

BOARD OF GOVERNORS
OF THE
FEDERAL RESERVE SYSTEM
WASHINGTON

ADDRESS OFFICIAL CORRESPONDENCE
TO THE BOARD

September 22, 1936

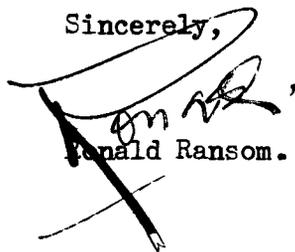

Dear Marriner:

General Wood came by on Friday, the 18th, to see you. I took him to lunch with Messrs. Szymczak, Davis, Clayton, and Thurston. We had a very pleasant session with him and, after lunch, I introduced him to a number of the members of the staff.

I told him that you were out West, and he expressed the hope that, if you were coming back by way of Chicago, you would drop by and have a word with him while you were there.

I think he is an ideal man for the position that he is filling in the Chicago bank and do not think a better choice could have been made. I think it would be helpful to him to have an opportunity to discuss the System and the banks with you.

Sincerely,

Ronald Ransom.
