Dear Mr Eccles,

Monday night
1/23-39

Your speech was masterly.
One conspicuous point I missed. The value of
Confidence. I considered ~~address~~ that in a day
destroyed morale painstakingly built up in
months. That is now our greatest weakness.
Instill confidence and a feeling of comparative
stability & we will be on our way to happiness
and prosperity. And the President is the only one
that can do it. So if you agree sell him a
Bill of goods for the good & welfare of our country.
and with his charm, the job will be well performed!

Respectfully yours

I. Montefiore Levy
