in substantial competition therewith, or which holds stock or certificates of ownership in corporations which are in substantial competition with the purchasing corporation.

Nothing contained herein shall prevent corporations organized hereunder from purchasing and holding stock in any corporation where such purchase shall be necessary to prevent a loss upon a debt previously contracted in good faith; and stock so purchased or acquired in corporations organized under this section shall within six months from such purchase be sold or disposed of at public or private sale unless the time to so dispose of same is extended by the Federal Reserve Board.

No corporation organized under this section shall carry on any part of its business in the United States except such as, in the judgment of the Federal Reserve Board, shall be incidental to its international or foreign business: And provided further, That except such as is incidental and preliminary to its organization no such corporation shall exercise any of the powers conferred by this section until it has been duly authorized by the Federal Reserve Board to commence business as a corporation organized under the provisions of this section.

No corporation organized under this section shall engage in commerce or trade in commodities except as specifically provided in this section, nor shall it either directly or indirectly control or fix or attempt to control or fix the price of any such commodities. The charter of any corporation violating this provision shall be subject to forfeiture in the manner hereinafter provided in this section. It shall be unlawful for any director, officer, agent, or employee of any such corporation to use or to conspire to use the credit, the funds, or the power of the corporation to fix or control the price of any such commodities, and any such person violating this provision shall be liable to a fine of not less than $1,000 and not exceeding $5,000 or imprisonment not less than one year and not exceeding five years, or both, in the discretion of the court.

No corporation shall be organized under the provisions of this section with a capital stock of less than $2,000,000,
one-quarter of which must be paid in before the corporation may be authorized to begin business, and the remainder of the capital stock of such corporation shall be paid in installments of at least 10 per centum on the whole amount to which the corporation shall be limited as frequently as one installment at the end of each succeeding two months from the time of the commencement of its business operations until the whole of the capital stock shall be paid in. The capital stock of any such corporation may be increased at any time, with the approval of the Federal Reserve Board, by a vote of two-thirds of its shareholders or by unanimous consent in writing of the shareholders without a meeting and without a formal vote, but any such increase of capital shall be fully paid in within ninety days after such approval; and may be reduced in like manner, provided that in no event shall it be less than $2,000,000. No corporation, except as herein provided, shall during the time it shall continue its operations withdraw or permit to be withdrawn, either in the form of dividends or otherwise, any portion of its capital. Any national banking association may invest in the stock of any corporation organized under the provisions of this section, but the aggregate amount of stock held in all corporations engaged in business of the kind described in this section and in section 25 of the Federal Reserve Act as amended shall not exceed 10 per centum of the subscribing bank’s capital and surplus.

A majority of the shares of the capital stock of any such corporation shall at all times be held and owned by citizens of the United States, by corporations the controlling interest in which is owned by citizens of the United States, chartered under the laws of the United States or of a State of the United States, or by firms or companies, the controlling interest in which is owned by citizens of the United States. The provisions of section 8 of the act approved October 15, 1914, entitled ‘An act to supplement existing laws against unlawful restraints and monopolies, and for other purposes,’ as amended by the acts of May 15, 1916, and September 7, 1916, shall be construed to apply to the directors, other officers, agents, or employees of corporations organized under the provisions of this section: Provided, however, That nothing herein contained shall (1) prohibit any director or other officer, agent or employee of any member bank, who has procured the approval of the Federal Reserve Board from serving at the same time as a director or other officer, agent or employee of any corporation organized under the provisions of this section in whose capital stock such member bank shall have invested; or (2) prohibit any director or other officer, agent, or employee of any corporation organized under the provisions of this section, who has procured the approval of the Federal Reserve Board, from serving at the same time as a director or other officer, agent or employee of any other cor-
poration in whose capital stock such first-mentioned corporation shall have invested under the provisions of this section.

No member of the Federal Reserve Board shall be an officer or director of any corporation organized under the provisions of this section, or of any corporation engaged in similar business organized under the laws of any State, nor hold stock in any such corporation, and before entering upon his duties as a member of the Federal Reserve Board he shall certify under oath to the Secretary of the Treasury that he has complied with this requirement.

Shareholders in any corporation organized under the provisions of this section shall be liable for the amount of their unpaid stock subscriptions. No such corporation shall become a member of any Federal reserve bank.

