Mr. Frank Bramwell,
Rust Building,
Washington, D. C.

Dear Mr. Bramwell:

My secretary gave me the message you left with her regarding your conversation with your Oregon Senators. It was mighty fine of you to talk to them on my behalf and I greatly appreciate your consideration of me as well as your advising me their feelings in the matter.

I had intended calling you on the telephone and personally talking to you about the matter but it just seems that I have been so completely covered up with current things that I have not been able to do everything I have wanted to. Knowing you as I do, I feel sure that you will understand my situation and realize that although I did not get in touch with you personally I am very grateful to you for any and all assistance you have given me -- but leaving all that out of it, it is your sincere friendship that I most appreciate.

With kindest regards,

Sincerely yours,
