Collateral Valuation
- The pledged collateral will be valued by Bank of New York Mellon according to a schedule designed to be similar to the margin schedule for lending by the discount window, to the extent possible.

Loan Size
- Loans will be limited to the amount of margin-adjusted eligible collateral pledged by the dealer and assigned to the New York Fed’s account at the clearing bank.

Recourse
- Loans made under the PDCF are made with recourse beyond the pledged collateral to the primary dealer entity itself.

Program Termination
- The PDCF will remain available to primary dealers until March 31, 2021, unless the Board and the Department of the Treasury extend the PDCF.
