

OFFICE OF WAR MOBILIZATION

WASHINGTON, D.C.

October 11, 1943

James F. Byrnes
Director

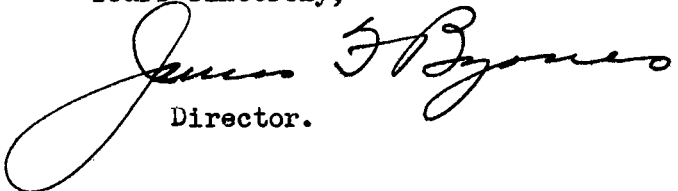

Dear Mr. Eccles:

There is considerable thought and attention, both within and without the Government being given to the problems connected with the termination of war contracts and disposition of war stocks and plants. These problems affect many different departments and agencies of the Government.

I think it important that we pool our thinking and planning with reference to these problems so that we may work out unified and consistent programs which can be carried out when the time for action arrives.

I am therefore asking the heads of various agencies interested in these problems to meet with me in my office at 2:30 P. M. Thursday, October 14, 1943. I hope very much that you will be able to attend.

Yours sincerely,

Director.

Honorable Marriner S. Eccles
Chairman, Federal Reserve Board
Washington, D. C.