Should any corporation organized hereunder violate or fail to comply with any of the provisions of this section, all of its rights, privileges, and franchises derived herefrom may thereby be forfeited. Before any such corporation shall be declared dissolved, or its rights, privileges, and franchises forfeited, any noncompliance with, or violation of such laws shall, however, be determined and adjudged by a court of the United States of competent jurisdiction, in a suit brought for that purpose in the district or territory in which the home office of such corporation is located, which suit shall be brought by the United States at the instance of the Federal Reserve Board or the Attorney General. Upon adjudication of such noncompliance or violation, each director and officer who participated in, or assented to, the illegal act or acts, shall be liable in his personal or individual capacity for all damages which the said corporation shall have sustained in consequence thereof. No dissolution shall take away or impair any remedy against the corporation, its stockholders, or officers for any liability or penalty previously incurred.

Any such corporation may go into voluntary liquidation and be closed by a vote of its shareholders owning two-thirds of its stock.

Whenever the Federal Reserve Board shall become satisfied of the insolvency of any such corporation, it may appoint a receiver who shall take possession of all of the property and assets of the corporation and exercise the same rights, privileges, powers, and authority with respect thereto as are now exercised by receivers of national banks appointed by the Comptroller of the Currency of the United States: Provided, however, That the assets of the corporation subject to the laws of other countries or jurisdictions shall be dealt with in accordance with the terms of such laws.

Every corporation organized under the provisions of this section shall hold a meeting of its stockholders annually upon a date fixed in its by-laws, such meeting to be held at its home office in the United States. Every
such corporation shall keep at its home office books containing the names of all stockholders thereof, and the names and addresses of the members of its board of directors, together with copies of all reports made by it to the Federal Reserve Board. Every such corporation shall make reports to the Federal Reserve Board at such times and in such form as it may require; and shall be subject to examination once a year and at such other times as may be deemed necessary by the Federal Reserve Board by examiners appointed by the Federal Reserve Board, the cost of such examinations, including the compensation of the examiners, to be fixed by the Federal Reserve Board and to be paid by the corporation examined.

The directors of any corporation organized under the provisions of this section may, semiannually, declare a dividend of so much of the net profits of the corporation as they shall judge expedient; but each corporation shall, before the declaration of a dividend, carry one-tenth of its net profits of the preceding half year to its surplus fund until the same shall amount to 20 per centum of its capital stock.

Any corporation organized under the provisions of this section shall be subject to tax by the State within which its home office is located in the same manner and to the same extent as other corporations organized under the laws of that State which are transacting a similar character of business. The shares of stock in such corporation shall also be subject to tax as the personal property of the owners or holders thereof in the same manner and to the same extent as the shares of stock in similar State corporations.

Any corporation organized under the provisions of this section may at any time within the two years next previous to the date of the expiration of its corporate existence, by a vote of the shareholders owning two-thirds of its stock, apply to the Federal Reserve Board for its approval to extend the period of its corporate existence for a term of not more than twenty years, and upon certified approval of the Federal Reserve Board such corporation shall have its corporate existence for such extended period unless sooner dissolved by the act of the shareholders owning two-thirds of its stock, or by an Act of Congress or unless its franchise becomes forfeited by some violation of law.

Any bank or banking institution, principally engaged in foreign business, incorporated by special law of any State or of the United States or organized under the general laws of any State or of the United States and having an unimpaired capital sufficient to entitle it to become a corporation under the provisions of this section may, by the vote of the shareholders owning not less than two-thirds of the capital stock of such bank or banking association, with the approval of the Federal Reserve Board, be converted into a Federal corporation.
of the kind authorized by this section with any name approved by the Federal Reserve Board: Provided, however, That said conversion shall not be in contravention of the State law. In such case the articles of association and organization certificate may be executed by a majority of the directors of the bank or banking institution, and the certificate shall declare that the owners of at least two-thirds of the capital stock have authorized the directors to make such certificate and to change or convert the bank or banking institution into a Federal corporation. A majority of the directors, after executing the articles of association and the organization certificate, shall have power to execute all other papers and to do whatever may be required to make its organization perfect and complete as a Federal corporation. The shares of any such corporation may continue to be for the same amount each as they were before the conversion, and the directors may continue to be directors of the corporation until others are elected or appointed in accordance with the provisions of this section. When the Federal Reserve Board has given to such corporation a certificate that the provisions of this section have been complied with, such corporation and all its stockholders, officers, and employees, shall have the same powers and privileges, and shall be subject to the same duties, liabilities, and regulations, in all respects, as shall have been prescribed by this section for corporations originally organized hereunder.

