Chairman Eccles,  
United States Federal Reserve Board,  
Washington, D. C.

Dear Mr. Eccles:

I am in receipt of a copy of an open letter addressed to you by the Honorable Harry F. Byrd, United States Senator from Virginia, in which he has quoted you at some length relative to your monetary and fiscal policies as applied to the Federal government.

Senator Byrd has suggested that it might be possible to secure a copy of your open letter to him and before passing judgment, I would be glad to have a copy of this letter so that myself and those associated with me can fairly and justly decide the question, having given both sides a fair hearing.

Respectfully yours,

R. W. O'Connor, Secretary. *ml*
