My dear Mr. President:

Attached, as requested by Mr. McIntyre, is a list of the names which have been brought to my attention in connection with the remaining vacancy on this Board. I should very much appreciate having an opportunity to discuss this subject with you at your convenience, inasmuch as I have made inquiries concerning these names and have accumulated a great deal of information which would be important in arriving at any final determination.

Thus, with reference to R. T. Stuart of Oklahoma, I am competently informed that he is primarily a real estate promoter, and a member of the Oklahoma Delegation tells me that he met Stuart on a train not long ago and that Stuart was violent in his denunciation of the entire New Deal.

The attached list omits names of those who are above sixty years of age or are from districts already represented.

Respectfully,

M. S. Eccles,
Chairman.

The Honorable
The President of the United States,
The White House.
