OFFICE OF
THE DIRECTOR

My dear Mr. Eccles:

Supplementing our several conversations, I would like to have you serve on an informal group that is developing an anti-inflationary program for the Administration.

We seem to be getting substantial agreement on the technical level. Several of the staff members plan to go over the program with you informally, and as soon as it is in shape for presentation to a policy group I will get in touch with you.

I appreciate very much your lending Alvin Hansen to us.

Sincerely yours,

Marriner S. Eccles
