

Office Correspondence

FEDERAL RESERVE
BOARDDate. **May 29, 1935**To Mr. Daiger

Subject: _____

From. **Miss Egbert**

I am returning the copy of Mr. Guy Greer's article on "This Business of Monetary Control" which he left with us some time ago. Attached to it is a digest Mr. Edmiston made of the article for Mr. Eccles' use.

Mr. Eccles has read both the memorandum and the article, and inasmuch as he made no comment to me at the time he returned the article to me and said he had completed reading it, I assume that he does not wish to make any personal comment about it.
