Dear Mr. Eccles:

Thank you very much for sending me your views concerning S. 2088 and S. 2100. On September 14 to 16 hearings were held on S. 2100 before the Senate Finance Committee. In my testimony -- a copy of which is enclosed -- and in amendments which I introduced before that Committee, I attempted to deal with many of the suggestions which had been made concerning these bills. Other suggestions and comments are still being studied by me and my staff to determine whether or not they should be added to the bills.

Again let me express my appreciation to you for taking the time to respond to my inquiries concerning these two proposed pieces of legislation.

Sincerely,

Robert F. Kennedy
