Governor Eccles

Subject: U. S. Chamber of CommerceFrom J. M. Daigerhousing committee

... 16-552

Mr. F. Stuart Fitzpatrick, Manager of the Civic Development Department of the Chamber of Commerce of the United States, called me this afternoon and said that Mr. Harper Sibley has set up a committee on housing and wishes Mr. Fitzpatrick to discuss its proposed activities with me and see if I have any suggestions to offer in regard to them.

You will recall my telling you that Mr. Henry I. Harriman, Mr. Sibley's predecessor as president of the Chamber, came in to see me about two weeks ago to discuss housing matters in general and the FHA low-cost-housing program in particular.

I have made an engagement to meet Mr. Fitzpatrick at luncheon tomorrow (Tuesday). Will you please let me know if you have any particular suggestions that you wish put forward. You will probably be talking with Mr. Sibley at New Orleans, inasmuch as he precedes you on the ABA program.
