Apropos of the subject of the White House meeting on Tuesday, I think that you will be interested in reading the enclosed clipping from the New York Times of July 11.

Mr. Broderick knows Mr. Aron and sent him to see me several months ago. I subsequently met him in New York at a luncheon meeting with Mr. Charles A. Miller.

About a week or ten days ago Mr. Aron was down here to see me again. He is at the present time building some 350 houses in two suburban subdivision operations in New York.
