short title

Sec. 8001. This title may be cited as the “Nita M. Lowey Middle East Partnership for Peace Act of 2020”.

findings

Sec. 8002. Congress finds the following:

(1) Economic development in conflict settings has been shown to support stabilization by empowering entrepreneurs, growing the middle class, and mitigating unemployment.

(2) In 2018, unemployment in the Palestinian territories was 32.4 percent. Gross Domestic Product (GDP) growth in the Palestinian territories declined from 2017 to 2019, and it is projected to further decline in 2020.

(3) According to the World Bank Ad Hoc Liaison Committee’s April 2019 Economic Monitoring Report, “to achieve sustainable economic growth, in the Palestinian territories, growth and job creation going forward will need to be private sector driven”.

(4) According to the 2018 Joint Strategic Plan of the Department of State and the United States Agency for International Development, “assistance can help prevent new recruitment to terrorist organizations, reduce levels of violence, promote legitimate governance structures that strengthen inclusion, and reduce policies that marginalize communities”.

(5) Although economic development is an important tool for stabilizing conflict-prone settings and establishing connections between communities, economic development by itself will not lead to lasting peace. People-to-people peace-building programs further advance reconciliation efforts by promoting greater understanding, mutual trust, and cooperation between communities.

(6) While the United States and its international partners continue to support diplomatic and political negotiations between the representatives of the parties to the Israeli-Palestinian conflict, such efforts require broad popular support among the people on the ground to succeed.

(7) Achieving sustainable, high-level agreements for lasting peace in the Middle East must come through, and with the support of, the people who live there, and the United States and its international partners can help the people of the region build popular support for sustainable agreements for lasting peace.

sense of congress

Sec. 8003. It is the sense of Congress that—

(1) building a viable Palestinian economy is central to the effort to preserve the possibility of a negotiated settlement leading to a sustainable two-state solution with the democratic,
Jewish state of Israel and a demilitarized, democratic Palestinian state living side-by-side in peace, security, and mutual recognition;

(2) United States and international support for grassroots, people-to-people efforts aimed at fostering tolerance, and building support for such solution, can help counter extremist propaganda and the growing issue of incitement;

(3) strengthening engagement between Palestinians and Israelis, including through people-to-people peace-building programs can increase the bonds of friendship and understanding;

(4) investing in the development of the Palestinian economy and in joint economic ventures can advance multiple sectors to the benefit of local, regional, and global parties; and

(5) Congress encourages cooperation between Palestinian, American, and Israeli business sectors in order to benefit the Palestinian, American, and Israeli peoples and economies.

(c) (1) Within 15 days of the issuance of the Real Estate Assessment Center (“REAC”) inspection, the Secretary shall provide the owner with a Notice of Default with a specified timetable, determined by the Secretary, for correcting all deficiencies. The Secretary shall provide a copy of the Notice of Default to the tenants, the local government, any mortgagees, and any contract administrator. If the owner’s appeal results in a UPCS score of 60 or above, the Secretary may withdraw the Notice of Default.

(I) take any other regulatory or contractual remedies available as deemed necessary and appropriate by the Secretary.

(d) The Secretary shall take appropriate steps to ensure that project-based contracts remain in effect, subject to the exercise of contractual abatement remedies to assist relocation of tenants for major threats to health and safety after written notice to the affected tenants. To the extent the Secretary determines, in consultation with the tenants and the local government, that the property is not feasible for continued rental assistance payments
under such section 8 or other programs, based on consideration of—

(1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (‘‘MAHRAA’’); and

(2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance.

(1) the extended timelines for approving lenders’ applications to participate in the program established under section 184 of the Housing and Community Development Act of 1992 (12 U.S.C. 1715z–13a) are unacceptably long;

“(i) a claim payment is presented to the Secretary due to the default of the borrower on the loan; and

“(ii) the required trailing documents are outstanding.

“(B) TERMINATION OF INDEMNIFICATION AGREEMENT.—An indemnification agreement between an originating lender and the Secretary described in subparagraph (A) shall only terminate upon receipt by the Secretary of the trailing documents described in that subparagraph in a form and manner that is acceptable to the Secretary.

“(C) RULE OF CONSTRUCTION.—Nothing in this paragraph shall be construed as authorizing the Bureau of Indian Affairs to delay the issuance of a final certified title status report and recorded mortgage relating to a loan closed on Indian trust land.”.

(c) REPORTING.—The Secretary of Housing and Urban Development shall—

(1) report to the Committee on Banking, Housing, and Urban Affairs and the Committee on Indian Affairs of the Senate and the Committee on Financial Services and the Committee on Natural Resources of the House of Representatives on a semi-annual basis on the progress that the Secretary is making to accelerate the processing of loan applications on fee simple and Indian trust land under section 184 of the Housing and Community Development Act of 1992 (12 U.S.C. 1715z–13a); and

“(B) the other parties to the proceeding have been provided an opportunity to address the registration certificate;
“(2) if the proceeding may not proceed further because a registration certificate for the work is pending, the proceeding shall be held in abeyance pending submission of the certificate to the Copyright Claims Board, except that, if the proceeding is held in abeyance for more than 1 year, the Copyright Claims Board may, upon providing written notice to the parties to
the proceeding, and 30 days to the parties to respond to the notice, dismiss the proceeding without prejudice; and

“(3) if the Copyright Claims Board receives notice that registration with respect to the work has been refused, the proceeding shall be dismissed without prejudice.

“(c) PRESUMPTION.—In a case in which a registration certificate shows that registration with respect to a work was issued not later than 5 years after the date of the first publication of the work, the presumption under section 410(c) shall apply in a proceeding before the Copyright Claims Board, in addition to relevant principles of law under this title.

“(d) REGULATIONS.—In order to ensure that actions before the Copyright Claims Board proceed in a timely manner, the Register of Copyrights shall establish regulations allowing the Copyright Office to make a decision, on an expedited basis, to issue or deny copyright registration for an unregistered work that is at issue before the Board.

“(1) APPLICABLE LAW.—Proceedings of the Copyright Claims Board shall be conducted in accordance with this chapter and regulations established by the Register of Copyrights under this chapter, in addition to relevant principles of law under this title.

