

THE WHITE HOUSE
WASHINGTON

February 4, 1941.

MEMORANDUM FOR

CHAIRMAN ECCLES

Harry Woodring is very anxious to be the Tenth Federal Reserve District Chairman at Kansas City. I understand Hamilton is about to go out. I understand that Worthington is his Assistant and that Worthington is a good No. 2 man but not up to the No. 1 job.

I understand Woodring would be elected if Washington did not interfere. Can you do this for Woodring?

F. D. R.
