My dear Mr. Frick:

I have read with appreciation your reply to Kavalis' Papd. and in the clouded Christmas days nevertheless wish to send this word of commendation. I devoutly hope you will be able to convince the Members that enactment of W. P. A. Program will be most detrimental to the personal welfare of our people and disastrous to our Economic life. You are unquestionably right in your analysis of the problem of debt. I hope you will elaborate upon this further. We need greatly fundamental education on these matters. Cordially