“(2) CONFLICTING PRECEDENT.—If it appears that there may be conflicting judicial precedent on an issue of substantive copyright law that cannot be reconciled, the Copyright Claims Board shall follow the law of the Federal jurisdiction in which the action could have been brought if filed in a district court of the United States, or, if the action could have been brought in more than 1 such jurisdiction, the jurisdiction that the Copyright Claims Board determines has the most significant ties to the parties and conduct at issue.

“(b) RECORD.—The Copyright Claims Board shall maintain records documenting the proceedings before the Board.

“(c) CENTRALIZED PROCESS.—Proceedings before the Copyright Claims Board shall—

“(1) be conducted at the offices of the Copyright Claims Board without the requirement of in-person appearances by parties or others; and

“(2) take place by means of written submissions, hearings, and conferences carried out through internet-based applications and other telecommunications facilities, except that, in cases in which physical or other nontestimonial evidence material to a proceeding cannot be furnished to the Copyright Claims Board through available telecommunications facilities, the Copyright Claims Board may make alternative arrangements for the submission of such evidence that do not prejudice any other party to the proceeding.

“(d) REPRESENTATION.—A party to a proceeding before the Copyright Claims Board may be, but is not required to be, represented by—

“(1) an attorney; or

“(2) a law student who is qualified under applicable law governing representation by law students of parties in legal
proceedings and who provides such representation on a pro bono basis.

“(2) is certified under subsection (y)(1); and
“(3) is accompanied by a filing fee in such amount as may be prescribed in regulations established by the Register of Copyrights.

(f) Review of Claims and Counterclaims.—

“(1) Claims.—Upon the filing of a claim under subsection (e), the claim shall be reviewed by a Copyright Claims Attorney to ensure that the claim complies with this chapter and applicable regulations, subject to the following:

“(A) If the claim is found to comply, the claimant shall be notified regarding that compliance and instructed to proceed with service of the claim under subsection (g).
“(B) If the claim is found not to comply, the claimant shall be notified that the claim is deficient and be permitted to file an amended claim not later than 30 days after the date on which the claimant receives the notice, without the requirement of an additional filing fee. If the claimant files a compliant claim within that 30-day period, the claimant shall be so notified and be instructed to proceed with service of the claim. If the claim is refiled within that 30-day period and still fails to comply, the claimant shall again be notified that the claim is deficient and shall be provided a second opportunity to amend the claim not later than 30 days after the date of that second notice, without the requirement of an additional filing fee. If the claim is refiled again within that second 30-day period and is compliant, the claimant shall be so notified and shall be instructed to proceed with service of the claim, but if the claim still fails to comply, upon confirmation of such noncompliance by a Copyright Claims Officer, the proceeding shall be dismissed without prejudice. The Copyright Claims Board shall also dismiss without prejudice any proceeding in which a compliant claim is not filed within the applicable 30-day period.
“(C)(i) Subject to clause (ii), for purposes of this paragraph, a claim against an online service provider for infringement by reason of the storage of or referral or linking to infringing material that may be subject to the limitations on liability set forth in subsection (b), (c), or (d) of section 512 shall be considered noncompliant unless the claimant affirms in the statement required under subsection (e)(1) of this section that the claimant has previously notified the service provider of the claimed infringement in accordance with subsection (b)(2)(E), (c)(3), or (d)(3) of section 512, as applicable, and the service provider failed to remove or disable access to the material expeditiously upon the provision of such notice.
“(ii) If a claim is found to be noncompliant under clause (i), the Copyright Claims Board shall provide the claimant with information concerning the service of such a notice under the applicable provision of section 512.

“(2) COUNTERCLAIMS.—Upon the filing and service of a counterclaim, the counterclaim shall be reviewed by a Copyright Claims Attorney to ensure that the counterclaim complies with the provisions of this chapter and applicable regulations. If the counterclaim is found not to comply, the counterclaimant and the other parties to the proceeding shall be notified that the counterclaim is deficient, and the counterclaimant shall be permitted to file and serve an amended counterclaim not later than 30 days after the date of such notice. If the counterclaimant files and serves a compliant counterclaim within that 30-day period, the counterclaimant and such other parties shall be so notified. If the counterclaim is refiled and served within that 30-day period but still fails to comply, the counterclaimant and such other parties shall again be notified that the counterclaim is deficient, and the counterclaimant shall be provided a second opportunity to amend the counterclaim not later than 30 days after the date of the second notice. If the counterclaim is refiled and served again within that second 30-day period and is compliant, the counterclaimant and such other parties shall be so notified, but if the counterclaim still fails to comply, upon confirmation of such noncompliance by a Copyright Claims Officer, the counterclaim, but not the proceeding, shall be dismissed without prejudice.

“(3) DISMISSAL FOR UNSUITABILITY.—The Copyright Claims Board shall dismiss a claim or counterclaim without prejudice if, upon reviewing the claim or counterclaim, or at any other time in the proceeding, the Copyright Claims Board concludes that the claim or counterclaim is unsuitable for determination by the Copyright Claims Board, including on account of any of the following:

“(A) The failure to join a necessary party.
“(B) The lack of an essential witness, evidence, or expert testimony.
“(C) The determination of a relevant issue of law or fact that could exceed either the number of proceedings the Copyright Claims Board could reasonably administer or the subject matter competence of the Copyright Claims Board.

“(g) SERVICE OF NOTICE AND CLAIMS.—In order to proceed with a claim against a respondent, a claimant shall, not later than 90 days after receiving notification under subsection (f) to proceed with service, file with the Copyright Claims Board proof of service on the respondent. In order to effectuate service on a respondent, the claimant shall cause notice of the proceeding and a copy of the claim to be served on the respondent, either by personal service or pursuant to a waiver of personal service, as prescribed in regulations established by the Register of Copyrights. “(2) The copy of the claim served on the respondent shall be the same as the claim that was filed with the Copyright Claims Board.

“(B) delivering a copy of the notice and claim to the individual personally;

“(C) leaving a copy of the notice and claim at the individual’s dwelling or usual place of abode with someone of suitable age and discretion who resides there; or

“(D) delivering a copy of the notice and claim to an agent designated by the respondent to receive service of process or, if not so designated, an agent authorized by appointment or by law to receive service of process.