Every officer, director, clerk, employee, or agent of any corporation organized under this section who embezzles, abstracts, or willfully misapplies any of the moneys, funds, credits, securities, evidences of indebtedness or assets of any character of such corporation; or who, without authority from the directors, issues or puts forth any certificate of deposit, draws any order or bill of exchange, makes any acceptance, assigns any note, bond, debenture, draft, bill of exchange, mortgage, judgment, or decree; or who makes any false entry in any book, report, or statement of such corporation with intent, in either case, to injure or defraud such corporation or any other company, body politic or corporate, or any individual person, or to deceive any officer of such corporation, the Federal Reserve Board, or any agent or examiner appointed to examine the affairs of any such corporation; and every receiver of any such corporation and every clerk or employee of such receiver who shall embezzle, abstract, or willfully misapply or wrongfully convert to his own use any moneys, funds, credits, or assets of any character which may come into his possession or under his control in the execution of his trust or the performance of the duties of his employment; and every such receiver or clerk or employee of such receiver who shall, with intent to injure or defraud any person, body politic or corporate, or to deceive or mislead the Federal Reserve Board, or any agent or examiner ap-
pointed to examine the affairs of such receiver, shall make any false entry in any book, report, or record of any matter connected with the duties of such receiver; and every person who with like intent aids or abets any officer, director, clerk, employee, or agent of any corporation organized under this section, or receiver or clerk or employee of such receiver as aforesaid in any violation of this section, shall upon conviction thereof be imprisoned for not less than two years nor more than ten years, and may also be fined not more than $5,000, in the discretion of the court.

Whoever being connected in any capacity with any corporation organized under this section represents in any way that the United States is liable for the payment of any bond or other obligation, or the interest thereon, issued or incurred by any corporation organized hereunder, or that the United States incurs any liability in respect of any act or omission of the corporation, shall be punished by a fine of not more than $10,000 and by imprisonment for not more than five years.

REPEAL OF PROVISIONS OF LAW INCONSISTENT WITH THE PROVISIONS OF THE FEDERAL RESERVE ACT.

626. Sec. 26.—All provisions of law inconsistent with or superseded by any of the provisions of this Act are to that extent and to that extent only hereby repealed. Provided, Nothing in this Act contained shall be construed to repeal the parity provision or provisions contained in an Act approved March fourteenth, nineteen hundred, entitled "An Act to define and fix the standard of value, to maintain the parity of all forms of money issued or coined by the United States, to refund the public debt, and for other purposes," and the Secretary of the Treasury may, for the purpose of maintaining such parity and to strengthen the gold reserve, borrow gold on the security of United States bonds authorized by section two of the Act last referred to or for one-year gold notes bearing interest at a rate of not to exceed three per centum per annum, or sell the same if necessary to obtain gold. When the funds of the Treasury on hand justify, he may purchase and retire such outstanding bonds and notes.

**RATE OF TAXATION ON CIRCULATING NOTES SECURED OTHERWISE THAN BY BONDS OF THE UNITED STATES.**

**WHEN SECRETARY OF TREASURY AUTHORIZED TO SUSPEND LIMITATIONS OF ACT OF MAY 30, 1908.**

627a. *Provided, however,* That section nine of the Act first referred to in this section is hereby amended so as to change the tax rates fixed in said Act by making the portion applicable thereto read as follows:

National banking associations having circulating notes secured otherwise than by bonds of the United States, shall pay for the first three months a tax at the rate of three per centum per annum upon the average amount of such of their notes in circulation as are based upon the deposit of such securities, and afterwards an additional tax rate of one-half of one per centum per annum for each month until a tax of six per centum per annum is reached, and thereafter such tax of six per centum per annum upon the average amount of such notes: *Provided further,* That whenever in his judgment he may deem it desirable, the Secretary of the Treasury shall have power to suspend the limitations imposed by section one and section three of the Act referred to in this section, which prescribe that such additional circulation secured otherwise than by bonds of the United States shall be issued only to National banks having circulating notes outstanding secured by the deposit of bonds of the United States to an amount not less than forty per centum of the capital stock of such banks, and to suspend also the conditions and limitations of section five of said Act except that no bank shall be permitted to issue circulating notes in excess of one hundred and twenty-five per centum of its unimpaired capital and surplus. He shall require each bank and currency association to maintain on deposit in the Treasury of the United States a sum in gold sufficient in his judgment for the redemption of such notes, but in no event less than five per centum. He may permit National banks, during the period for which such provisions are suspended, to issue additional circulation under the terms and conditions of the Act referred to as herein amended: *Provided further,* That the Secretary of the Treasury, in his discretion, is further authorized to extend the benefits of this Act to all qualified State banks and trust companies, which have joined the Federal reserve system, or which may contract to join within fifteen days after the passage of this Act.

