

February 23, 1949.

Dear Mr. Bennett:

Thinking you may be interested, at Mr. Eccles' request I am sending to you herewith photostatic copies of six clippings covering the New York Times' reporting of the Transamerica case during the period Mr. Eccles appeared as a witness. He thinks these are the most complete, accurate and objective reporting done by any of the press.

Sincerely yours,

Secretary to Mr. M. S. Eccles.
