Ottawa,

March 9th, 1945

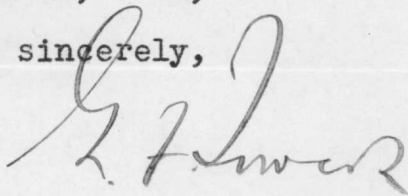

Dear Mr. Eccles,

I am attaching hereto copy of a letter of introduction which I have given to Mr. J. E. Coyne, Executive Assistant to the Governors, and Mr. J. R. Beattie, Chief of the Research Department of the Bank of Canada, who expect to visit Washington together about March 26th. They will, I hope, be seeing Dr. Goldenweiser and others in your organization, but I would appreciate it if you found it possible to see them as well.

I am leaving to-day on the start of my next Victory Loan travels. After that event is over, I hope to be able to visit Washington and New York - in the latter half of May - and that I shall have the pleasure of seeing you at that time.

With best regards, I am,

Yours sincerely,

The Hon. Marriner S. Eccles,
Chairman of the Board of Governors,
Federal Reserve System,
Washington.

March 13, 1945.

My dear Governor Towers:

This is to acknowledge your letter of March 9 enclosing the one introducing Mr. Coyne, Executive Assistant to the Governors, and Mr. Beattie, Chief of the Research Department of the Bank of Canada.

According to my present program, I shall be out of town, leaving on the twenty-fourth, but Vice Chairman Ransom and Mr. Thurston, Assistant to the Chairman, will be very pleased to see Mr. Coyne and Mr. Beattie and to arrange for them to see Dr. Goldenweiser and others in our organization. I am sorry that I shall not be on hand when they are visiting us.

I shall look forward with pleasure to seeing you when you come here next on your travels, as I probably will have returned by then.

With kind personal regards,

Sincerely yours,

Honorable G. F. Towers,
Governor,
Bank of Canada,
Ottawa.