INVALIDATION OF CLAUSE, ETC., IN ACT NOT TO INVALIDATE REMAINDER OF ACT.

629. Sec. 29.—If any clause, sentence, paragraph, or part of this Act shall for any reason be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder of this Act, but shall be confined in its operation to the clause, sentence, paragraph, or part thereof directly involved in the controversy in which such judgment shall have been rendered.

were incorporated in the Revised Statutes as section 3408. This sec­tion included three subsections, the first imposing a tax on deposits,
the second on capital, and the third on circulation of banking institu­tions. The first and second subsections of this section were repealed

Sec. 2.—That United States notes, and Treasury notes issued under the Act of July fourteenth, eighteen hundred and ninety, when presented to the Treasury for redemption, shall be redeemed in gold coin of the standard fixed in the first section of this Act, and in order to secure the prompt and certain redemption of such notes as herein provided it shall be the duty of the Secretary of the Treasury to set apart in the Treasury a reserve fund of one hundred and fifty million dollars in gold coin and bullion, which fund shall be used for such redemption purposes only, and whenever and as often as any of said notes shall be redeemed from said fund it shall be the duty of the Secretary of the Treasury to use said notes so redeemed to restore and maintain such reserve fund in the manner following, to wit: First, by exchanging the notes so redeemed for any gold coin in the general fund of the Treasury; second, by accepting deposits of gold coin at the Treasury or at any subtreasury in exchange for the United States notes so redeemed; third, by procuring gold coin by the use of said notes, in accordance with the provisions of section thirty-seven hundred of the Revised Statutes of the United States. If the Secretary of the Treasury is unable to restore and maintain the gold coin in the reserve fund by the foregoing methods, and the amount of such gold coin and bullion in said fund shall at any time fall below one hundred million dollars, then it shall be his duty to restore the same to the maximum sum of one hundred and fifty million dollars by borrowing money on the credit of the United States, and for the debt thus incurred to issue and sell coupon or registered bonds of the United States, in such form as he may prescribe, in denominations of fifty dollars or any multiple thereof, bearing interest at the rate of not exceeding three per centum per annum, payable quarterly, such bonds to be payable at the pleasure of the United States after one year from the date of their issue, and to be payable, prin-
principal and interest, in gold coin of the present standard value, and to be exempt from the payment of all taxes or duties of the United States, as well as from taxation in any form by or under State, municipal, or local authority; and the gold coin received from the sale of said bonds shall first be covered into the general fund of the Treasury and then exchanged, in the manner hereinbefore provided, for an equal amount of the notes redeemed and held for exchange, and the Secretary of the Treasury may, in his discretion, use said notes in exchange for gold, or to purchase or redeem any bonds of the United States, or for any other lawful purpose the public interests may require, except that they shall not be used to meet deficiencies in the current revenues. That United States notes when redeemed in accordance with the provisions of this section shall be reissued, but shall be held in the reserve fund until exchanged for gold, as herein provided; and the gold coin and bullion in the reserve fund, together with the redeemed notes held for use as provided in this section, shall at no time exceed the maximum sum of one hundred and fifty million dollars.

Note.—Section 7 of the Federal reserve act provides that the net earnings derived by the United States from Federal reserve banks shall, in the discretion of the Secretary, be used to supplement the gold reserve held against outstanding United States notes, or shall be applied to the reduction of the outstanding bonded indebtedness of the United States under regulations to be prescribed by the Secretary of the Treasury.

There shall be transferred from the accounts of the general fund of the Treasury of the United States, and taken up on the books of said divisions, respectively, accounts relating to the reserve fund for the redemption of United States notes and Treasury notes, the gold coin held against outstanding gold certificates, the United States notes held against outstanding currency certificates, and the silver dollars held against outstanding silver certificates, and each of the funds represented by these accounts shall be used for the redemption of the notes and certificates for which they are respectively pledged, and shall be used for no other purpose, the same being held as trust funds.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That during the continuance of the state of war now existing it shall be lawful for any national banking association to contribute to the American National Red Cross, out of any net profits otherwise available under the law for the declaration of dividends, such sum or sums as the directors of said association shall deem expedient. SPECIAL ACTS.
CHAPTER VIII.

