Dear Sir:

May I trouble you to ask your secretary to mail me a copy of your radio address of Monday night, January 23rd if such is available? To me this was a most intelligent and enlightening talk and I am extremely anxious to have the information you gave, and I think if every Congressman and Senator would take the trouble to read it, they would be in a much better position to decide a most vital question for decision in the near future.

Yours very truly,

*L. E. Haughey.*
