## UNITED STATES OF AMERICA BEFORE THE BOARD OF GOVERNORS OF THE FEDERAL RESERVE SYSTEM

IN THE MATTER OF TRANSAMERICA CORPORATION

## COMPLAINT

The Board of Governors of the Federal Reserve System charges that Transamerica Corporation, hereinafter called respondent, is violating and has violated the provisions of Section 7 of an Act of Congress approved October 15, 1914 (the Clayton Act), "An Act to supplement existing laws against unlawful restraints and monopolies, and for other purposes", and the Board of Governors of the Federal Reserve System hereby issues this, its complaint against said respondent, and states its charges with respect thereto as follows, to wit:

PARAGRAPH ONE--Respondent is a corporation organized under the laws of the State of Delaware, having its principal office in the City of San Francisco, State of California. Respondent has an authorized capital stock of 25,000,000 shares, of the par value of \$2.00 per share, approximately 9,900,000 shares of which are now outstanding. Respondent, through various subsidiary and other companies which it controls, is now engaged, in interstate commerce, in the commercial banking business in the United States and in foreign countries; in the business of home financing; in the business of acquiring, managing and selling real estate; in the business of catching, buying, processing and selling fish and seafood; in the business of underwriting and selling life, health, accident, fire, automobile and marine insurance; in the business of manufacturing and selling hydraulic controls, line supports for aircraft, agricultural implements, Diesel engines, non-ferrous and aluminum castings and forgings, malleable iron and steel castings, oil-well equipment and machinery, and other products; and in other businesses.

PARAGRAPH TWO--Respondent was founded by A. P. Giannini on or about October 11, 1928, for the purpose, among others, of acquiring and consolidating under one management the control of a number of corporations, including banks, which theretofore had operated under the general direction and control of the said A. P. Giannini. At or about the time of its organization respondent acquired controlling stock interests in the following corporations, among others:

(a) Bank of Italy National Trust and Savings Association (now Bank of America National Trust and Savings Association). This bank was founded by A. P. Giannini in 1904 as a state bank under the laws of the State of California. At the time of its incorporation and until 1927 it operated as a state bank under the name of Bank of Italy. In 1927 Bank of Italy converted into a national bank under the name of Bank of Italy

National Trust and Savings Association (hereinafter referred to as Bank of Italy N. T. & S. A.). At or about the time respondent acquired a controlling stock interest therein Bank of Italy N. T. & S. A. was operating through a head office in San Francisco and approximately 292 branches located throughout the State of California. Approximately 200 of such branches had been established following the acquisition, by various companies or persons acting under the general direction of A. P. Giannini, of controlling stock interests in or the banking business of various independent banks and branches of such banks located throughout the State of California. In addition to the banks and branches so ecquired and converted into branches of Bank of Italy or its successor. Bank of Italy N. T. & S. A., and during the period between the organization of the Bank of Italy and respondent's incorporation, controlling stock interests or the banking business of approximately 87 other independent banks and branches of such banks had been acquired by companies or persons acting under the general direction of the said A. P. Giannini, which banking offices were subsequently closed, the banking business of each such closed office being absorbed by an existing branch or branches of said Bank of Italy or its successor, Bank of Italy N. T. & S. A.

- (b) National Bankitaly Company. This corporation was affiliated with Bank of Italy N. T. & S. A. and succeeded to the business of Stockholders Auxiliary Corporation (a corporation organized in 1917 by A. P. Giannini for the purpose, among others, of facilitating the bank expansion activities of the Bank of Italy, above-described).
- (c) Merchants National Trust & Savings Bank, Los Angeles, California. This bank was a national bank having its principal office in Los Angeles, California, and operating approximately 35 branches located in Los Angeles and vicinity.
- (d) United Security Bank & Trust Company, San Francisco, California. This bank was a state bank organized under the laws of the State of California, having its principal place of business at San Francisco, California, and operating approximately 53 branches located throughout the State of California. This bank resulted from the merger in 1928 of the United Bank & Trust Company and the Security Trust Company of Bakersfield, California, both of such banks being state banks organized and operating in the State of California.
- (e) French-American Corporation. This corporation was affiliated through common stock ownership with United Security Bank & Trust Company. At or about the time of respondent's organization the French-American Corporation owned controlling stock interests in a number of banks, including San Diego State Bank, San Diego, California; First National Bank, Berkeley, California; First Bank of Jamestown, Jamestown, California; Motherlode National Bank, Sonora, California; Second Avenue State Bank, Los Angeles, California; Bank of Oxnard, Oxnard, California; Placerville National Bank, Placerville, California; and Vallejo Commercial National Bank, Vallejo, California.

