# Office Correspondence

Date March 27, 1943

Mr. Morfill

Subject: \_\_\_\_\_

From Mr. Goldenweiser

There are attached twelve copies of two articles: one called "A New Bill of Rights" and the other one "Charter for a New America", the former from the Nation and the latter from the New Republic. I have had these articles reproduced for distribution among Board members and such other people as you may think appropriate, because they contain brief summaries of the National Resources report on Security, Work, and Relief Policies, together with reactions to this report by the liberal press.
