Dear Sir:

I acknowledge receipt of yours of May 6th X-9200 enclosing a summary of your statements to the Banking and Currency Committee at the hearing on the Banking Bill. I am studying this matter very carefully in order that I may come to a proper conclusion with reference to this new measure.

I certainly appreciate receiving this first hand information and feel that our worthy Executive Manager, Mr. Henry H. Heimann, should be commended in being instrumental in having the pamphlet forwarded to the Board of Directors and other officers of the National Association of Credit Men. I feel sure it will have careful and sympathetic consideration since this Association has always been interested in any improvement that has been possible in our banking system.

Thanking you, I am

Yours very truly,

W. C. Grimmer

Director, National Association
of Credit Men.
