TABLE I

POPULATION: CONTINENTAL UNITED STATES

	<u>Midyear Estimates</u>	<u>Change From</u>
1920	106,543,000	
1929	121,526,000	1920 to 1929 +14,983,000
1938	130,215,000	1929 to 1938 + 8,689,000

NOTE: 1920-1929: population increased 14.1 percent.  
1929-1938: population increased 7.2 percent.

If the 1920-1929 rate of population growth had continued on into the Thirties, the population figure for 1938 would have been 138.7 millions, or some 8.5 millions more than the actual 1938 figure.
