Mr. M. S. Eccles

Chairman Federal Reserve Board  
Washington, D. C.

Dear Mr. Eccles:

Please send me a copy of your radio address given Monday night, January 23, over the National Radio Forum program, answering Senator Bird of Virginia on his attack of government work-relief program of "lending and spending" branding it as "false economy".

Your answer was highly constructive and informative, therefore I would like to obtain a copy of it for my use when necessary as an authoritative source in support of the government's policy on this very much controversial subject.

Hoping that you would send me the above request, I thank you.

yours truly
