GPO 16-852

The present list of candidates for Federal Housing Administrator appears to be as follows:

George Buckley

James G. Caffrey

Ward M. Canaday

Albert L. Deane

Charles Edison *

Corrington C. Gill

J. Stewart MacDonald

*A. R. Glancy**was Rep Adm of W.R. A.**former Pres Oakland Motor Car Co**50 yrs old, wealthy,**Birmingham, Mich**Blaine field Hills**Long Pine Road*

* The report that I heard yesterday afternoon (but did not undertake to verify) would indicate that Edison has withdrawn at the suggestion of McIntyre. My opinion is that Edison has been here for the past week on his own initiative, and as a personal friend of McIntyre.
