Honorable Harriner S. Eccles,
Governor of the Federal Reserve Board,
Washington Building,
Washington, D.C.

My dear Governor Eccles:

Mr. Preston Delano has spoken to me about the matter of having Mr. J. M. Daiger of your staff associated with the Housing subject. I am in complete accord with this idea, but as I want to keep the number on the Central Planning group as small as I can (if possible not exceeding seven or eight), I will see if we can't get Mr. Daiger connected with one of the important sub-committees. I hope this will be satisfactory, and I may add that I am anxious that you should retain your interest in the subject of housing and its relation to the general recovery program.

Yours very sincerely,

Mr. Frederic A. Delano,

Washington, D. C.

My dear Mr. Delano:

I appreciate your letter of October 16th relative to your arranging for Mr. J. M. Daiger to be associated in some way with the Housing subject.

As you know, I have always been greatly interested in the Housing Program and wish to be in as close touch with it as possible. In view of the fact that I personally cannot take any active part in it, I would appreciate any consideration shown Mr. Daiger in permitting him to be associated in the matter so that he may keep me informed of the activities in connection with the Housing subject.

Sincerely yours,

M. S. Eccles,
Chairman.