“(5)(A) A corporation, partnership, or unincorporated association that is subject to suit in courts of general jurisdiction under a common name shall be served by delivering a copy of the notice and claim to its service agent. If such service agent has not been designated, service shall be accomplished—

“(i) by complying with State law for serving a summons in an action brought in courts of general jurisdiction in the State where service is made; or

“(ii) by delivering a copy of the notice and claim to an officer, a managing or general agent, or any other agent authorized by appointment or by law to receive service of process in an action brought in courts of general jurisdiction in the State where service is made and, if the agent is one authorized by statute and the statute so requires, by also mailing a copy of the notice and claim to the respondent.

“(B) A corporation, partnership, or unincorporated association that is subject to suit in courts of general jurisdiction under a common name may elect to designate a service agent to receive notice of a claim against it before the Copyright Claims Board by complying with requirements that the Register of Copyrights shall establish by regulation. The Register of Copyrights shall maintain a current directory of service agents that is available to the public for inspection, including through the internet, and may require such corporations, partnerships, and unincorporated associations designating such service agents to pay a fee to cover the costs of maintaining the directory.

“(6) In order to request a waiver of personal service, the claimant may notify a respondent, by first class mail or by
other reasonable means, that a proceeding has been commenced, such notice to be made in accordance with regulations established by the Register of Copyrights, subject to the following:

“(B) The request shall state the date on which the request is sent, and shall provide the respondent a period of 30 days, beginning on the date on which the request is sent, to return the waiver form signed by the respondent. The signed waiver form shall, for purposes of this subsection, constitute acceptance and proof of service as of the date on which the waiver is signed.

“(7)(A) A respondent’s waiver of personal service shall not constitute a waiver of the respondent’s right to opt out of the proceeding.

“(B) A respondent who timely waives personal service under paragraph (6) and does not opt out of the proceeding shall be permitted a period of 30 days, in addition to the period otherwise permitted under the applicable procedures of the Copyright Claims Board, to submit a substantive response to the claim, including any defenses and counterclaims.

“(8) A minor or an incompetent individual may only be served by complying with State law for serving a summons or like process on such an individual in an action brought in the courts of general jurisdiction of the State where service is made.

“(9) Service of a claim and waiver of personal service may only be effected within the United States.

“(h) NOTIFICATION BY COPYRIGHT CLAIMS BOARD.—The Register of Copyrights shall establish regulations providing for a written notification to be sent by, or on behalf of, the Copyright Claims Board to notify the respondent of a pending proceeding against the respondent, as set forth in those regulations, which shall—

“(1) include information concerning the respondent’s right to opt out of the proceeding, the consequences of opting out and not opting out, and a prominent statement that, by not opting out within 60 days after the date of service under subsection (g), the respondent loses the opportunity to have the dispute decided by a court created under article III of the Constitution of the United States and waives the right to a jury trial regarding the dispute; and

“(2) be in addition to, and separate and apart from, the notice requirements under subsection (g).

“(i) OPT-OUT PROCEDURE.—Upon being properly served with a notice and claim, a respondent who chooses to opt out of the proceeding shall have a period of 60 days, beginning on the date of service, in which to provide written notice of such choice to the Copyright Claims Board, in accordance with regulations established by the Register of Copyrights. If proof of service has been filed by the claimant and the respondent does not submit an opt-out notice to the Copyright Claims Board within that 60-day period, the proceeding shall be deemed an active proceeding and the
respondent shall be bound by the determination in the proceeding to the extent provided under section 1507(a). If the respondent opts out of the proceeding during that 60-day period, the proceeding shall be dismissed without prejudice, except that, in exceptional circumstances and upon written notice to the claimant, the Copyright Claims Board may extend that 60-day period in the interests of justice.

“(j) SERVICE OF OTHER DOCUMENTS.—Documents submitted or relied upon in a proceeding, other than the notice and claim, shall be served in accordance with regulations established by the Register of Copyrights.

A schedule issued by the Copyright Claims Board may be amended by the Copyright Claims Board in the interests of justice.

“(2) upon the request of a party, and for good cause shown, the Copyright Claims Board may issue a protective order to limit the disclosure of documents or testimony that contain confidential information; and

“(3) after providing notice and an opportunity to respond, and upon good cause shown, the Copyright Claims Board may apply an adverse inference with respect to disputed facts against a party who has failed to timely provide discovery materials in response to a proper request for materials that could be relevant to such facts.
“(o) EVIDENCE.—The Copyright Claims Board may consider the following types of evidence in a proceeding, and such evidence may be admitted without application of formal rules of evidence:

“(1) Documentary and other nontestimonial evidence that is relevant to the claims, counterclaims, or defenses in the proceeding.

“(2) Testimonial evidence, submitted under penalty of perjury in written form or in accordance with subsection (p), limited to statements of the parties and nonexpert witnesses, that is relevant to the claims, counterclaims, and defenses in a proceeding, except that, in exceptional cases, expert witness testimony or other types of testimony may be permitted by the Copyright Claims Board for good cause shown.

“(p) HEARINGS.—The Copyright Claims Board may conduct a hearing to receive oral presentations on issues of fact or law from parties and witnesses to a proceeding, including oral testimony, subject to the following:

“(3) A recording or transcript of the hearing shall be made available to any Copyright Claims Officer who is not in attendance.

“(q) VOLUNTARY DISMISSAL.—

“(1) BY CLAIMANT.—Upon the written request of a claimant that is received before a respondent files a response to the claim in a proceeding, the Copyright Claims Board shall dismiss the proceeding, or a claim or respondent, as requested, without prejudice.

“(2) BY COUNTERCLAIMANT.—Upon written request of a counterclaimant that is received before a claimant files a response to the counterclaim, the Copyright Claims Board shall dismiss the counterclaim, such dismissal to be without prejudice.

“(3) CLASS ACTIONS.—Any party in an active proceeding before the Copyright Claims Board who receives notice of a pending or putative class action, arising out of the same transaction or occurrence, in which that party is a class member may request in writing dismissal of the proceeding before the Board. Upon notice to all claimants and counterclaimants, the Copyright Claims Board shall dismiss the proceeding without prejudice.

“(r) SETTLEMENT.—

“(1) IN GENERAL.—At any time in an active proceeding, some or all of the parties may—

“(E) include a clear statement of all damages and other relief awarded, including under subparagraphs (C) and (D).

“(2) DISSENT.—A Copyright Claims Officer who dissents from a decision contained in a determination under paragraph (1) may append a statement setting forth the grounds for that dissent.

