

PROFESSOR IRVING FISHER

460 PROSPECT STREET

NEW HAVEN, CONNECTICUT (But see address below)

Dec. 26, '38

My dear Mr. Eccles

If available, please send about 20  
copies of your letter to Byrd to me:

Prof. Irving Fisher

Room - Cadillac Hotel

Detroit

Mich.

where I shall be till Friday evening. I may  
have a chance to give a copy to that  
many economists there where they are  
meeting.

I was perfectly delighted with your  
letter and agree with almost all of what  
I saw of it in the N.Y. Times today.

I suggest that you send a copy to all bankers of which you have addresses.

The main points you make are overlooked or contested by most of them. They stand in their own light.

I'm really glad Byrd precipitated your letter and that he plans to "answer." For this may give the truth a chance to be heard in the Senate.

Sincerely

Leving Fisher
