

BOARD OF GOVERNORS
OF THE
FEDERAL RESERVE SYSTEM

Office Correspondence

Date October 28, 1942.

To Governor Evans

Subject: "War-Time Planning for Continuing

From Mr. Thurston

Full Employment"

The attached is a document of self-evident importance and the letter from Mr. Delano requires acknowledgment.

I should imagine that this confidential rough draft should be referred possibly to Dr. Hansen and certainly to Dr. Goldenweiser for such comments and observations as may be appropriate. You will note that Mr. Delano asks for our comments and suggestions.

I would appreciate having your opinion as to how this ought to be handled.