“(3) PUBLICATION.—Each final determination of the Copyright Claims Board shall be made available on a publicly accessible website. The Register shall establish regulations with respect to the publication of other records and information relating to such determinations, including the redaction of records to protect confidential information that is the subject of a protective order under subsection (n)(2).

“(4) FREEDOM OF INFORMATION ACT.—All information relating to proceedings of the Copyright Claims Board under this chapter is exempt from disclosure to the public under section 552(b)(3) of title 5, except for determinations, records, and information published under paragraph (3).

“(1) The Copyright Claims Board shall require the claimant to submit relevant evidence and other information in support of the claimant’s claim and any asserted damages and, upon review of such evidence and any other requested submissions from the claimant, shall determine whether the materials so submitted are sufficient to support a finding in favor of the claimant under applicable law and, if so, the appropriate relief and damages, if any, to be awarded.

“(2) If the Copyright Claims Board makes an affirmative determination under paragraph (1), the Copyright Claims Board
shall prepare a proposed default determination, and shall pro-
provide written notice to the respondent at all addresses, including
e-mail addresses, reflected in the records of the proceeding
before the Copyright Claims Board, of the pendency of a default
determination by the Copyright Claims Board and of the legal
significance of such determination. Such notice shall be accom-
panied by the proposed default determination and shall provide
that the respondent has a period of 30 days, beginning on
the date of the notice, to submit any evidence or other informa-
tion in opposition to the proposed default determination.

“(3) If the respondent responds to the notice provided under
paragraph (2) within the 30-day period provided in such para-
graph, the Copyright Claims Board shall consider the respond-
ent’s submissions and, after allowing the other parties to
address such submissions, maintain, or amend its proposed
determination as appropriate, and the resulting determination
shall not be a default determination.

“(4) If the respondent fails to respond to the notice provided
under paragraph (2), the Copyright Claims Board shall proceed
to issue the default determination as a final determination.
Thereafter, the respondent may only challenge such determina-
tion to the extent permitted under section 1508(c), except that,
before any additional proceedings are initiated under section
1508, the Copyright Claims Board may, in the interests of
justice, vacate the default determination.

“(v) CLAIMANT’S FAILURE TO PROCEED.—

“(1) FAILURE TO COMPLETE SERVICE.—If a claimant fails
to complete service on a respondent within the 90-day period
required under subsection (g), the Copyright Claims Board
shall dismiss that respondent from the proceeding without
prejudice. If a claimant fails to complete service on all respond-
ents within that 90-day period, the Copyright Claims Board
shall dismiss the proceeding without prejudice.

“(2) FAILURE TO PROSECUTE.—If a claimant fails to proceed
in an active proceeding, as demonstrated by the claimant’s
failure, without justifiable cause, to meet 1 or more deadlines
or requirements set forth in the schedule adopted by the Copy-
right Claims Board under subsection (k), the Copyright Claims
Board may, upon providing written notice to the claimant and
a period of 30 days, beginning on the date of the notice, to
respond to the notice, and after considering any such response,
issue a determination dismissing the claimant’s claims, which
shall include an award of attorneys’ fees and costs, if appro-
priate, under subsection (y)(2). Thereafter, the claimant may
only challenge such determination to the extent permitted
under section 1508(c), except that, before any additional pro-
ceedings are initiated under section 1508, the Copyright Claims
Board may, in the interests of justice, vacate the determination
of dismissal.

“(w) REQUEST FOR RECONSIDERATION.—A party may, not later
than 30 days after the date on which the Copyright Claims Board
issues a final determination in a proceeding under this chapter,
submit a written request for reconsideration of, or an amendment
to, such determination if the party identifies a clear error of law
or fact material to the outcome, or a technical mistake. After pro-
viding the other parties an opportunity to address such request,
the Copyright Claims Board shall either deny the request or issue an amended final determination.

“(x) REVIEW BY REGISTER.—If the Copyright Claims Board denies a party a request for reconsideration of a final determination under subsection (w), that party may, not later than 30 days after the date of such denial, request review of the final determination by the Register of Copyrights in accordance with regulations established by the Register. Such request shall be accompanied by a reasonable filing fee, as provided in such regulations. The review by the Register shall be limited to consideration of whether the Copyright Claims Board abused its discretion in denying reconsideration of the determination. After providing the other parties an opportunity to address the request, the Register shall either deny the request for review, or remand the proceeding to the Copyright Claims Board for reconsideration of issues specified in the remand and for issuance of an amended final determination. Such amended final determination shall not be subject to further consideration or review, other than under section 1508(c).

“(y) CONDUCT OF PARTIES AND ATTORNEYS.—

“(1) CERTIFICATION.—The Register of Copyrights shall establish regulations requiring certification of the accuracy and truthfulness of statements made by participants in proceedings before the Copyright Claims Board.

“(2) BAD FAITH CONDUCT.—Notwithstanding any other provision of law, in any proceeding in which a determination is rendered and it is established that a party pursued a claim, counterclaim, or defense for a harassing or other improper purpose, or without a reasonable basis in law or fact, then, unless inconsistent with the interests of justice, the Copyright Claims Board shall in such determination award reasonable costs and attorneys’ fees to any adversely affected party of in an amount of not more than $5,000, except that—

“(A) if an adversely affected party appeared pro se in the proceeding, the award to that party shall be for costs only, in an amount of not more than $2,500; and

“(B) in extraordinary circumstances, such as where a party has demonstrated a pattern or practice of bad faith conduct as described in this paragraph, the Copyright Claims Board may, in the interests of justice, award costs and attorneys’ fees in excess of the limitations under this paragraph.

“(3) ADDITIONAL PENALTY.—If the Board finds that on more than 1 occasion within a 12-month period a party pursued a claim, counterclaim, or defense before the Copyright Claims Board for a harassing or other improper purpose, or without a reasonable basis in law or fact, that party shall be barred from initiating a claim before the Copyright Claims Board under this chapter for a period of 12 months beginning on the date on which the Board makes such a finding. Any proceeding commenced by that party that is still pending before the Board when such a finding is made shall be dismissed without prejudice, except that if a proceeding has been deemed active under subsection (i), the proceeding shall be dismissed under this paragraph only if the respondent provides written consent thereto.

