

MEMORANDUM FOR FILE

Subsequent to the letter of January 20 to Director of the Budget Smith, three of his staff -- Messrs. Reeve, Seideman, and Gordon -- called on Chairman Eccles on February 7 from 2:53 to 4:40 p.m. Dr. Goldenweiser also sat in.

Subsequently at the Chairman's suggestion, Reeve and Seideman called on Chester Morrill (see his memorandum of this visit). They were furnished with most, if not all, of the material referred to in the January 20 letter to Harold Smith.

Elliott Thurston.
