Federal Reserve Board  
Washington, D.C.

Dear Sir:

Please accept my thanks for your letter of May 6, in which you enclose summary of the testimony which you gave before the Banking and Currency Committee of the House of Representatives with regard to the Banking Bill of 1935.

I am sure that this will be of great interest to our official family here and we will pass it on in substantial doses to the membership, consisting of the largest manufacturers and jobbers in this district.

Yours very truly,

  
Secretary.
