

June 21, 1937.

Mr. William T. Nardin,
Pet Milk Company,
St. Louis, Missouri.

Dear Bill:

I was glad to receive your two letters of June 16th and to note that your program is working out so satisfactorily insofar as the Board of Directors and Mr. Martin are concerned. I hope it will now be possible to carry the program through to conclusion in a manner which will be entirely satisfactory to you and your Board. I assure you that I will cooperate in every way I can.

I am getting as complete information as possible with reference to Mr. Lyons. Just as soon as I get this information and have a chance to review it, I will see Mr. Lyons for the purpose of determining whether or not I could personally recommend him for the position under consideration. If I feel that I can, I will, as you suggest, try to find out whether or not he would be interested in case your Board should favorably consider him.

The Board and I, in particular, greatly appreciate the excellent work you are doing for the Federal Reserve System at St. Louis. We recognize that it requires courage and ability as well as a good deal of time and thought given to public service.

With kindest regards,

Sincerely yours,

M. S. Eccles,
Chairman.
