My Dear Sir, I note where
you take Sen Byrd to task
for his stand as to relief-

↓ for one consideration
wrong.

The Sum, the Law & the Shift-
less & having the time of their
lives & vote accordingly.

But the forfeotten Man who
is the taxpayer, is out of
luck, he cannot get a job
because he is not on
relief, I have had to borrow

2
Last 3 years to pay
key taxes I have fully
nearly reached the
end & 4 hours worth
Respectfully

A. H. Spibright

The cost of the trip that
L.S.P. take would help
many a community
that would be real &
encouraging