“(z) REGULATIONS FOR SMALLER CLAIMS.—The Register of Copyrights shall establish regulations to provide for the consideration
and determination, by not fewer than 1 Copyright Claims Officer, of any claim under this chapter in which total damages sought do not exceed $5,000 (exclusive of attorneys’ fees and costs). A determination issued under this subsection shall have the same effect as a determination issued by the entire Copyright Claims Board.

“(aa) Opt-out for Libraries and Archives.—

“(1) In general.—The Register of Copyrights shall establish regulations allowing for a library or archives that does not wish to participate in proceedings before the Copyright Claims Board to preemptively opt out of such proceedings.

“(2) Procedures.—The regulations established under paragraph (1) shall—

“(A) set forth procedures for preemptively opting out of proceedings before the Copyright Claims Board; and

“(B) require that the Copyright Office compile and maintain a publicly available list of the libraries and archives that have successfully opted out of proceedings in accordance with the procedures described in subparagraph (A).

“(3) No fee or renewal required.—The Register of Copyrights may not—

“(A) charge a library or archives a fee to preemptively opt out of proceedings under this subsection; or

“(B) require a library or archives to renew a decision to preemptively opt out of proceedings under this subsection.

“(4) Definitions.—For purposes of this subsection, the terms ‘library’ and ‘archives’ mean any library or archives, respectively, that qualifies for the limitations on exclusive rights under section 108.

“§ 1507. Effect of proceeding

“(a) Determination.—Subject to the reconsideration and review processes provided under subsections (w) and (x) of section 1506 and section 1508(c), the issuance of a final determination by the Copyright Claims Board in a proceeding, including a default determination or determination based on a failure to prosecute, shall, solely with respect to the parties to such determination, preclude relitigation before any court or tribunal, or before the Copyright Claims Board, of the claims and counterclaims asserted and finally determined by the Board, and may be relied upon for such purpose in a future action or proceeding arising from the same specific activity or activities, subject to the following:

“(1) A determination of the Copyright Claims Board shall not preclude litigation or relitigation as between the same or different parties before any court or tribunal, or the Copyright Claims Board, of the same or similar issues of fact or law in connection with claims or counterclaims not asserted or not finally determined by the Copyright Claims Board.

“(2) A determination of ownership of a copyrighted work for purposes of resolving a matter before the Copyright Claims Board may not be relied upon, and shall not have any preclusive effect, in any other action or proceeding before any court or tribunal, including the Copyright Claims Board.

“(3) Except to the extent permitted under this subsection and section 1508, any determination of the Copyright Claims
Board may not be cited or relied upon as legal precedent in any other action or proceeding before any court or tribunal, including the Copyright Claims Board.

(b) Class Actions Not Affected.—

(1) IN GENERAL.—A proceeding before the Copyright Claims Board shall not have any effect on a class action proceeding in a district court of the United States, and section 1509(a) shall not apply to a class action proceeding in a district court of the United States.

(2) Notice of Class Action.—Any party to an active proceeding before the Copyright Claims Board who receives notice of a pending class action, arising out of the same transaction or occurrence as the proceeding before the Copyright Claims Board, in which the party is a class member shall either—

(A) opt out of the class action, in accordance with regulations established by the Register of Copyrights; or

(B) seek dismissal under section 1506(q)(3) of the proceeding before the Copyright Claims Board.

(c) Other Materials in Proceeding.—Except as permitted under this section and section 1508, a submission or statement of a party or witness made in connection with a proceeding before the Copyright Claims Board, including a proceeding that is dismissed, may not be cited or relied upon in, or serve as the basis of, any action or proceeding concerning rights or limitations on rights under this title before any court or tribunal, including the Copyright Claims Board.

(d) Applicability of Section 512(g).—A claim or counterclaim before the Copyright Claims Board that is brought under subsection (c)(1) or (c)(4) of section 1504, or brought under subsection (c)(6) of section 1504 and that relates to a claim under subsection (c)(1) or (c)(4) of such section, qualifies as an action seeking an order to restrain a subscriber from engaging in infringing activity under section 512(g)(2)(C) if—

(1) notice of the commencement of the Copyright Claims Board proceeding is provided by the claimant to the service provider’s designated agent before the service provider replaces the material following receipt of a counter notification under section 512(g); and

(2) the claim brought alleges infringement of the material identified in the notification of claimed infringement under section 512(c)(1)(C).

(e) Failure to Assert Counterclaim.—The failure or inability to assert a counterclaim in a proceeding before the Copyright Claims Board shall not preclude the assertion of that counterclaim in a subsequent court action or proceeding before the Copyright Claims Board.

(f) Opt-Out or Dismissal of Party.—If a party has timely opted out of a proceeding under section 1506(i) or is dismissed from a proceeding before the Copyright Claims Board issues a final determination in the proceeding, the determination shall not be binding upon and shall have no preclusive effect with respect to that party.

§ 1508. Review and Confirmation by District Court

(a) In General.—In any proceeding in which a party has failed to pay damages, or has failed otherwise to comply with
the relief, awarded in a final determination of the Copyright Claims Board, including a default determination or a determination based on a failure to prosecute, the aggrieved party may, not later than 1 year after the date on which the final determination is issued, any reconsideration by the Copyright Claims Board or review by the Register of Copyrights is resolved, or an amended final determination is issued, whichever occurs last, apply to the United States District Court for the District of Columbia or any other appropriate district court of the United States for an order confirming the relief awarded in the final determination and reducing such award to judgment. The court shall grant such order and direct entry of judgment unless the determination is or has been vacated, modified, or corrected under subsection (c). If the United States District Court for the District of Columbia or other district court of the United States, as the case may be, issues an order confirming the relief awarded by the Copyright Claims Board, the court shall impose on the party who failed to pay damages or otherwise comply with the relief, the reasonable expenses required to secure such order, including attorneys’ fees, that were incurred by the aggrieved party.

“(b) FILING PROCEDURES.—

“(1) APPLICATION TO CONFIRM DETERMINATION.—Notice of the application under subsection (a) for confirmation of a determination of the Copyright Claims Board and entry of judgment shall be provided to all parties to the proceeding before the Copyright Claims Board that resulted in the determination, in accordance with the procedures applicable to service of a motion in the district court of the United States where the application is made.

