

GENERAL COUNSEL  
TREASURY DEPARTMENT  
WASHINGTON 25

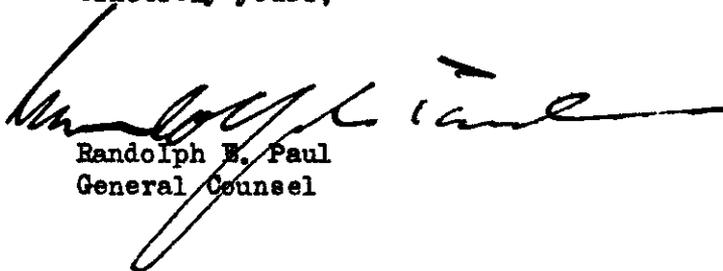

AUG 17 1943

Dear Marriner:

In connection with the discussion at the tax meeting held August 10, 1943, I thought you would be interested in receiving some material relating to the various aspects of a Federal retail sales tax. This material is being sent to you under separate cover.

These studies are a product of our research staff and do not necessarily reflect Treasury views as to tax policy. Moreover, they are preliminary and are currently being revised. For this reason it would be appreciated if you would treat the material as confidential.

Sincerely yours,

Randolph E. Paul  
General Counsel

Honorable Marriner S. Eccles  
Chairman, Board of Governors  
Federal Reserve System