- (f) Bank of America National Association. This bank was a national bank having its principal office and operating approximately 30 branches in the City of New York, New York.
- (g) Bankitaly Company of America. This corporation was organized under the laws of the State of Delaware, having its principal office in San Francisco, California. It owned controlling stock interests in various subsidiary companies, including Americommercial Corporation (a corporation organized in 1924 by Stockholders Auxiliary Corporation and certain stockholders of Bank of America of Los Angeles, Los Angeles, California, to further facilitate the bank expansion activities of Bank of Italy, above-described), Banca D'America E D'Italia (a banking company formed under the laws of Italy, having its principal office in Milan, Italy, and operating approximately 37 branches throughout Italy), and Ameritalia Corporation (a banking affiliate of Banca D'America E D'Italia).
- (h) California Joint Stock Land Bank. This corporation was organized by the Bank of Italy in 1919 under the provisions of the Federal Farm Loan Act.
- (i) Bankitaly Mortgage Company. This corporation was organized by National Bankitaly Company in 1927 and engaged in the business of lending on mortgage loans in urban communities.
- (j) Bankitaly Agricultural Credit Corporation. This corporation was organized by National Bankitaly Company in 1928 to make loans on country real estate.

PARAGRAPH THREE--Since its organization in 1928 respondent has continued, under the general direction of A. P. Giannini, to expand its banking interests by the acquisition, either directly or through one or more of its controlled companies or agents, of controlling stock interests in or the banking business of various independent banks which banks were at the time of such acquisitions in competition with one or more of the banks already controlled by respondent. As a result of such expansion respondent now controls approximately 46 banks, operating approximately 598 branches located in the States of California, Oregon, Nevada, Arizona and Washington, having aggregate deposits of approximately \$6,640,000,000. Of the banking offices so controlled by respondent approximately 555 are located in California, 57 in Oregon, 15 in Nevada, 7 in Arizona, and 10 in Washington. Of the banking deposits so controlled by respondent approximately \$5,716,000,000 are located in California, \$614,000,000 in Oregon, \$129,000,000 in Nevada, \$85,000,000 in Arizona, and \$96,000,000 in Washington. The banking offices and deposits controlled by respondent constitute the following percentages of the total banking offices and deposits in each of the five states above-named: In California approximately 50 per cent of all banking offices and 43 per cent of all deposits; in Oregon approximately 36 per cent of all banking offices and 44 per cent of all deposits; in Nevada approximately 60 per cent of all banking offices and 77 per cent of all

deposits; in Arizona approximately 13 per cent of all banking offices and 20 per cent of all deposits; in Washington approximately 4 per cent of all banking offices and 4 per cent of all deposits.

PARAGRAPH FOUR--Part of the expansion of respondent's banking interests was accomplished in the following manner: Respondent acquired, either directly or through one or more of its controlled companies or agents, the controlling stock interest in an independent bank and has continued to operate such bank as a separate institution, although controlled by respondent. Included among the banks so acquired by respondent since its organization in 1928 and now operated and controlled by it are the following:

PARAGRAPH SEVEN--Commencing on or about May 18, 1943, and at various times thereafter respondent has attempted, either directly or through one or more of its controlled companies or agents, to acquire a controlling stock interest in the Citizens National Trust & Savings Bank, Los Angeles, California. In furtherance of such attempts respondent has acquired and now owns, either directly or through one or more of its controlled companies or nominees, approximately 58,937 shares of the said Citizens National Trust & Savings Bank, which number of shares represents approximately 23 per cent of the total number of shares of said bank now outstanding. Citizens National Trust & Savings Bank is a national bank operating through a head office and 33 branches, all located in Los Angeles County, California, having deposits of individuals, partnerships and corporations of approximately \$315,000,000. Citizens National Trust & Savings Bank is engaged in interstate commerce within the purview of Section 7 of the Act of Congress approved October 15, 1914 (Clayton Act). Should respondent acquire a controlling stock interest in such bank the number of banking offices which respondent controls in Los Angeles County, California, would be increased from approximately 157 to 191, or from approximately 42 per cent of all banking offices in Los Angeles County to approximately 51 per cent in such county; and the amount of deposits of individuals, partnerships and corporations which respondent controls in such county would be increased from approximately \$1,656,000,000 to \$1,971,000,000 or from 37 per cent to 45 per cent of all such deposits in such county.

PARAGRAPH EIGHT--Upon information and belief, that respondent, unless restrained, intends to and will further expand its banking interests

by acquiring the controlling stock interest in the Citizens National Trust & Savings Bank of Los Angeles, California, as well as controlling stock interests in other independent banks now operating or which in the future will be operating in the States of California, Oregon, Nevada, Arizona and Washington in competition with one or more of the banks now controlled by respondent.

PARAGRAPH NINE--The acquisition by respondent of the capital stocks of the banks listed in Paragraphs Four, Five and Six herein, as well as the acquisition by it of the stock of Citizens National Trust & Savings Bank, Los Angeles, California, was contrary to law in violation of Section 7 of the said Clayton Act, and the effect of such acquisition of such stocks may be, has been and is:

- (a) To substantially lessen competition in the commercial banking business between some or all of such banks; or
- (b) To restrain commerce in the commercial banking business in the sections or communities in which such banks were severally engaged at the time of such acquisition or in some of such sections or communities; or
- (c) To tend to create a monopoly of commerce in respondent in the commercial banking business, particularly in banking offices, bank deposits and bank credit in the five-state area of California, Oregon, Nevada, Arizona and Washington or in various sections or communities in the said five states.
