Mr. Marriner S. Eccles
Chairman of the Federal Reserve
Board of Governors
Washington, D.C.

Dear Marriner:

Noticed by the paper where you had been re-appointed to your respective position by President Roosevelt. Congratulations.

Rouie and I have often spoke of you and Maisie and wondered how you liked the change. We see a great number of the old crowd from Ogden and we enjoy reminising.

We have lived here for some years. Enjoy the country a lot but do miss you all from Utah and Southern Idaho. We were sorry to hear of our old friend, Bill Boras death, but I guess that is something we must expect.

We have followed out with a great deal of interest the doings in Washington and often note that our Western men are doing a real job back there.

At your convenience drop us a line. Extend our best wishes to Larry and his family and to yours.

Sincerely

J. E. McDERMOND

Dear Doc:

I was certainly surprised to receive your letter of February 10 in which you congratulated me on my re-appointment. Naturally it pleased me a lot to have this expression from an old friend.

No doubt you and Rouie are dyed-in-the-wool Californians by now. However, in that part of the country you frequently encounter old friends from Ogden. As for Maysie and myself, we are beginning to feel somewhat like veteran Washingtonians as we have been living here now for over six years. Nevertheless, contrary to you folks, we do not feel that we are permanently located and still look forward to returning to the West when this tour of duty is over.

With best wishes to you both in which Larry joins,
I am

Yours sincerely,

M. S. Eccles
