

JOHN C. HAMM  
MEMBER STATE BAR OF CALIFORNIA  
TEMPLE, CITY, CALIFORNIA

December 27, 1938.

Honorable Marriner Eccles,  
Governor Federal Reserve Board,  
Washington, D. C.

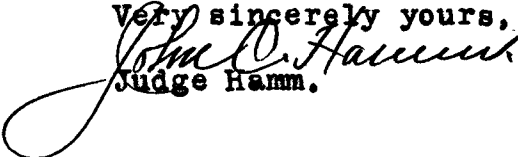

Dear Governor Eccles:

Hearty congratulations on the much-needed and neatly-accomplished drassing down you gave Senator Byrd.

The myopic vision and gross ignorance of most men who unworthily wear the title of "statesmen" is appalling.

In a few days I will write you a letter I have long been promising myself to send you as as an old business friend of your father.

Very sincerely yours,

  
Judge Hamm.

January 5, 1939.

Judge John C. Hamm,  
Temple City, California.

Dear Judge Hamm:

This is to thank you for your  
letter of December 27th with reference to  
my recent reply to Senator Byrd of Virginia.

I shall look forward to receiving  
the letter which you are preparing. Need-  
less to say, I will be especially interested  
in it because of your old acquaintance with  
my father.

In the meantime, I wanted you to  
know that I appreciated your thoughtfulness  
and courtesy in writing.

Sincerely yours,

M. S. Eccles,  
Chairman.