SPECIAL ACTS RELATING TO NATIONAL BANKS.

800. Act April 12, 1900. National banking laws applicable to Porto Rico.

802. Granting Fifth-Third National Bank of Cincinnati, Ohio, the right to use original charter No. 20.

803. Special acts authorizing change of name or location of national banks.

NATIONAL BANKING LAWS APPLICABLE TO PORTO RICO.
ACT APRIL 12, 1900.

800. Sec. 14.—That the statutory laws of the United States not locally inapplicable, except as hereinbefore or hereinafter otherwise provided, shall have the same force and effect in Porto Rico as in the United States, except the internal-revenue laws, which, in view of the provisions of section 3, shall not have force and effect in Porto Rico.

Note.—The Attorney General of the United States in an opinion rendered June 2, 1900, held “There seems to be in the structure of the national banking laws no general provisions which can not be carried into force and effect in Porto Rico equally with all of the various States and Territories to which the laws were originally applied. I can find no reason to hold that the statutes relative to the organization and powers of national banks have not, by section 14 of the Porto Rican act, above referred to, been extended to that island. The language of that section is broad enough, and in my opinion does authorize the organization and carrying on of national banks in Porto Rico.”

NATIONAL BANKING LAWS APPLICABLE TO HAWAII.
ACT APRIL 30, 1900.

801. Sec. 5.—That the Constitution, and except as herein otherwise provided, all the laws of the United States which are not locally inapplicable, shall have the same force and effect within the said Territory as elsewhere in the United States: Provided, That sections eighteen hundred and fifty and eighteen hundred and ninety of the Revised Statutes of the United States shall not apply to the Territory of Hawaii.

Note.—The Attorney General of the United States in an opinion rendered June 23, 1900, held “That the act of April 30, 1900, extended the national banking acts to the Territory of Hawaii, and would authorize the Comptroller to grant permission for the organization of national banks therein. (See my opinion of June 2, 1900, relative to the same question as applied to Porto Rico.) But I do not think that the provisions of section 5154 apply to banks existing in Hawaii prior to the passage of the act of April 30, 1900. Sections 5154 and 5155 seem, by their especial terms, to refer only to banking institutions organized under special or general laws of a State, and do not seem to apply at all to banks organized under the laws of any Territory. I think the object of these two sections was to enable the banks that were previously strictly State institutions to become national corporations, and the operation of the act in that respect is to be so restricted.”
GRANTING FIFTH-THIRD NATIONAL BANK, OF CINCINNATI, OHIO, THE RIGHT TO USE ORIGINAL CHARTER NUMBER TWENTY.

802. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Comptroller of the Currency be, and he is hereby, authorized and directed to issue to the Fifth-Third National Bank, of Cincinnati, Ohio, charter numbered twenty in lieu of their present charter numbered twenty-seven hundred and ninety-eight, said charter numbered twenty being the original charter number of the Third National Bank, of Cincinnati, Ohio, which bank, was merged and consolidated with the Fifth National Bank, of Cincinnati, Ohio, in the year nineteen hundred and eight, under the name of the Fifth-Third National Bank, of Cincinnati, Ohio, said consolidated bank having succeeded to all the assets, good will, rights, privileges, and emoluments of the said Third National Bank, of Cincinnati, Ohio.

SPECIAL ACTS AUTHORIZING CHANGE OF NAME OR LOCATION. ACT JUNE 7, 1872.

803. Sec. 1.—That the First National Bank of Annapolis, now located in the city of Annapolis and State of Maryland, is hereby authorized to change its location to the city of Baltimore, in said State. Whenever the stockholders representing three-fourths of the capital of said bank, at a meeting called for that purpose, determine to make such change, the president and cashier shall execute a certificate, under the corporate seal of the bank, specifying such determination, and shall cause the same to be recorded in the office of the Comptroller of the Currency, and thereupon such change of location shall be effected, and the operations of discount and deposit of said bank shall be carried on in the city of Baltimore.

Sec. 2. That nothing in this act contained shall be so construed as in any manner to release the said bank from any liability or affect any action or proceeding in law in which the said bank may be a party or interested. And when such change shall have been determined upon, as aforesaid, notice thereof and of such change shall be published in two weekly papers in the city of Annapolis not less than four weeks.

Sec. 3. That whenever the location of said bank shall have been changed from the city of Annapolis to the city of Baltimore, in accordance with the first section of this act, its name shall be changed to The Traders' National Bank of Baltimore, if the board of directors of said bank shall accept the new name by resolution of the board, and cause a copy of such resolution, duly authenticated, to be filed with the comptroller of the currency.

