Dear Sir:

Enclosed is a summary of the statements made by Governor Eccles before the House Banking and Currency Committee on the Banking Bill of 1935. I am sorry that I cannot send you a copy of the complete hearings. Only a limited number of these were printed and the demand greatly exceeded the supply. However, this summary covers the Governor's statements very completely and is perhaps better for your purpose than the complete testimony.

Very truly yours,

H. H. Edmiston,
Economic Assistant.
