Hon. Marriner S. Eccles, Chairman
Federal Reserve Board
Washington, D. C.

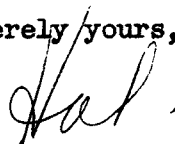

Dear Marriner:

A copy of the Home Mortgage Loan Manual, which has just been published by the Association, is going to you with our compliments.

We believe this manual is a major contribution toward more systematic and uniform mortgage lending practice on the part of banks.

Securing acceptance and adoption of the methods described in this book by the banks that are members of our Association constitutes our next real problem. In accomplishing this purpose we will appreciate your continued support.

Sincerely yours,

Executive Manager

This will, I am sure, be of real value to us in connection with our studies in the mortgage field, and I appreciate your courtesy in sending it.

Sincerely yours,
