Hon. Marriner S. Eccles,
Washington D.C.

Dear Sir: -

I listened to your Radio talk last night and appreciated greatly your position on Government spending, and your clear exposition of the subject matter.

It is refreshing to hear men like you who are not politicians; and to know that we have in our public service intelligent, unselfish, and humane souls, who, though connected with banking, do not worship the dollar. With sincere admiration,
Albert Grobstein
