

June 14, 1945.

Professor Hansen

Government Financing

Chairman Eccles

(Letter addressed to Secretary Morgenthau
under date of September 22, 1944, and
enclosures.)

The attached are the memoranda I sent to the Treasury
last year relative to government financing, about which I told
you yesterday when you were in my office and which you expressed
a desire to see.

These memoranda, of course, are confidential.
