

BOARD OF GOVERNORS
OF THE
FEDERAL RESERVE SYSTEM**Office Correspondence**Date October 30, 1942To Dr. GoldenweiserSubject: Summary of Post-War PlanningFrom Alvin HansenActivities

I am attaching a somewhat revised statement of the summary which Mr. Delano included in his letter of our post-war studies. I would suggest that in writing him you enclose a copy of the summary statement as I here give it.

In view of the fact that he asks us to offer comments and criticisms on the interim report on "War-Time Planning for Continuing Full Employment" possibly you might say that you are informed "that Mr. Hansen has had a number of conferences with Messrs. Blaisdell and Samuelson on the report and that he has offered extensive comments and criticisms", or something to that effect in whatever language you wish to use.
