Mr. A. P. Giannini
The Breakers Hotel
Palm Beach, Florida

Dear Mr. Giannini:

It has been considerable of a come-down to get back into the grind after a week or so in Miami Beach. I envy those people who can stay there for longer periods and I hope that you are getting the customary benefit from your winter sojourn there.

Noting from correspondence here that you will likely wish to appear before some members of the Board in connection with the pending application for a voting permit by Transamerica, I am hoping that you will find time while you are in town to have lunch with me. This will in some measure compensate me for my ill luck in not having been able to have you present at dinner at Mr. Beason's or to have been present myself at your dinner for Mr. Cummings.

With best wishes, I am

Yours sincerely,

Lawrence Clayton
