Dec 27 - 38

Hon. Marriner S Eccles  
Chairman of Federal Reserve Board

Dear Sir

We are paddling our own canoe  
we are not on relief, <sup>work</sup> just the same  
we like your reply to Senator Byrd  
He think it fine

It seems as if many  
of the old, old kind of Democrats are  
like the Republicans in that they  
regard everything done by the  
government now as a liability.

Good work done, such as road building  
Preventing land erosion, Tree planting  
and many other kinds of work, will  
benefit us now living, and will be  
for the good of unborn Americans

Most Respect

Chas. Swenson

Sincerely yours,