Sec. 4. That all the debts, demands, liabilities, rights, privileges, and powers of the First National Bank of Annapolis shall devolve upon the Traders' National
Bank of Baltimore whenever such change of name is effected.

SEC. 5. That this act shall take effect and be in force from and after its passage.

OPINIONS OF THE ATTORNEY GENERAL.
CHAPTER IX.

OPINIONS OF THE ATTORNEY GENERAL ON GUARANTY LAWS OF OKLAHOMA AND KANSAS, AND ON THE INSURANCE OF BANK DEPOSITS.

901. Opinion of Attorney General of United States on Kansas deposit guaranty law.

902. Opinion of Attorney General of the United States on power of a national bank to enter into a contract with an insurance company guaranteeing the solvency of the bank.

903. Opinion of Attorney General of United States on power of a national bank to make a contract with an insurance company by which the company insures and guarantees each depositor in the bank the full payment of his deposit therein.

THE OKLAHOMA DEPOSIT GUARANTY LAW.

900. The Attorney General of the United States, in an opinion rendered July 28, 1908, said:

The business of insuring deposits is a wholly separate business from that of banking. A national bank has no power to guarantee the obligations of a third party, unless in connection with the sale or transfer of its own property and as an incident to the business of the bank.

But a contract guaranteeing the payment by another corporation or individual of obligations in nowise connected with the business of the bank is entirely ultra vires. I hold that it is illegal for the officers of a national bank to enter into any such agreement as that contemplated by section 4 of the Oklahoma statutes, and any willful action to this effect on the part of any national bank is sufficient cause for the forfeiture of charter.

THE KANSAS DEPOSIT GUARANTY LAW.

901. The Attorney General of the United States, in an opinion rendered April 6, 1909, said:

The question of the power of a national bank to avail of the invitation extended to it by this act involves primarily a consideration of the nature of the agreement contemplated by it. Attorney General Bonaparte, in an opinion rendered to the Secretary of the Treasury, under date of July 28, 1908, considering an act of the Legislature of the State of Oklahoma (27 Op. A. G., p. 38), determined that a national bank could not lawfully enter into the plan or scheme contemplated by that act, because it involved essentially a guaranty to the depositors of all State banks in Oklahoma, and other national banks in that State which might accept the terms of the law, that their respective depositors should be paid in full; a contract which he deemed to be clearly ultra vires.

The act now under consideration attempts to avoid this objection by limiting the amount for which any bank may become liable, but within such limitation the same principle is involved, for to the extent of the contribution and liability required by the statute each bank becomes liable to creditors of the other banks which are parties to the plan. But even if a proper construction of the act would, as contended, make it a guaranty by each bank of payments to its own depositors, and not a general guaranty within the limits of contribution prescribed by the act, of all deposits in all the banks which are parties to the scheme, nevertheless I am strongly of the opinion that a national bank is without corporate power to expend its moneys for the purpose of providing insurance that its depositors shall be paid in full. It may, of course, insure its own property against loss or destruction; it may insure itself against loss of property through theft or other dishonesty, but the appli-
cation of its funds for the purpose of securing a collateral guaranty by third parties that it will pay in full its debts to its depositors is, it appears to me, beyond its corporate power.

Such contract would fall within the principles asserted in Commercial National Bank v. Pirie (82 Fed., 799), Bowen v. Needles National Bank (94 Fed., 925), for if, as is well established, a national bank has no power to guarantee the obligation of another, it certainly has no power to employ another to guarantee its own obligation to a third person.

POWER OF NATIONAL BANK TO ENTER INTO A CONTRACT WITH AN INSURANCE COMPANY GUARANTEEING THE SOLVENCY OF THE BANK.

902. The Attorney General of the United States, in an opinion rendered May 7, 1909, said:

Replying to yours of the 29th ultimo, in which, at the request of the Comptroller of the Currency, you ask for an opinion as to the power of a national bank to enter into a contract with an insurance company guaranteeing the solvency of the bank, and transmitting to me a form of policy which is proposed to be issued by an insurance company proposed to be organized, I beg to say that, as a general principle, I have no doubt that it is entirely within the powers of a national bank to contract for the insurance of its assets against loss. The form of the proposed policy submitted in your letter is somewhat peculiar. It purports to insure to the bank the payment of "a sum of money sufficient to indemnify the bank for any and all losses suffered by it by reason of theft, embezzlement, losses in realizing upon loans and investments, shrinkage in value of assets or otherwise, in an amount equal to but not exceeding the net excess of its obligations, other than by reason of the stock of the bank, over the total aggregate value of the assets of the bank thus reduced by such losses; provided that there shall be included in the assets of the bank all net sums which have been realized by reason of the additional liability of the stockholders of the bank."

