Dear Larry:

It's a darn, ~~big~~ ^{big} you and your
good family ~~could~~. Have been down
here the past month enjoying the sunning -
nearly 31 days of it but ^{only} about 3 days a little off.

Whee, Larry, this letter, on Beach.

today - with typing copies to each of the

and the Bank of Nevada people.

Your copy was just a rough draft
intended for suggestions.

I made no changes.
