TREASURY DEPARTMENT
WASHINGTON

August 13, 1935

Dear Mr. Eccles:

For the purpose of giving effect to the attached request of the President, will you be good enough to ask your representative for the State of Pennsylvania to meet Mr. Peter Grimm in Philadelphia, Pa., at 10:30 o'clock Monday morning, August 19th. The meeting will be in Rm. 310, P. O. Building, 9th and Chestnut Streets.

The purpose of the conference will be to give each of the several directors of Federal activities touching housing, mortgages, construction and modernization the opportunity to acquaint the others with his work in the hope that they may develop a plan of cooperation within their existing respective powers and authority.

It will be helpful if your representative will have in readiness for the meeting a written memorandum briefly summarizing:

- (a) His objectives as applied to local Pennsylvania conditions.
- (b) His progress thus far in accomplishing those objectives.
- (c) Suggestions as to how other local Federal agencies may be helpful in furthering his work.

Your cooperation in making this conference successful will be deeply appreciated.

Sincerely yours,

(sgd.) H. Morgenthau, Jr.