“(2) CONTENTS OF APPLICATION.—The application under subsection (a) shall include the following:

“(B) A declaration by the applicant, under penalty of perjury—

“(i) that the copy is a true and correct copy of such determination;

“(ii) stating the date the determination was issued;

“(iii) stating the basis for the challenge under subsection (c)(1); and

“(iv) stating whether the applicant is aware of any other proceedings before the court concerning the same determination of the Copyright Claims Board.

“(c) CHALLENGES TO THE DETERMINATION.—

“(1) BASES FOR CHALLENGE.—Not later than 90 days after the date on which the Copyright Claims Board issues a final or amended final determination in a proceeding, or not later than 90 days after the date on which the Register of Copyrights completes any process of reconsideration or review of the determination, whichever occurs later, a party may seek an order from a district court of the United States vacating, modifying, or correcting the determination of the Copyright Claims Board in the following cases:
“(A) If the determination was issued as a result of fraud, corruption, misrepresentation, or other misconduct.
“(B) If the Copyright Claims Board exceeded its authority or failed to render a final determination concerning the subject matter at issue.
“(C) In the case of a default determination or determination based on a failure to prosecute, if it is established that the default or failure was due to excusable neglect.
“(2) PROCEDURE TO CHALLENGE.—
“(A) NOTICE OF APPLICATION.—Notice of the application to challenge a determination of the Copyright Claims Board shall be provided to all parties to the proceeding before the Copyright Claims Board, in accordance with the procedures applicable to service of a motion in the court where the application is made.
“(B) STAYING OF PROCEEDINGS.—For purposes of an application under this subsection, any judge who is authorized to issue an order to stay the proceedings in another action brought in the same court may issue an order, to be served with the notice of application, staying proceedings to enforce the award while the challenge is pending.

§ 1509. Relationship to other district court actions
“(a) STAY OF DISTRICT COURT PROCEEDINGS.—Subject to section 1507(b), a district court of the United States shall issue a stay of proceedings or such other relief as the court determines appropriate with respect to any claim brought before the court that is already the subject of a pending or active proceeding before the Copyright Claims Board.
“(b) ALTERNATIVE DISPUTE RESOLUTION PROCESS.—A proceeding before the Copyright Claims Board under this chapter shall qualify as an alternative dispute resolution process under section 651 of title 28 for purposes of referral of eligible cases by district courts of the United States upon the consent of the parties.

§ 1510. Implementation by Copyright Office
“(a) REGULATIONS.—
“(1) IMPLEMENTATION GENERALLY.—The Register of Copyrights shall establish regulations to carry out this chapter. Such regulations shall include the fees prescribed under subsections (e) and (x) of section 1506. The authority to issue such fees shall not limit the authority of the Register of Copyrights to establish fees for services under section 708. All fees received by the Copyright Office in connection with the activities under this chapter shall be deposited by the Register of Copyrights and credited to the appropriations for necessary expenses of the Office in accordance with section 708(d). In establishing regulations under this subsection, the Register of Copyrights shall provide for the efficient administration of the Copyright Claims Board, and for the ability of the Copyright Claims Board to timely complete proceedings instituted under this chapter, including by implementing mechanisms to prevent harassing or improper use of the Copyright Claims Board by any party.
“(2) LIMITS ON MONETARY RELIEF.—
“(A) IN GENERAL.—Subject to subparagraph (B), not earlier than 3 years after the date on which Copyright Claims Board issues the first determination of the Copyright Claims Board, the Register of Copyrights may, in order to further the goals of the Copyright Claims Board, conduct a rulemaking to adjust the limits on monetary recovery or attorneys’ fees and costs that may be awarded under this chapter.

“(B) EFFECTIVE DATE OF ADJUSTMENT.—Any rule under subparagraph (A) that makes an adjustment shall take effect at the end of the 120-day period beginning on the date on which the Register of Copyrights submits the rule to Congress and only if Congress does not, during that 120-day period, enact a law that provides in substance that Congress does not approve the rule.

“(b) NECESSARY FACILITIES.—Subject to applicable law, the Register of Copyrights may retain outside vendors to establish internet-based, teleconferencing, and other facilities required to operate the Copyright Claims Board.

“(c) FEES.—Any filing fees, including the fee to commence a proceeding under section 1506(e), shall be prescribed in regulations established by the Register of Copyrights. The sum total of such filing fees shall be in an amount of not less than $100, may not exceed the cost of filing an action in a district court of the United States, and shall be fixed in amounts that further the goals of the Copyright Claims Board.

“§ 1511. Funding

“There are authorized to be appropriated such sums as may be necessary to pay the costs incurred by the Copyright Office under this chapter that are not covered by fees collected for services rendered under this chapter, including the costs of establishing and maintaining the Copyright Claims Board and its facilities.”

(c) CLERICAL AMENDMENT.—The table of chapters for title 17, United States Code, is amended by adding at the end the following:

“15. Copyright Small Claims........................................................................... 1501’’.

(d) IMPLEMENTATION.—

(e) STUDY.—Not later than 3 years after the date on which the Copyright Claims Board issues the first determination of the Copyright Claims Board under chapter 15 of title 17, United States Code, as added by subsection (b) of this section, the Register of Copyrights shall conduct, and report to Congress on, a study that addresses the following:

(2) Whether adjustments to the authority of the Copyright Claims Board are necessary or advisable, including with respect to—
   (A) eligible claims, such as claims under section 1202 of title 17, United States Code; and
   (B) works and applicable damages limitations.
(3) Whether greater allowance should be made to permit awards of attorneys’ fees and costs to prevailing parties, including potential limitations on such awards.
(4) Potential mechanisms to assist copyright owners with small claims in ascertaining the identity and location of unknown online infringers.
(5) Whether the Copyright Claims Board should be expanded to offer mediation or other nonbinding alternative dispute resolution services to interested parties.
(6) Such other matters as the Register of Copyrights believes may be pertinent concerning the Copyright Claims Board.

(f) SEVERABILITY.—If any provision of this section, an amendment made by this section, or the application of such provision or amendment to any person or circumstance is held to be unconstitutional, the remainder of this section and the amendments made by this section, and the application of the provision or the amendment to any other person or circumstance, shall not be affected.

