Dear Larry:

You were very thoughtful indeed to send me the news item and editorial with respect to the recent death of our mutual friend, Fred Carroll. I am sure that his going was a great loss to the community and I know that his many friends will miss him. He had a rare capacity for making friends quickly and keeping them.

I am sorry that we did not have an opportunity for a more fullsome visit when you were out here and I hope that ~~that~~ you will be out this way sometime soon again and that we will be able to really have a chat.

Mercedes joins me in sending kindest regards and very best wishes to you and the members of your lovely family!

Yours very sincerely
