

December 13, 1935.

Dear Mr. Delano:

Pursuant to your letter of December 11, I have asked Mr. Daiger to get in touch with your office in regard to the next meeting of your sub-committee on Procedure and Administration, which I understand is considering matters of governmental policy in respect of housing. I am sure that Mr. Daiger will be glad to assist this group in any way that he can.

Yours sincerely,

M. S. Eccles,
Chairman.