“(f) A third party may submit for consideration for inclusion in the record of an application evidence relevant to a ground for refusal of registration. The third-party submission shall identify the ground for refusal and include a concise description of each piece of evidence submitted in support of each identified ground for refusal. Not later than 2 months after the date on which the submission is filed, the Director shall determine whether the evidence should be included in the record of the application. This procedure may be repeated until the examiner finally refuses registration of the mark or the application is abandoned as described in paragraph (2).

“(2) After notification under paragraph (1), the applicant shall have a period of 6 months in which to reply or amend the application, or such shorter time that is not less than 60 days, as prescribed by the Director by regulation. If the applicant fails to reply or amend or appeal within the relevant time period, including any extension under paragraph (3), the application shall be deemed to have been abandoned, unless it can be shown to the satisfaction of the Director that the delay in responding was unintentional, in which case the application may be revived and such time may be extended. SEC. 225. EX PARTE EXPUNGEMENT; EX PARTE REEXAMINATION; NEW
GROUNDS FOR CANCELLATION.

(a) Ex Parte Expungement.—The Trademark Act of 1946 is
amended by inserting after section 16 (15 U.S.C. 1066) the following:

15 USC 1066a.

“SEC. 16A. EX PARTE EXPUNGEMENT.

“(a) Petition.—Notwithstanding sections 7(b) and 22, and sub-
sections (a) and (b) of section 33, any person may file a petition
to expunge a registration of a mark on the basis that the mark
has never been used in commerce on or in connection with some
or all of the goods or services recited in the registration.
“(b) Contents of Petition.—A petition filed under subsection
(a), together with any supporting documents, shall—
“(1) identify the registration that is the subject of the
petition;
“(2) identify each good or service recited in the registration
for which it is alleged that the mark has never been used
in commerce;
“(3) include a verified statement that sets forth—
“(A) the elements of the reasonable investigation the
petitioner conducted to determine that the mark has never
been used in commerce on or in connection with the goods
and services identified in the petition; and
“(B) any additional facts that support the allegation
that the mark has never been used in commerce on or
in connection with the identified goods and services;
“(4) include any supporting evidence on which the petitioner
relies; and
“(5) be accompanied by the fee prescribed by the Director.

“(c) Initial Determination; Institution.—

“(1) Prima Facie Case Determination, Institution, and
Notification.—The Director shall, for each good or service
identified under subsection (b)(2), determine whether the peti-
tion sets forth a prima facie case of the mark having never
been used in commerce on or in connection with each such
good or service, institute an ex parte expungement proceeding
for each good or service for which the Director determines
that a prima facie case has been set forth, and provide a
notice to the registrant and petitioner of the determination
of whether or not the proceeding was instituted. Such notice
shall include a copy of the petition and any supporting docu-
ments and evidence that were included with the petition.

“(2) Reasonable Investigation Guidance.—The Director
shall promulgate regulations regarding what constitutes a
reasonable investigation under subsection (b)(3) and the general
types of evidence that could support a prima facie case that
a mark has never been used in commerce, but the Director
shall retain the discretion to determine whether a prima facie
case is set out in a particular proceeding.

“(3) Determination by Director.—Any determination by
the Director whether or not to institute a proceeding under
this section shall be final and non-reviewable, and shall not
prejudice any party’s right to raise any issue and rely on
any evidence in any other proceeding, except as provided in subsection (j).

"(d) Ex Parte Expungement Procedures.—The procedures for ex parte expungement shall be the same as the procedures for examination under section 12(b), except that the Director shall promulgate regulations establishing and governing a proceeding under this section, which may include regulations that—

"(1) set response and extension times particular to this type of proceeding, which, notwithstanding section 12(b)(3), need not be extendable to 6 months;

"(2) set limits governing the timing and number of petitions filed for a particular registration or by a particular petitioner or real parties in interest; and

"(3) define the relation of a proceeding under this section to other proceedings concerning the mark.

"(e) Registrant’s Evidence of Use.—A registrant’s documentary evidence of use shall be consistent with when a mark shall be deemed to be in use in commerce under the definition of ‘use in commerce’ in section 45, but shall not be limited in form to that of specimens as provided in section 1(a).

"(f) Excusable Nonuse.—During an ex parte expungement proceeding, for a mark registered under section 44(e) or an extension of protection under section 66, the registrant may offer evidence showing that any nonuse is due to special circumstances that excuse such nonuse. In such a case, the examiner shall determine whether the facts and evidence demonstrate excusable nonuse and shall not find that the registration should be cancelled under subsection (g) for any good or service for which excusable nonuse is demonstrated.

"(g) Examiner’s Decision; Order to Cancel.—For each good or service for which it is determined that a mark has never been used in commerce, and for which the provisions of subsection (f) do not apply, the examiner shall find that the registration should be cancelled for each such good or service. A mark shall not be found to have never been used in commerce if there is evidence of use in commerce by the registrant that temporally would have supported registration at the time the application was filed or the relevant allegation of use was made, or after registration, but before the petition to expunge was filed under subsection (a), or an ex parte expungement proceeding was instituted by the Director under subsection (h). Unless overturned on review of the examiner’s decision, the Director shall issue an order cancelling the registration, in whole or in part, after the time for appeal has expired or any appeal proceeding has terminated.

"(h) Ex Parte Expungement by the Director.—

"(1) In General.—The Director may, on the Director’s own initiative, institute an ex parte expungement proceeding if the Director discovers information that supports a prima facie case of a mark having never been used in commerce on or in connection with any good or service covered by a registration. The Director shall promptly notify the registrant of such determination, at which time the ex parte expungement proceeding shall proceed according to the same procedures for ex parte expungement established pursuant to subsection (d). If the Director determines, based on the Director’s own initiative, to institute an expungement proceeding, the Director shall transmit or make available the information that formed the
basis for that determination as part of the institution notice sent to the registrant.

“(2) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to limit any other authority of the Director.

“(i) TIME FOR INSTITUTION.—

“(1) WHEN PETITION MAY BE FILED, EX PARTE EXPUNGEMENT PROCEEDING INSTITUTED.—A petition for ex parte expungement of a registration under subsection (a) may be filed, or the Director may institute on the Director's own initiative an ex parte expungement proceeding of a registration under subsection (h), at any time following the expiration of 3 years after the date of registration and before the expiration of 10 years following the date of registration.

