

September 11, 1942.

My dear Governor Towers:

As Chairman Eccles is on a belated visit and vacation in Utah, I am acknowledging your letter of September 9 on his behalf. Unfortunately he will not have returned to Washington at the time you now plan to be here, but I want to take the opportunity to ask you to come to luncheon with me and other members of the Board on whichever day would be the most convenient to you during your visit.

If you will be good enough to telephone my office and let me know which day that will be, I will make the necessary arrangements. I shall look forward with pleasure to seeing you.

Sincerely yours,

Ronald Ransom,
Vice Chairman.

Honorable G. F. Towers,
Governor,
Bank of Canada,
Ottawa, Canada.
