Miss VaLois Egbert, Secretary to  
Mr. M. S. Eccles  
Board of Governors of the  
Federal Reserve System  
Washington, D. C.

Dear VaLois:

In accordance with your request I am enclosing clippings from the Ogden Standard Examiner, Salt Lake Tribune, and Deseret News, regarding Marriner's withdrawal from any further consideration for designation as Vice Chairman; also, a clipping from the Deseret News published last January. I thought you might be interested in this one, too.

I have watched the paper closely for any editorials regarding this, but have seen none. I am sure Darrell Greenwell would probably have written one but he is out of town at the present time on vacation. Should something appear in the next week or so, I will forward it to you.

I understand the Boss will be out here the latter part of this month for the Utah State Bankers Convention. We will be looking forward to seeing him. I have not been advised if you are planning a trip to the West this year; however, you will probably stay in the East unless some urgent business out here arises, as I know you just as soon vacation there. Should you come West this summer, don't forget to drop in and see us as I still have a little Scotch up home. Kindest personal regards.

Sincerely yours,

Senior Vice President

First Security Bank of Utah, N.A.,  
Ogden, Utah.

Dear Bill:

Mr. Eccles would greatly appreciate it if you would obtain and send on to him the newspaper clippings covering the matter about which he talked to you on the telephone yesterday afternoon--his letter to the President advising that he wished his name withdrawn from any further consideration for designation as Vice Chairman. He would like any news items and editorials which might appear in the Ogden and Salt Lake papers.

With kind regards.

Sincerely,

Secretary to Mr. M. S. Eccles.
