Dear Sir:

There is no necessity for me to gild a lily, so I won't tell you what I think of the talk that you gave recently over the radio. I do think, however, it was one of the clearest expositions of thought, though not perhaps the fanciest bit of oratory that I have heard.

If you should happen to have a transcript of this talk, I should very much appreciate your sending this on to me.

Yours very truly,

W. BRAUN COMPANY