Such contract is, in effect, an agreement to pay to the bank any deficiency in its assets upon ultimate realization necessary to enable it to pay all of its liabilities of every kind. The policy is to run for a period of three months, but to be renewable thereafter for periods of three months each with the consent of the insurance company, and at such premiums as the insurance company may fix at least one month before the expiration of the then current term of the insurance, the premium in every case to be a percentage of the average indebtedness of the bank during the period covered by such renewal, with the provision that, if such rate shall be in excess of one-sixteenth of 1 per cent upon such average indebtedness, then and in such event the insurance company shall be liable to account to the bank for the application of such premium paid by the bank in excess of one-sixteenth of 1 per cent, which excess shall be applicable only to the payment of actual losses incurred by the company by reason of claims under this and similar policies, and any excess over such extra claims shall be divided pro rata among the banks paying such extra rate of premium as a participation in the profits during which period such extra rate of premium has been paid."

It is somewhat uncertain precisely what this paragraph means and what its effect may be. It seems to me to be objectionable as committing the bank to a profit-sharing feature, which might be contended to entail a corresponding liability for losses; and, as the attorney for the promoters of the proposed insurance company informs me that this is not regarded as an essential part of the plan, I should advise that it had better be eliminated from the policy.

Another provision contained in the policy subjects the bank to a periodical examination by the examiners of the insurance company without notice and at such times as the company may elect, one of such examinations to be within each period of six months covered by the policy and all renewals thereof. This period is probably inadvertently placed at six months, as the policy is proposed to be written for periods of three months only. Aside from that, I very much question the legality of this clause, or at least its enforceability. Section 5241 of the Revised Statutes provides that, "No association shall be subject
to any visitorial powers other than such as are authorized by this title, or are vested in the courts of justice."

While this statute does not prohibit the bank from permitting an examination of its books, in my opinion it does operate to prohibit it from obligating itself to permit such examination; and if the covenant to insure can be considered as in any respect dependent upon this agreement to permit examinations, it might be vitiated by the unlawful provision. I should advise that the clause be reframed so as to make it clear that the agreement to insure is not dependent upon the failure to permit the examination, although it might be stipulated that in case, at any time, the examiner of the company should not be allowed access to the books of the bank for the purpose of making an examination the company should have the option, upon reasonable notice, to terminate the contract.

In my opinion, therefore, it is a matter for the discretion of the directors and officers of a bank to determine whether or not they will enter into any such contract in any given instance, this discretion to be exercised in view of the solvency and general financial condition of the company making the insurance and the reasonableness of the rate of premium; and the form of the policy being modified to conform to the foregoing suggestions, I see no legal reason why a bank may not enter into it.

**POWER OF A NATIONAL BANK TO MAKE A CONTRACT WITH AN INSURANCE COMPANY BY WHICH THE COMPANY INSURES AND GUARANTEES EACH DEPOSITOR IN THE BANK THE FULL PAYMENT OF HIS DEPOSIT THEREIN.**

903. The Attorney General of the United States, in an opinion rendered March 31, 1915, said:

I have the honor to acknowledge the receipt of your letter of February 12, 1915, inclosing letter of the Comptroller of the Currency, opinion of the Acting Solicitor of the Treasury, and brief filed with the Comptroller on behalf of a guaranty company and certain national banks, in which the question is raised as to whether a national bank may enter into a contract with a guaranty company under which, in consideration of premiums paid by the bank, the company "insures and guarantees each depositor in the bank the full payment of his deposit therein." You ask my opinion upon this question.

In my opinion, it is within the power of a national bank to enter into such a contract.

The law confers upon national banks such incidental powers as are required to meet all legitimate demands of the banking business, and to enable them to conduct their affairs safely and prudently within the scope of their charters. Section 5136, Revised Statutes; *First National Bank v. National Exchange Bank* (92 U. S. 122, 127). The power to give security for deposits seems to be recognized by section 5153, Revised Statutes, as among these incidental powers. The section last mentioned, after providing that all associations created under the act, shall, when so designated by the Secretary of the Treasury, be depositaries, further provides that "The Secretary of the Treasury shall require the associations thus designated to give satisfactory security, by the deposit of United States bonds and otherwise, for the safe keeping and prompt payment of the public money deposited with them," etc. It is believed that this section is more reasonably construed as a recognition of the existence of the power of the part of national banks to give security for deposits than as a grant by implication of authority to give security for Government deposits alone.

