

FEDERAL RESERVE BANK OF ST. LOUIS

CHESTER C. DAVIS
PRESIDENT

May 7, 1941.

Dear Marriner:

Helen and I reached here yesterday around five o'clock after a leisurely and very pleasant automobile ride. We left Washington about eleven o'clock Sunday. I want to hasten to tell you how much Helen and I enjoyed the fine dinner and delightful company Saturday evening and to thank you and Maisie for including us. I was sorry that the conflict with the Butchers developed because it forced us away from your party before we really wanted to go. Any way, we had a fine time. Many thanks.

Sincerely,