“(2) EXCEPTION.—Notwithstanding paragraph (1), for a period of 3 years after the date of enactment of this section, a petition for expungement of a registration under subsection (a) may be filed, or the Director may institute on the Director's own initiative an ex parte expungement proceeding of a registration under subsection (h), at any time following the expiration of 3 years after the date of registration.

“(j) LIMITATION ON LATER EX PARTE EXPUNGEMENT PROCEEDINGS.—

“(1) NO CO-PENDING PROCEEDINGS.—With respect to a particular registration, while an ex parte expungement proceeding is pending, no later ex parte expungement proceeding may be instituted with respect to the same goods or services that are the subject of a pending ex parte expungement proceeding.

“(2) ESTOPPEL.—With respect to a particular registration, for goods or services previously subject to an instituted expungement proceeding for which, in that proceeding, it was determined that the registrant had used the mark for particular goods or services, as relevant, and the registration was not cancelled as to those goods or services, no further ex parte expungement proceedings may be initiated as to those goods or services, regardless of the identity of the petitioner.

“(k) USE IN COMMERCE REQUIREMENT NOT ALTERED.—Nothing in this section shall affect the requirement for use in commerce of a mark registered under section 1(a) or 23.”.

(b) NEW GROUNDS FOR CANCELLATION.—Section 14 of the Trademark Act of 1946 (15 U.S.C. 1064) is amended—

(1) by striking the colon at the end of paragraph (5) and inserting a period;

(2) by inserting after paragraph (5) the following:

“(6) At any time after the 3-year period following the date of registration, if the registered mark has never been used in commerce on or in connection with some or all of the goods or services recited in the registration;”;

(3) in the flush text following paragraph (6), as added by paragraph (2) of this subsection, by inserting “Nothing in paragraph (6) shall be construed to limit the timing applicable to any other ground for cancellation. A registration under section 44(e) or 66 shall not be cancelled pursuant to paragraph (6) if the registrant demonstrates that any nonuse is due to special circumstances that excuse such nonuse.” after “identical certification mark is applied.”.
(c) Ex Parte Reexamination.—The Trademark Act of 1946 is amended by inserting after section 16A, as added by subsection (a), the following:

"SEC. 16B. EX PARTE REEXAMINATION."

"(b) Relevant Date.—In this section, the term 'relevant date' means, with respect to an application for the registration of a mark with an initial filing basis of—

"(1) section 1(a) and not amended at any point to be filed pursuant to section 1(b), the date on which the application was initially filed; or

"(A) an amendment to allege use under section 1(c) was filed; or

"(B) the period for filing a statement of use under section 1(d) expired, including all approved extensions thereof.

"(c) Requirements for the Petition.—A petition filed under subsection (a), together with any supporting documents, shall—

"(1) identify the registration that is the subject of the petition;

"(2) identify each good and service recited in the registration for which it is alleged that the mark was not in use in commerce on or in connection with on or before the relevant date;

"(4) include supporting evidence on which the petitioner relies; and

"(5) be accompanied by the fee prescribed by the Director.

"(d) Initial Determination; Institution.—The Director shall, for each good or service identified under subsection (c)(2), determine whether the petition sets forth a prima facie case of the mark having not been in use in commerce on or in connection with each such good or service, institute an ex parte reexamination proceeding for each good or service for which the Director determines that the prima facie case has been set forth, and provide a notice to the registrant and petitioner of the determination of whether or not the proceeding was instituted. Such notice shall include a copy of the petition and any supporting documents and evidence that were included with the petition."
“(2) REASONABLE INVESTIGATION GUIDANCE.—The Director shall promulgate regulations regarding what constitutes a reasonable investigation under subsection (c)(3) and the general types of evidence that could support a prima facie case that the mark was not in use in commerce on or in connection with a good or service on or before the relevant date, but the Director shall retain discretion to determine whether a prima facie case is set out in a particular proceeding.

“(3) DETERMINATION BY DIRECTOR.—Any determination by the Director whether or not to institute a reexamination proceeding under this section shall be final and non-reviewable, and shall not prejudice any party's right to raise any issue and rely on any evidence in any other proceeding, except as provided in subsection (j).

“(g) EXAMINER’S DECISION; ORDER TO CANCEL.—For each good or service for which it is determined that the registration should not have issued because the mark was not in use in commerce on or before the relevant date, the examiner shall find that the registration should be cancelled for each such good or service. Unless overturned on review of the examiner's decision, the Director shall issue an order cancelling the registration, in whole or in part, after the time for appeal has expired or any appeal proceeding has terminated.

“(h) REEXAMINATION BY DIRECTOR.—

“(1) IN GENERAL.—The Director may, on the Director's own initiative, institute an ex parte reexamination proceeding if the Director discovers information that supports a prima facie case of the mark having not been used in commerce on or in connection with some or all of the goods or services covered by the registration on or before the relevant date. The Director shall promptly notify the registrant of such determination, at which time reexamination shall proceed according to the same procedures established pursuant to subsection (e). If the Director determines, based on the Director's own initiative, to institute an ex parte reexamination proceeding, the Director shall transmit or make available the information that formed the basis for that determination as part of the institution notice.
"(2) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to limit any other authority of the Director.
"(i) TIME FOR INSTITUTION.—A petition for ex parte reexamination may be filed, or the Director may institute on the Director’s own initiative an ex parte reexamination proceeding, at any time not later than 5 years after the date of registration of a mark registered based on use in commerce.
"(j) LIMITATION ON LATER EX PARTE REEXAMINATION PROCEEDINGS.—
"(1) NO CO-PENDING PROCEEDINGS.—With respect to a particular registration, while an ex parte reexamination proceeding is pending, no later ex parte reexamination proceeding may be instituted with respect to the same goods or services that are the subject of a pending ex parte reexamination proceeding.
"(2) ESTOPPEL.—With respect to a particular registration, for any goods or services previously subject to an instituted ex parte reexamination proceeding for which, in that proceeding, it was determined that the registrant had used the mark for particular goods or services before the relevant date, and the registration was not cancelled as to those goods or services, no further ex parte reexamination proceedings may be initiated as to those goods or services, regardless of the identity of the petitioner.
"(k) SUPPLEMENTAL REGISTER.—The provisions of subsection (b) apply, as appropriate, to registrations under section 23. Nothing in this section shall be construed to limit the timing of a cancellation action under section 24.”.