The power of banks to give security for deposits or for payment of their debts has been frequently recognized. It has been held that the property of a bank may be pledged as security for a debt (*United States v. Robertson* (1831), 5 Pet., 641, 650); that a bond with sureties may be given to prevent depositors from withdrawing their accounts (*Wylie v. Commercial & Farmers’ Bank* (1902), 41 S. E., 504, 509; 63 S. C., 406); and that a national bank may give its bond with sureties to secure a deposit of State funds (*State of Nebraska v. First National Bank of Orleans* (1888), 88 Fed., 947, 951).
The power to contract for guaranteeing or securing depositors arises from the nature of the relation existing between the banks and their depositors. The relation created between the bank and a depositor by the receipt of deposits is that of debtor and creditor. (National Bank v. Millard (1869), 10 Wall., 152, 155; Davis v. Elmira Savings Bank (1896), 161 U.S., 275, 288.) The power to receive deposits, expressly granted to every national bank (sec. 5136, R. S.), is, of course, indispensable to the conduct of the business of banking; and the extent of its exercise is in a degree the measure of the success of the bank. The ability of a bank to obtain deposits largely depends upon the confidence of depositors, or the belief that their deposits are secure. Loss of such confidence on the part of depositors is usually attended with loss and inconvenience to them, to the bank, and to the public. The law accordingly imposes upon the bank an imperative duty not only to repay deposits but to keep them secure. For the protection of depositors, its revenues and property are pledged, its stockholders are made subject to a double liability, and its directors may be held liable for a violation of their duties.

The means by which depositors are to be protected and secured are not expressly limited or restricted by statute. A large discretion is left to the officers and directors. They may use such means for the purpose as are not prohibited by or inconsistent with the provisions of the law and as they may reasonably find to be suitable and proper and not inconsistent with the prudent conduct of the affairs of the bank within the scope of its charter. "Whatever protects the depositors," it has been said, "protects the bank, because it assures confidence in the bank." (Noble State Bank v. Haskell (1908), 22 Okla., 48, 89.)

A contract of insurance or guaranty, such as described in the question submitted, may afford protection to depositors by securing the performance of an obligation on the part of the bank which otherwise might not be performed. And it is not unreasonable to believe that such a contract, at the same time, may prove valuable to the bank because of the confidence it may assure. No reason is perceived for prohibiting a national bank, in the discretion of its directors, from so securing its depositors, or for denying to the bank such benefits as they believe may accrue in the form of increased confidence resulting from such a contract.

Opinions of former Attorneys General, dated, respectively, July 28, 1908 (27 Op., 37), and April 6, 1909 (27 Op., 272), are referred to in the inclosures as having been construed by the Comptroller of the Currency as holding that national banks are without authority to pay, as part of their legitimate expenses, premiums on policies insuring their depositors against loss.

As I view these opinions, the conclusion in neither of them is inconsistent with the conclusion reached herein. The opinion of July 28, 1908, construing the Oklahoma State banking act, determined that a national bank could not lawfully participate in the plan contemplated by the act for the guarantee of deposits, because it involved essentially a guarantee to the depositors of other banks that they should be paid in full—a contract which was deemed beyond the powers of the bank to make. The opinion of April 6, 1909, held that national banks in the State of Kansas could not avail themselves of the bank depositor’s guaranty law of that State. The inquiry, upon the answer to which the decision rests, was whether an acceptance of the provisions of the Kansas law "would so control the conduct of the affairs of national banks as to expressly conflict with the laws of the United States."

As pointed out in the opinion of the Solicitor of the Treasury, the more recent opinion of May 7, 1909 (27 Op., 324), in which the form of a policy of insurance guaranteeing the assets of a national bank against loss was approved provided certain suggested modifications should be made, is more nearly in point on the question now under consideration, and is in harmony with the views herein expressed.

The language employed in the opinions of July 28, 1908, and April 6, 1909, to the effect that national banks are without power to contract for insuring that depositors shall be paid in full, was used in the course of argument merely, "applied to a question which it was not necessary to determine, and may be disregarded so far as inconsistent with this opinion."
